There are very few collections in the world to compare with the breadth, depth, and quality of Cornerstone.

Eighteen months ago, Zachys hosted the first single owner auction of wines from the Cornerstone Collection. All three thousand bottles were Burgundy and the sale was a resounding success.

This offering, "Cornerstone II," more accurately reflects the composition of the collection as a whole. While Burgundy leads, the selection of Bordeaux, Italian, Champagne, Rhône, and California wine is breathtaking in its quality and depth of vintages. It is a cross section of an edifice of many tens of thousands of bottles carefully and passionately collected over the last quarter century. Our collector friend continues an active program of purchasing, primarily from reliable trade sources with whom he has established long term relationships, and in many instances, the domains and wineries themselves. As he has many years of active collecting ahead, and many tastings still to organize, he has chosen to engage in selective pruning to allow the Cornerstone Collection to continue to grow with each new vintage.

Although his regular trips to Europe commenced in the 1990s and program of purchasing current vintages soon thereafter, the Cornerstone collector has sought to extend some of his holdings of key domains back in time, through trade sources, and occasionally at auction. Hence this offering features White Burgundies back to the 1980s, DRC and Mayer back to the 1970s, Rousseau and Roumier back to the 1960s, Pétrus to the 1950s, La Mission to the 1940s, Mouton and Margaux to the 1930s, and Haut-Brion to the 1920s. The first vintages of Krug Clos du Mesnil, Cuvée Cathelin, La Turque, and Joseph Phelps Eisele Cabernets are all to be found here. Rarities abound—Giacosa Collina Rionda 1978, Trotanoy 1961, multiple vintages of d'Auvenay whites, Ramonet Montrachets, Haut-Brion Blancs, La Romanée, Le Pin, Pétrus, and Masseto. The core of Cornerstone II and what will drive the sale, however, is the breadth of utmost highest quality wines from the last four decades, nearing the peak of perfection, and now very difficult to obtain.

The extraordinary bottles in the Cornerstone Collection have been maintained to the highest standards, those sourced in Europe transported in refrigerated containers, and all stored in carefully monitored temperature-controlled conditions professionally and at home. May they, in turn, serve as cornerstones to many new and growing collections.

Fritz Hatton

## CHAMPAGNE

### KRUG

Krug

Of all the wine world's luxury brands, Krug is perhaps the most glittering. No expense is spared in its production, though the techniques used are in fact remarkably artisanal, including fermentation in small, old wooden casks. Time is of the essence: the overall ageing cycle is the best part of a decade here, with all wines being aged for at least six years sur pointes (upended, after the "ordinary" ageing period that follows the second fermentation is concluded). No expense is spared, either, in the pricing of its five wines, the cheapest of which, Grande Cuvée, costs as much as many rival houses' top Cuvées. This is a wine of magnificent complexity and layered richness, nourishing and diverting, as detailed and textured as a Gobelin tapestry. It contains wines from a decade's worth of vintages and from at least twenty different crus (not all of them Grand or even Premier, one might note); Krug makes no secret, too, of its need and love for Pinot Meunier. (The Krug 1928 vintage, regarded by the family as the greatest ever, contained twenty percent Meunier, and there is eighteen percent in the finely honed 1988.) There is also a relatively understated rose of pale tawny hue, and a series of vintage wines of magnificent stylistic oscillation, fully respecting the potential of each year. The Collection vintage wines have spent more years in the Krug cellars in Reims; disgorgement took place at the same time as for "ordinary" vintage wines. Finally, a champagne de terroir: the pure Chardonnay Clos du Mesnil, vinified from wines in a genuine 1.9 hectares walled vineyard within the village of Le Mesnil, purchased by Krug in 1971, and released as a vintage wine beginning with 1979. In great years (like 1988) it is magnificent and multi-dimensional.

"The much anticipated release of Krug's single vineyard masterpiece meets expectations. The combination of Remi and Henri Krug's 4.6-acre jewel surrounded by the village of Mesnil, the superb 1990 vintage and the brothers' attention to detail result in this profound Champagne. A seductive mosaic of biscuit, honey and walnut oil lead to baking bread and citrus in this masculine, youthful Champagne. **SALON**

With its first vintage in 1905, Champagne Salon began its tradition of extreme attention to terroir, quality, and precision. The unique vineyard Le Mesnil-Sur-Oger, where the grapes are sourced, is nestled in the heart of the Côte des Blancs – the home of Chardonnay in Champagne. Made with 100% Grand Cru Chardonnay only in the best years, the wines are cellared in bottle for an average of ten years before release. Simply put, this is a grand vin...with bubbles.

