Fine & Rare Wines & Spirits

We said it in 2019, and I think we'll have to say it again when the dust has settled on 2020: Zachys is the king of the single-owner sale. As I write this letter in late August, we're looking ahead to three monumental sales: Enoteca Pinchiorri, one of the great cellars of the world, The Deep, a "vast and deep" collection of wines from the US, and an extensive Hong Kong auction featuring collections of Manny O. and "The Diplomat." That doesn't include the three single-owners in October! With all this talk of single-owners, it's easy to forget sometimes that we love the diversity of the multi vendor sale more than anything!

The first thing I've got to draw your attention to in this catalog is the amazing section of Le Pin (starting lot 95). Wow. This wine is made in miniscule quantities, rare as a hen's teeth. And not only do we have cases of it, we've got double magnums. Double magnums of Le Pin come to auction more or less never. That entire consignment, starting at lot 83, is an ode to pristine young wine. The first growths, Roumier, Chave, Sassicaia. Even Yamazaki.

Elsewhere in the sale is a large section of Masseto, lots 323-330, a boatload of Selsosse, lots 376-381, and a nice section of large format Ausone and La Romanee from Liger-Belair, lots 429-456. There's Screaming Eagle, Harlan, an amazing section of old Madeira, and of course, all of the Burgundian producers Zachys auctions are known for: DRC, Leflaive, Rousseau, Roumier, Coche, Ponsot, Faiveley, Bouchard, de Vogue (Musigny blanc!) and many more.

There is no doubt that this has been one of the most challenging years, ever, for many people and for many reasons. We are delighted to be able to continue doing what we do, safely, and successfully. If you have any questions about this auction, please don't hesitate to reach out to me or my team of specialists. As a reminder, since March we've been running our auctions as normal—with the pointed exception of the absence of room bidding. But you can still log in and watch us auctioneer from our offices in New York, and we hope you will! If you prefer to bid absentee, please get those bids in early to Bid@Zachys.com.

See you in the "sale room,"
Jeff

WINES *from a* DEAR FRIEND

(LOTS 1-82)

From the cellar of a dear longtime friend of Zachys' very own CEO, Don Zacharia, comes this concise list of wines from around the world. From Bordeaux: Lafite, Margaux, Lafleur, and the wonderful 2000 La Conseillante. The perennial favorite 1989 Pichon Lalande is here, as is the '00 Léoville Las Cases. The selection of Burgundy is small, but focused on the best wines in Jadot's portfolio, including the rare Musigny. After a brief stop in the Rhône Valley for some Cuvée da Capo, the list of Gaja is extensive, and covers Conteisa, Barbaresco, Sori Tildin, Sperss and more. From our own shores, a Harlan vertical, and a slew of Hundred Acre, are just two highlights! The wines in this offering were mostly bought on release or mailing list direct, and many were from Zachys retail.

ITALY

GAJA

In the mid-nineteenth century the Gaja family began producing wine in Piedmont. Giovanni Gaja established the winery and Angelo, the fourth generation, joined the family firm in 1961. Angelo Gaja, born in 1940 and the present director of the family firm, has a degree in enology from Alba as well as a masters in economics. In 1974 he went to California, where he presumably fell under the spell of the barrique. Gaja has achieved unequivocal success aging his Barbarescos in small, new oak barrels, where the wine takes on a certain subtlety and suppleness without losing the personality of the Nebbiolo grape.

Gaja is the largest private owner of vineyards in the Barbaresco zone, with 153 acres of vines in Barbaresco, Treiso, and Alba. They own fourteen different vineyards in Barbaresco and Treiso that make up their Barbaresco normale. Besides this regular Barbaresco, Gaja bottles three individual crus. Of the three, Costa Russi matures the soonest. It is the most open, with a sweeter taste and more intense aroma. Sori Tildin is more closed and concentrated; it is firm in texture and holds more in reserve. Sori San Lorenzo is the hardest of all in its youth, requiring age to show its real quality. It is the slowest maturing of the crus as well as the longest lived.

HARLAN ESTATE

Harlan Estate, owned by Bill Harlan, is a luxury, world-class, Cabernet Sauvignon-based wine produced from a steep, terraced vineyard on the western side of Napa Valley, high above Napa's famous Martha's Vineyard. Approximately twenty-four acres are in vine and the yields to date have been very low. Bill Harlan, better-known as one of the principals of Merryvale Vineyards...has only one objective: to produce one of the greatest red wines of California.

The wines are a blend of approximately two-thirds Cabernet Sauvignon and the remainder Cabernet Franc and Merlot. Bob Levy, Merryvale's winemaker and Michel Rolland, the well-known Bordeaux oenologist, are the architects behind these exceptional efforts. Stylistically the wines are the Napa Valley equivalent of a hypothetical La Mission Haut-Brion/Cheval Blanc blend. They are rich, powerful wines with unmistakable elegance, complexity, and purity.

HUNDRED ACRE

Proprietor Jayson Woodbridge makes some of the most unique, deeply personal wines in Napa Valley. Very late harvests and minimal intervention in the cellar, including no rackings until bottling, are just some of the choices that inform these wines. Woodbridge's vineyards are in St Helena (Kayli Morgan), the lower part of Howell Mountain (Ark) and Calistoga (Few and Far Between). Woodbridge is less reliant on outside consultants than many of his colleagues, so the wines bear very specific signatures that are unlike those of other wines being made in the Valley. The late harvests give the wines super-ripe fruit that can at times veer towards sweetness, but it is the extreme silkiness and finesse of the tannins that differentiates these wines. Woodbridge believes wines must be ready to go upon release and frowns upon decanting or advance aeration, which he doesn't think should be necessary. As outstanding as these wines can be upon release, the reality is that the wines have also proven to age exceptionally well.

The COLLECTOR'S VISION

Lots 89-91

(LOTS 83-157)

What you are about to behold is one of the greatest collections of wine to come to market in recent memory. It's a brief list, not even 75 lots, held together with one unifying theme: quality. Oh, and rarity. Also, condition. So, three unifying themes which have this in common: excellence.

There's no doubt that this is one of the deepest offerings of Le Pin that Zachys, and indeed any auction house, has ever brought to market. The quantity of Le Pin produced is infinitesimal, and here we're offering a jaw-dropping 54 bottles. If that's not enough, the magnums and double magnums, oh the double-magnums! 2016 Le Pin in double magnum has never been offered at auction before this sale. Indeed, there has never been a d-mag of any vintage of Le Pin offered at auction from 2011-present vintages.

The Burgundy in this offering consists of Roumier, Rousseau, Dujac, for the most part—a triumvirate of the three most in-demand producers available today. With this pristine provenance, this is your opportunity to pick up young, single-owner wines you missed out on at release. There's also La Romanée from Liger-Belair, and the amazing one-barrel production of Lafon Montrachet.

Chave, including the Cuvée Cathelin, Masseto, Sassicaia, Screaming Eagle, and even rare Yamazaki—almost never seen in our USA-based auctions—round out this phenomenal offering. Bid with confidence. Everything here was bought on release and stored professionally prior to this auction.

CHÂTEAU MARGAUX

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

Le Pin

The vineyard has humble beginnings. Mme. Loubie owned the land from 1924 until her passing in March 1979 and during this time the wine was sold as generic Pomerol. When Jacques Thienpont purchased the meager 1.6-hectares parcel for one million francs, he named his wine Le Pin, after a solitary pine tree that shaded the property. His cousin, Alexandre Thienpont once told me that Jacques contemplated absorbing the tiny parcel into Vieux Château Certan in order to supplement the production, but had a change of heart once it was his possession, after all quality was already improving at Vieux Château Certan.

Throughout the 1980s and early 1990s the wine became an icon of modern Bordeaux. Le Pin was soon challenging the supremacy of Pétrus not only in terms of price, but in terms of quality. Its scarcity, memorable name, its understated label, charismatic proprietor and most importantly quality, provided the rocket fuel for its meteoric rise into the élite in a handful of years. The present encepagement is 92% Merlot with just 8% Cabernet Franc although the final blend is usually 100% Merlot, similar to Château Pétrus.

ROUMIER

The domaine was enlarged a number of times since its inception in 1924, with Georges acquiring a bit more Bonnes-Mares in 1952, as well as two parcels of Clos Vougeot in the same year. In 1953 the Roumiers also purchased the monopole Premier Cru Morey St Denis "Clos de la Bussierre." In 1968, Jean-Marie's wife, Odile Ponnelle, purchased a tract of unplanted Corton-Charlemagne, which was subsequently committed to vine and the first Roumier Corton-Charlemagne was released in the 1974 vintage. In 1978 the domaine finally purchased the small slice of Musigny that they had been sharecropping since the mid-1920s.