# **GUIGAL**

Marcel Guigal - perfectionist, fanatical, pernickety – is the super-star of the appellation and probably sells more Côte-Rôtie under his own label than all the other growers combined. Despite this size, however, the quality is exemplary - as they should be at the prices he charges! He harvests late, insists on very low yields, and keeps the wines in a combination of barrel and small foudres and demi-muids, all newish wood, for up to three and a half years before bottling. Their wines are so concentrated they can withstand this wait without drying out, and remain profound, rich and individual. La Landonne is the Brune, La Mouline the Blonde, La Turque the sort of hermaphroditic mixture. Usually my favourite is the Landonne. The Château d'Ampuis bottling combines elements of both the sectors of Côte-Rôtie, from vines in the climats of La Pommier, Le Pavillon, La Garde and Le Clos.

Clive Coates, "An Encyclopedia of The Wines and Domaines of France"

# GIACOMO CONTERNO

Cantine Giacomo Conterno has stood at the pinnacle of "traditionalist camp of Barolo" for many, many decades, and along with the wines of other Piemonte icons such as Bartolo Mascarello, Mauro Mascarello and Bruno Giacosa, the wines of Cantine Giacomo Conterno have set the standard for excellence in the region for many years. The founder of the estate as it stands today was Giacomo Conterno, who began his own winery in the village of Monforte d'Alba in 1920, and quickly earned a reputation for excellence for the quality of his Barolo. However, the Conterno family's involvement in wine production in Barolo far predates the launching of today's winery in 1920, as the family retains documentation of their wine production ties that dates back to 1770. And in fact, Giacomo Conterno's father was very much involved in winemaking and wine sales from the moment he began his businesses in the region at the beginning of the twentieth century. The flagship Barolo bottling here is the bodega's Monfortino Riserva Speciale, which was first made in the 1920 vintage, and which is unequivocally one of Piemonte's longest-lived and greatest wines.

In many respects, modern Barolo as a long-lived and cellar-worthy wine owes much of its heritage to the visionary efforts of Giacomo Conterno throughout the decades of the 1920s, 1930s and 1940s. It is rather hard to imagine the landscape of Barolo as it is today without his pioneering efforts.

# **BRUNO GIACOSA**

Bruno Giacosa was born in the town of Nieve, within the Barbaresco DOCG. As young as thirteen Bruno was assisting his father and grandfather in the cellars, and by the age of fifteen he was fully employed in the family firm. Bruno's grandfather, Carlo Giacosa, started the firm in the late nineteenth century when the wine was sold in demi-johns and not estate bottled. It was not until the 1960s that the Giacosas began to sell more wine in bottle than in demi-john!

Up until 1964 the family did not offer any individual cru bottlings of either Barbaresco or Barolo, and following tradition in the region, they were labeled simply as Barolo or Barbaresco. It is noted that even as far back as Carlo Giacosa's time, the wines were vinified and kept separately in the cellars. The two vineyards which they primarily purchased from at that time, the Gallina and Santo Stefano, were only blended together for the Barbaresco "Riserva Speciale" and therefore all regular Barbaresco bottlings were in effect two distinct Barbarescos released under the same label.

Like so many of the top producers in Piedmont, the Giacosas did not own any of the vineyards from which they made their wines. In 1982, they finally purchased a vineyard holding of their own, the 8.4 hectare Falletto vineyard in the village of Serralunga. This purchase in Barolo was followed up more than a decade later when the Giacosa family bought pieces in two of the greatest terroirs in Barbaresco, the Asili and Rabaja vineyards, in time to produce bottlings of the 1996 vintage.

The style of Giacosa's wines are quite traditional, though the fermentations are not quite as long as many of their neighbors of the "old school". Typically the maceration will now last from fourteen to twenty-four days for the Barbarescos and Barolos, which is quite a bit shorter than a producer such as Giuseppe Mascarello, whose Barolo Monprivato macerates for at least thirty days (down from sixty days in years past). Following this maceration the wines are racked into large casks called botti and aged for three to four years. The control of the winery is now in the capable hands of daughter Bruna Giacosa and Cellarmaster Dante Scaglione.

There are no wines that match the prestige or class of Giacosa's in all of Barbaresco and only a select few which share the crown in Barolo.

# MASSETO

Masseto is the famous 100% Merlot IGT...and is regarded as one of the best expressions of Merlot in the world. The Merlot vines are cultivated in alluvial, sandy-clayey soils that are rich in minerals. The same care and attention is paid in the vineyard as Ornellaia, with meticulous vineyard husbandry and rigorous sorting.

However the vinification is slightly different, with alcoholic fermentation carried out in wooden vats rather than stainless-steel, ranging in size from 65hl to 125hl. The wine is racked and then transferred into oak barriques where it remains for 24 months, with blending at 12 months.

### ARAUJO ESTATE

Established 120 years ago, and planted to Cabernet Sauvignon in 1964, the Eisele Vineyard consists of well-drained cobbly soils that produce a low-yield, highly concentrated crop furnishing intensely fruited and powerfully long lived wines of class and character. When the Araujo family acquired the vineyard in 1990 it was replanted to the best varietal clones suited for elite quality wine production. The family also constructed an underground cave system specifically for aging the wine in the most naturally ideal temperature and humidity conditions. All Araujo wines are made from organically and biodynamically produced fruit grown on the Araujo estate located in the northeast Napa Valley, near Calistoga.

# **HARLAN ESTATE**

Harlan Estate, owned by Bill Harlan, is a luxury, world-class, Cabernet Sauvignon-based wine produced from a steep, terraced vineyard on the western side of Napa Valley, high above Napa's famous Martha's Vineyard. Approximately twenty-four acres are in vine and the yields to date have been very low. Bill Harlan, better-known as one of the principals of Merryvale Vineyards...has only one objective: to produce one of the greatest red wines of California.

The wines are a blend of approximately two-thirds Cabernet Sauvignon and the remainder Cabernet Franc and Merlot. Bob Levy, Merryvale's winemaker and Michel Rolland, the well-known Bordeaux oenologist, are the architects behind these exceptional efforts. Stylistically the wines are the Napa Valley equivalent of a hypothetical La Mission Haut-Brion/Cheval Blanc blend. They are rich, powerful wines with unmistakable elegance, complexity, and purity.

### SCREAMING EAGLE

It's rare. It's expensive. And there's a mystique about it. But Screaming Eagle Cabernet Sauvignon is no pretender. It's the real thing, and it deserves to be considered among Napa Valley's prestige wines...

You can't make wine this magnificent without fabulous grapes, and Screaming Eagle clearly comes from a spectacular vineyard... on the east side of Oakville, near the Oakville Crossroad...While ripening Cabernet (and smaller amounts of Merlot and Cabernet Franc) is routinely easy in this area, one of the trademarks of Oakville Cabernet is that the wines often display an herbal quality that manifests itself in a variety of subtleties, including hints of anise, sage, dusty berry, cedar and occasionally a whiff of new leather and tar. You find these shades of herb in Cabernets like Heitz Martha's Vineyard (grown on the west side of Oakville), with its signature minty currant personality, or Groth, which is one of the cooler sites on the valley floor. Screaming Eagle captures the best of all these elements. It also epitomizes exquisite balance, managing both to be enormously complex and concentrated, yet elegantly styled, with a smooth, polished texture.

## BORDEAUX

### CHÂTEAU AUSONE

Ausone is named for Ausonius, a fourth century poet and later Consul to Rome who lived in the area, although no proof exists that the current Ausone holdings and Ausonius were connected. What is known is that he owned vineyards in or near Bordeaux, and that since Roman times wine has been made in and around St Emilion.

From the early eighteenth century Ausone was owned by the Cantenat family, eventually passing to a nephew, M. Lafargue. Lafargue is credited with building Ausone's reputation at the time; during his tenure it was considered the finest producer in all of St Emilion. In the early 1890s it passed to Lafargue's niece, Madame Challon, who later married Edouard Dubois. Edouard Dubois-Challon continued the work of Lafargue and by the time of the First World War Ausone was considered the wine of the commune, even greater than Cheval Blanc. This success and reputation enabled Dubois-Challon to acquire neighboring Château Belair in 1916. Alain Vauthier, the current proprietor, is a descendant of the family.

For a long time Ausone had a reputation as an erratic performer, but more recently has begun to achieve its potential consistently. In 1989 Clive Coates wrote presciently in *Grand Vins*, "I dare say it will not be long before Ausone fetches the same prices as Pétrus."

There are two main areas of vineyards in St Emilion, the valley and the slopes. Ausone is in a prime spot on the slopes, a steep plot of 7.3 hectares on a mixture of clay soil and some sandy gravel with a limestone base and subsoil. It is planted with almost fifty percent each of Merlot and Cabernet Franc, plus a few Cabernet Sauvignon vines. Like many of the châteaux on the St Emilion slopes, Ausone's cellars are dug right into the side of the hill. In fact, so much of the hill has been excavated that a couple of years ago a whole acre of the Belair vineyard collapsed.

The wines have a three to four week maceration following fermentation before going into 100 percent new oak barrels for malolactic fermentation and around eighteen to twenty-four months of maturation. The annual production of 2000 cases is then fined with egg whites and bottled without filtration.

#### CHÂTEAU HAUT-BRION BLANC

Château Haut-Brion Blanc, the tiny production, white wine sibling of Haut-Brion, is one of the world's greatest dry whites. Although it is known that white skinned wine grapes were grown on the estate as early as the late eighteenth century, there are no actual records of it bearing the famous Château Haut-Brion label until the 1920s.

**CHÂTEAU LAFITE ROTHSCHILD**

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

## CHÂTEAU LATOUR

Some of my fondest wine memories are of drinking wine bottles of the renowned Château Latour. It is, without a doubt, one of the greatest wine estates in the world. While its history goes well back to the fourteenth century, Latour began to be clearly defined as one of the greatest wine estates in the world in the mid-nineteenth century, and amazingly, It has kept that position for the last 150 years. Their wines, which are known for their power, richness and longevity, are sought after by collectors and wine lovers throughout the world.

As Robert M. Parker says of Château Latour in *The World's Greatest Wine Estates*, "The wine produced here has been an impeccable model of consistent excellence, in great, mediocre, and poor vintages. For that reason, many have long considered Latour to be the Médoc's finest wine... Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world."

In 2000, I had the wonderful opportunity to taste over twenty-five vintages of Château Latour, including fourteen wines older than 1961 and four from the nineteenth century. It was an evening I will never forget. The wines were so rich, alive and fresh. What an extraordinary experience it was to be able to taste the 1900 and the 1899 side by side and discuss the differences, or to argue whether the 1955 or the 1949 is showing better right now (at my table we all thought the 1955 had the slight edge). In the end we tasted Latour from a 125 year span and although there was a lot of discussion about which were the better wines, the final conclusion of everyone in the room was that, "Latour makes some of the greatest wines that any of us have ever tasted."

#### CHÂTEAU MOUTON ROTHSCHILD

Mouton, like much of Pauillac in the sixteenth century, was part of the sprawling Ségur estate. In the mid-eighteenth century the land that is now Mouton Rothschild was acquired by Baron de Brane, who changed the name to Brane-Mouton. Brane sold it in 1830 to an M Thuret; while it was already a notable Château, first appearing in a Christie's catalog in 1834, Thuret did not make maintenance of the Château a priority and resold it in 1853. The purchaser was Baron Nathaniel de Rothschild, at the time head of the English arm of the wealthy Rothschild family.

While Mouton was always a highly regarded wine, a big change came when in 1922, when the twenty-one-year-old Baron Philippe decided to run the Château full-time. An innovator from the start of his tenure, in 1924 he decided that in order to guarantee quality the entire production would be bottled at the Château, and from 1934 he numbered each bottle released. Also, of course, he started the tradition of works of art on Mouton labels, featuring the famous Carlu ram's head from 1924 to 1926, and since a hiatus from then until 1945, each label has either been designed by a major artist or featured a tribute to a significant event in the Château's history.

Perhaps his most significant achievement was persuading the French Minister for Agriculture, Jacques Chirac, that Mouton was and had always been a First Growth that had been wrongly classified. So, in 1973, for the first and only time, a revised edition of the 1855 classification was released with Mouton finally ranked, next to its Pauillac neighbors Lafite and Latour, as a First Growth.

# PÉTRUS

Pétras today is a little over eleven hectares, including five hectares purchased in 1969 from neighboring Château Gazin. The vineyards have clay topsoil and gravelly subsoil, allowing good initial water retention but excellent longer term drainage. The vines are old, around forty to fifty years, planted with ninety percent Merlot and five percent Cabernet Franc. To increase concentration the vines are pruned extensively and a green harvest is performed. At harvest time, nearly two hundred workers pick the grapes at their peak of balance and ripeness. Sometimes up to four passes are needed but if pressed, as in 1982, the entire harvest can be completed in just one day.

The grapes are partially destemmed and after a fairly lengthy maceration period, sometimes almost a month, the wine spends twenty months in new oak before being fined (but not filtered) and bottled. Pétras is a classic example of careful vineyard management and winemaking yet the result leaves evidence of something even greater. These methods combine with exquisite terroir for Merlot to create something that is, in good vintages, not only earth-shatteringly tasty, but distinctive, lending the name Pétras majesty because of its quality but also its inimitability.

#### CHÂTEAU LA MISSION HAUT-BRION

On November 2nd 1983, the present owners acquired La Mission after the owner Francis Dewavrin was unable to resolved internal family disputes over the way the property was managed and it marks a convergence of histories between Château Haut-Brion and La Mission, though only in the sense that they share the same owner: Clarence Dillon. He enlisted Jean-Bernard Delmas as Château-manager and there followed a period that has consolidated La Mission's position as one of the greatest estates, hovering just outside the First Growths.

Their commitment to innovation and improvements has been a catalyst for many estates in the Graves region to improve their wines, particularly with respect of clonal selection research. In 1987 the old chai was renovated, a new state-of-the-art cuvier was installed and a new bottling line was implemented in 1996. It must be emphasized that the estates are treated as separate entities, even though at some point the vines of both run side-by-side. In 2003 Jean-Bernard retired and handed the reins over to his son, Jean-Philippe Delmas.

This is definitely one of the most intriguing wines in Bordeaux: the appeal of La Mission is that it seems to avoid the vagaries of wine-making trends and wears its heart on its sleeve. This is a classic wine in every sense of the word and it can make a seamless match with food. A poor La Mission is still a better wine than most; a good La Mission is a great wine and a great La Mission can be a religious experience. I have met few wine-critics who do not hold this estate in high esteem: it is a wine for true wine-lovers.

#### CHÂTEAU LAFLEUR

Originally part of the Le Gay estate, Lafleur is owned by the Robin family, also owners of Le Gay until 2002. Today Lafleur is managed by Jacques Guinaudeau, a cousin of the owners. The vineyard is just 200 meters from Pétrus and although gravelly in appearance, the soils do contain a fair amount of clay. The vines here are fairly old, having largely avoided the 1956 frost, and the yields are low, just twenty-six hl/ha. The grapes are total destemmed, and the wines spend roughly sixteen to twenty months in fifty percent new oak barriques.

This is an extremely rich and heady wine, like liquid velvet, big and muscular when young, but mellowing wonderfully in time. Unfortunately for the many fans of Lafleur, production is a meager 1000 to 1200 cases a year.

# LE PIN

The vineyard has humble beginnings. Mme. Loubie owned the land from 1924 until her passing in March 1979 and during this time the wine was sold as generic Pomerol. When Jacques Thienpont purchased the meager 1.6-hectares parcel for one million francs, he named his wine Le Pin, after a solitary pine tree that shaded the property. His cousin, Alexandre Thienpont once told me that Jacques contemplated absorbing the tiny parcel into Vieux Château Certan in order to supplement the production, but had a change of heart once it was his possession, after all quality was already improving at Vieux Château Certan.

Throughout the 1980s and early 1990s the wine became an icon of modern Bordeaux. Le Pin was soon challenging the supremacy of Pétrus not only in terms of price, but in terms of quality. Its scarcity, memorable name, its understated label, charismatic proprietor and most importantly quality, provided the rocket fuel for its meteoric rise into the élite in a handful of years. The present encepagement is 92% Merlot with just 8% Cabernet Franc although the final blend is usually 100% Merlot, similar to Château Pétrus.

## BURGUNDY

### DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

**DOMAINE DUJAC**

This domaine was founded in 1968 by Jacques Seysses and currently comprises approximately fifteen hectares. Winemakers Jeremy and Diana Seysses have been at the helm of the Domaine since 2001. They believe that the success of their wines lie in the team effort at the Domaine from their Chef de Culture in the vineyard, Lilian Robin, to Jeremy's brother, Alec, and father, Jacques, who contribute in the cellar. In 2009, the Domaine began its conversion to total biodynamic farming practices. The Domaine chooses to emphasize intensity over power and prides itself on producing individualistic wines that are elegant, delicate, and complex.

**JOSEPH FAIVELEY**

Faiveley has been one of the largest and most important names in Burgundy for nearly two centuries, since the founding of the domaine by Joseph Faiveley in 1825. Today, despite a common belief that it is primarily a negociant house, the domaine encompasses an astonishing 117 hectares of vineyard land, about forty-five of which are in the Côte d'Or, which are the source of approximately seventy-five percent of the wines produced. These holdings include seven monopole vineyards including the Grand Cru Corton Clos des Cortons Faiveley. Besides making some of the most profound wines of Burgundy, the Faiveley family been important in promoting the wines of Burgundy, with Georges Faiveley co-founding the Confrérie des Chevaliers du Tastevin in 1934.

Faiveley wines are famously among the most long-lived of all Burgundies, with tasters reporting that wines approaching the century mark remain profound.

# HENRI JAYER

It is interesting to reflect upon the fact that in many ways Henri Mayer is portrayed as a modernizer in Burgundy, as many of the techniques that he pioneered in the region have been embraced by legions of vignerons, but in many respects he represented a return to a very traditional approach to winemaking. His emphasis on viticultural practices and the meticulous care that he gave to his vineyards are simply the most obvious facets of his traditional methodology. Henri Mayer revolutionized winemaking during the course of his career. Amongst his very many accomplishments was his emphasis on limiting yields in the vineyard, allowing the cooled must to macerate for a few days prior to the onset of alcoholic fermentation to allow colors to set and adding to the aromatic complexity in the finished wine and bottling the wine unfinned and unfiltered. He always spoke of the importance of treating the wine gently during the fermentation and elevage process, which he likened to "moving a sleeping baby who must be carried to its bed from the sofa upon which it has fallen asleep." He also was a proponent of one hundred percent new oak for his wines. This was the one precept of his winemaking technique that cannot be described as traditional, and it is the one most often cited by modern winemakers when they seek to sprinkle a little of the "fairy dust" of Mayer inspiration on their own wines. There is little doubt that the concept that a Grand Cru "deserves to be raised in one hundred percent new oak" that is often heard in Burgundy these days can be traced back to Henri Mayer and his success with new wood. However, one of the interesting things I have always found about Henri Mayer's wines was that I have never tasted one that was over-oaked.

# DOMAINE LEROY

How do you determine great? Is it size? Is it quality? Is it price? Is it 'reputation' (whatever that is)? Is it the amount of media coverage? However you do compute it, the greatest domaines of Burgundy today must be those under the control of Lalou Bize: the Domaine Leroy and her own Domaine d'Auvenay. The estates of Jadot, Faiveley and Bouchard Père et Fils are far larger, that of Romanée-Conti the most splendid in terms of the percentage of Grand Cru terroir, but for the nobility of its wines, pride of place must go to Leroy and to Domaine d'Auvenay. The sheer concentration, depth and intensity Lalou Bize manages to squeeze into her bottles is breathtaking. Lalou, born in Paris, was brought up in Meursault, in the mansion today occupied by her daughter Perrine. "From the word go I was fascinated," she says. "I was a cellar rat, watching and helping the cavistes rack the wines, taste them, bottle them. My mother kept calling me to come out of the cellar and play with my friends like a normal schoolgirl, but as soon as I could I crept back." In 1955 she persuaded her father to let her take over. She was twenty-three. "He gave me carte blanche," she says. "I started as I meant to go on. I bought finished wine, and only that which pleased me."

Lalou is now happy at the Domaine Leroy and on her own. "Look at my vines," she will say. "Look how healthy and comfortable they are." And, being Lalou, she will not fail to point out a neighbor's plot of excessively abundant, uncontrolled growth. "And come and taste the wine." Lalou's wines, according to her, are always 'extra'. The one-time cellar rat is now a master in her own right, and the wines she produces are triumphantly brilliant.

#### **LIGER-BELAIR**

The current Domaine du Comte Liger-Belair was founded by Louis-Michel Liger-Belair only in 2000, but Liger-Belairs have been growing wine in Burgundy for nearly two centuries, since General Louis Liger-Belair purchased the Château du Vosne in 1815. Over the next century the domaine grew through marriages and purchases until it included the monopoles of La Romanée, La Tâche and La Grande Rue, and substantial holdings in many of the other greatest vineyards of the Côte de Nuits. Unfortunately the passing of Comte Henri Liger-Belair in 1924 and his widow the Comtesse in 1931 meant that the estate was to pass equally to their ten children, and the law of the time provided that for any of the heirs to receive their portion in land rather than cash, all must have reached legal adulthood. Two had not, and when three of the other siblings did not want to wait to receive their inheritance, there was no choice but to put the entire domaine up for sale.

At that auction, Louis-Michel's grandfather Comte Michel and one brother joined to purchase what they could, and walked away with three pieces of vineyard land in Vosne-Romanée, the monopole La Romanée and parcels of Reignots and Chaumes. The wines were released under the names of various negociants until Louis-Michel began to take back vineyards to produce the wines himself. He continues to refine his practices, most recently with a complete conversion to biodynamic farming and to gentler presses, which he believes has improved the quality of the tannins, and has in just a decade solidly re-established the Liger-Belair name as one of the most reliable producers of top class Burgundy.

**JF MUGNIER**

For such an important domaine, which in addition to its 1.37 hectares of vines in Musigny proper, also possesses significant holdings in Bonnes-Mares, Chambolle-Musigny Premiers Crus Les Amoureuses and Les Fuées, as well as a monopole on the fine Nuits St Georges Premier Cru of the Clos de la Maréchale...Jacques-Frédéric's great-great-grandfather, Frédéric Mugnier, had been a merchant of spirits in Dijon in the middle of the nineteenth century, and as his business in Dijon prospered, he was able to buy his parcels of vines in Chambolle-Musigny and Nuits St Georges during the nadir in fortunes of the area brought about by the phylloxera epidemic.

The Mugniers added to their vineyard holdings in the area when they bought the Château de Chambolle Musigny in 1889 (also from the Marey- Monge family), though the house was used primarily as an occasional retreat from the city for the family for many, many years to come, with no one from the Mugnier family settling down in Chambolle until today's proprietor, Jacques-Frédéric Mugnier returned to Chambolle from overseas in 1984. As he relates, "my family were people from the city" so it is not surprising that "I am the first one to live permanently in this house." During the 1920s, the family business was run by five grandsons of Frédéric Mugnier (who had passed away in 1911), with James Mugnier officially in charge of the wine side of the business and the vineyards. Of these five grandsons, only one, Jacques Mugnier, ever married and had children, and it is from this grandson of Frédéric Mugnier that today's proprietor, Jacques-Frédéric Mugnier is related. Making wines of purity and grace, JF Mugnier is surely one of the most sought after producers in all of Burgundy.

**GEORGES ROUMIER**

The domaine was enlarged a number of times since its inception in 1924, with Georges acquiring a bit more Bonnes-Mares in 1952, as well as two parcels of Clos Vougeot in the same year. In 1953 the Roumiers also purchased the monopole Premier Cru Morey St Denis "Clos de la Bussierre." In 1968, Jean-Marie's wife, Odile Ponnelle, purchased a tract of unplanted Corton-Charlemagne, which was subsequently committed to vine and the first Roumier Corton-Charlemagne was released in the 1974 vintage. In 1978 the domaine finally purchased the small slice of Musigny that they had been sharecropping since the mid-1920s.

Domaine Georges Roumier is one of my favorite domaines in all of the Côte d'Or. In my personal cellar, by quite some margin, I have more Roumier wines than from any other producer. I find them to be extremely reliable for cellaring, and to deliver at their apogees all the majestic complexity for which Burgundy is rightly renowned. Out of the blocks they are not the typically delicate style of Chambolle, but rather wines that are full and well-structured in their youth. For young Chambolles they are atypical, but within the fullness of time, they develop all the silk and perfume for which the wines of this village are so rightly cherished. From the superbly crafted Chambolle-Musigny village bottling that I buy in depth in every vintage to the lonely bottle of Roumier Musigny, these are among the greatest wines that I have in my cellar, and bottles that I look forward to growing old with comfortably.

**ARMAND ROUSSEAU**

One will get little argument to the assertion that Domaine Armand Rousseau is the finest estate in Gevrey-Chambertin...

The vintages of the 1980s and 1990s at Domaine Rousseau have produced one of the greatest runs of profound Burgundy ever witnessed by any estate in the region, with the domaine producing legendary efforts in the widely recognized great years of the span from 1985 to 1999. Their two flagship bottlings of Chambertin and Chambertin "Clos de Bèze" have always ranked amongst the top dozen wines to be found in these vintages.

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets... impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

# COCHE-DURY

Jean-François Coche's name is now murmured with the same respectful awe that is reserved for Henri