Domaine Georges Roumier is one of my favorite domaines in all of the Côte d'Or. In my personal cellar, by quite some margin, I have more Roumier wines than from any other producer. I find them to be extremely reliable for cellaring, and to deliver at their apogees all the majestic complexity for which Burgundy is rightly renowned. Out of the blocks they are not the typically delicate style of Chambolle, but rather wines that are full and well-structured in their youth. For young Chambolles they are atypical, but within the fullness of time, they develop all the silk and perfume for which the wines of this village are so rightly cherished. From the superbly crafted Chambolle-Musigny village bottling that I buy in depth in every vintage to the lonely bottle of Roumier Musigny, these are among the greatest wines that I have in my cellar, and bottles that I look forward to growing old with comfortably.

RHÔNE

JL CHAVE

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard Cuvées are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

The Hermitage Rouge is made of 100 percent Syrah while the Blanc is generally eighty percent Marsanne and twenty percent Roussanne. In vinification, contrary to modernist techniques once again, Chave eschews new oak, using only ten percent for the Rouge and mostly old oak and stainless steel for the fermentation and aging of the Blanc. The white Hermitage has the texture and richness of a great white Burgundy with immense complexity and the ability to age substantially. When serving the Blanc, Jean-Louis advises that they are not chilled too much, and are always decanted for a short period. The Rouge is a highlight.

THE KING & QUEEN OF BURGUNDY

Domaine Leflaive & Domaine de la Romanée-Conti

(LOT 158-197)

This consignor has been a longtime client of Zachys and, as an intercontinental businessman, he maintains collections in Hong Kong, the United States, and throughout Europe. As an avid collector he has built up phenomenal reserves of the top Burgundy producers: specifically, Domaine Leflaive and Domaine de la Romanée-Conti. The following lots should excite any Burgundy lover with 6-pack original cases of the best vineyards and vintages from these producers. Just a few notable highlights include several vintages of Chevalier-Montrachet Domaine Leflaive dating back to 1982, La Tâche 2009, Montrachet DRC 2008 in a 3-pack original wooden case; and for the Bordeaux lovers: some aged bottles of Vieux Château Certan 1947, Mouton Rothschild 1961, and an incredible magnum of Château Latour 1966!

Almost all of these lots have been stored at Zachys' New York storage facility.

162 1 bottle US\$1200-1800

Vieux Château Certan 1947

*Pomerol
mid shoulder, lightly torn label, short capsule reveals vintage branded cork*

"A dazzling wine, which I have tasted a number of times over the years...it reveals a smoky, meaty, truffle, and blackcurrant-scented nose, as well as massive, chewy flavors loaded with glycerin, extract, and alcohol. It exhibits more amber at the edge than the 1948, but, wow, what a mouthful of wine! Like many 1947 Pomerols, its unctuousity and thickness make me wonder if a spoon would stand up in the glass without any support?...97." WA 10/94.

BURGUNDY

DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

DOMAINE LEFLAIVE

Joseph Leflaive was a very astute purchaser of vineyard land during the first two decades of the twentieth century, so that today the domaine's roster of vineyards is the greatest constellation of white Burgundy patrimony in the Côte de Beaune. These include just under two full hectares in Chevalier-Montrachet, an equal slice in Bâtard-Montrachet, a bit more than a hectare in Bienvenues-Bâtard-Montrachet (out of a total of 2.3 hectares), just over three hectares in the beautiful Premier Cru of Pucelles, three-quarters of a hectare in Combettes, 1.27 hectares in Folatières, and nearly five hectares in Premier Cru Clavoillon. In 1991, the topping on the cake was added when the domaine purchased a very small, .08 hectare slice of Le Montrachet itself.

The Collection of

A RENOWNED EAST COAST GENTLEMAN

(LOTS 198-228)

From one of this country's great collections comes a selection of pristine and well-curated fresh-to-market Burgundy and Bordeaux from top-tier producers. The wines in this offering were either bought on release or from trusted single-owner collections. Receipts are available on request, and all wines were removed from a professional wine storage in the NYC area.

Beginning with left bank Bordeaux, we find highlights in Lafite 1996, 2003 and 2005, Latour from six vintages spanning 1982-2005, and Cheval Blanc 1998 and 2005. The right bank shines with Pétrus 1998 and 2001 and Lafleur 1995 and 2005. In Burgundy, you can't go wrong when the offering is focused on these three domaines: Drouhin, Rousseau and DRC. The lineup includes Drouhin's Musigny from 2008 and 2009 (including magnums!), full dozens of Chambertin AND Chambertin Clos de Bèze 2009 from Rousseau, and La Tâche 2002, 2005 and 2010. Capping it off are a three-pack of Romanée-Conti 2001 and a 1999 Assortment Case, both in original wood case.

The superb conditions of this collection cannot be emphasized enough: bid with confidence!

MASSETO

Masseto is the famous 100% Merlot IGT...and is regarded as one of the best expressions of Merlot in the world. The Merlot vines are cultivated in alluvial, sandy-clayey soils that are rich in minerals. The same care and attention is paid in the vineyard as Ornellaia, with meticulous vineyard husbandry and rigorous sorting.

However the vinification is slightly different, with alcoholic fermentation carried out in wooden vats rather than stainless-steel, ranging in size from 65hl to 125hl. The wine is racked and then transferred into oak barriques where it remains for 24 months, with blending at 12 months.

TROPHY WINES *of an* INVETERATE COLLECTOR

(LOTS 429-456)

"I can't get into my cellar." This is the message we have received every other year or so, for the last twenty-five years, from a longtime, passionate collector in America's heartland. We're always amazed by the quality and rarity of the wines that are preventing him from moving in his underground cellar. The removal of only twenty boxes or so seems to solve his problem for the moment. But this relatively small quantity of wine is always worth well into six figures.

The contents of these bothersome boxes—verticals of Ausone in double magnum and Haut-Brion Blanc in magnum, seven vintages of La Romanée Liger Belair, magnums of Montrachets and Musignys—reveal not just incredible refinement of taste, but also the long established relationships he has with the handful of top retailers from whom he purchases these wines.

All wines purchased at or near release, almost invariably of excellent appearance, and stored in a refrigerated underground cellar maintaining 55-60 degrees F.

BORDEAUX

CHÂTEAU AUSONE

Ausone is named for Ausonius, a fourth century poet and later Consul to Rome who lived in the area, although no proof exists that the current Ausone holdings and Ausonius were connected. What is known is that he owned vineyards in or near Bordeaux, and that since Roman times wine has been made in and around St Emilion.

From the early eighteenth century Ausone was owned by the Cantenat family, eventually passing to a nephew, M. Lafargue. Lafargue is credited with building Ausone's reputation at the time; during his tenure it was considered the finest producer in all of St Emilion. In the early 1890s it passed to Lafargue's niece, Madame Challon, who later married Edouard Dubois. Edouard Dubois-Challon continued the work of Lafargue and by the time of the First World War Ausone was considered the wine of the commune, even greater than Cheval Blanc. This success and reputation enabled Dubois-Challon to acquire neighboring Château Belair in 1916. Alain Vauthier, the current proprietor, is a descendant of the family.

For a long time Ausone had a reputation as an erratic performer, but more recently has begun to achieve its potential consistently. In 1989 Clive Coates wrote presciently in *Grand Vins*, "I dare say it will not be long before Ausone fetches the same prices as Pétrus."

There are two main areas of vineyards in St Emilion, the valley and the slopes. Ausone is in a prime spot on the slopes, a steep plot of 7.3 hectares on a mixture of clay soil and some sandy gravel with a limestone base and subsoil. It is planted with almost fifty percent each of Merlot and Cabernet Franc, plus a few Cabernet Sauvignon vines. Like many of the châteaux on the St Emilion slopes, Ausone's cellars are dug right into the side of the hill. In fact, so much of the hill has been excavated that a couple of years ago a whole acre of the Belair vineyard collapsed.

The wines have a three to four week maceration following fermentation before going into 100 percent new oak barrels for malolactic fermentation and around eighteen to twenty-four months of maturation. The annual production of 2000 cases is then fined with egg whites and bottled without filtration.

BOND

As one can see, the approach here is akin to that of Burgundy. Bond Estate is all about identifying small special plots of land and making the best wine possible from each, thereby showcasing the individuality and terroir. At Bond, there is a fine array of very diverse climates and soils, and it is very interesting to taste these wines side by side to see just what a difference soils and situation make.

As age worthy as any of Napa's greatest Cabernets, these are super serious wines and will give great pleasure over the years and decades to come.

LAYERS OF LAFITE (LOTS 503-522)

This collection offers a stunning near-vertical of Lafite Rothschild dating from 1998-2016. Purchased as futures, these wines were carefully collected and cherished over the years by a gentleman who is a winemaker in his own right. All bottles have been remarkably stored in a temperature-controlled home cellar and are in pristine condition.

BORDEAUX

CHÂTEAU LAFITE ROTHSCHILD

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

END OF SALE

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. By participating in an auction, an auction participant agrees to be bound by the Conditions of Sale printed in this catalog.

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices. Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 24% Buyer's Premium will be added to the successful bid price of each lot purchased and is payable by Buyer, together with the applicable sales tax which is applied to the total cost of purchase, as stated in the Conditions of Sale located in this catalog.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (*) next to the lot number.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, Zachys and any consignor are not liable for any description or error or omission in any description and prospective Buyers cannot rely on Zachys or any consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National

Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre arrange check or credit approval through our Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034. All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either fax the form to +852.3014.3838, +44.20.34.75.85.25 or +1.914.313.2350 or email the form to asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, (iii) or live over the internet. The auctioneer may also execute bids on behalf of the consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If an online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Absentee, Telephone & Online Bids

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute, absentee, telephone or online bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot. Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Placing Telephone Bids

Prospective Buyers may bid by telephone during the sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above HK\$16,000 or US\$2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Online Bidding

Zachys assumes no responsibility for disputes or errors arising from live online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids. By registering and bidding live on the internet, prospective Buyers agree to be bound by the Conditions of Sale.

Sales and Other Taxes

Buyers are responsible for the payment of any tax which Zachys may be required by law to remit to Zachys state of licensure at the time of sale. Applicable sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the buyer from Zachys; unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale. All questions regarding sales tax and exemptions should be directed to Zachys Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number. On rare occasions, Zachys may guarantee a minimum price to the consignor of property. Such lots are identified in the catalog by the symbol (◆) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and

invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 24% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

Payment is due within 14 days of the sale close. If Zachys has had no instructions from the bidder, 30 days after the sale close Zachys will auto-charge US Live Auction purchases to the credit card on file along with a 2.5% late payment fee. In the event that Zachys is unable to charge the bidder's credit card, the sale will be cancelled after 60 days. Payment can be made by credit card, check, money order, bank wire transfer or cash. In the event of third-party payments, Zachys may require an Authorization Letter from both parties. Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

For Hong Kong auctions, payment is accepted in both Hong Kong Dollars and United States Dollars. Zachys, in its sole discretion, shall determine the currency exchange rate for all United States Dollar payments with respect to sales conducted in Hong Kong.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction. Buyers wishing to make payment by credit card must present the card in person at or prior to the auction. All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, Union Pay, MasterCard, American Express and Discover. The maximum amount allowed to be charged on credit cards is limited to HK\$200,000 or US\$20,000 per auction. Zachys reserves the right to charge Buyer's credit card and to immediately assess a 3% late penalty charge, should payment be past the due date, notwithstanding that the amount of such charge may exceed HK\$200,000 or US\$20,000.

In the event a charge or check is not accepted by the appropriate financial institution, Buyer remains liable for all amounts owed on date due. Buyers wishing to pay for purchases via wire transfer should contact Zachys' Customer Service by calling +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 or email asia@zachys.com.

When paying by wire transfer, please be sure to reference the invoice number in the details field.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be the same as the one signed on payslip.

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

For your convenience, Zachys' Collection & Delivery Form is located in this catalog. It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products. After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyers' expense, direction and request.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions are prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1

This catalog endeavors to describe the property listed herein accurately. However, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained herein. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. Neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG.

2

The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee when applicable, together with any applicable sales tax. The Buyer's Premium is 24% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3

Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4

Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5

In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6

Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7

Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale.

8

The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9

No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM of the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 30 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge

of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 30 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges of \$2.75 per 9 liters of wine.

10

Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefor.

11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefits of these two preceding provisions are not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

16a

For auctions that are held not in Hong Kong or the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16b

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16c

For auctions that are held in the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the District of Columbia. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the District of Columbia courts and the United States District Court for the District of Columbia. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.
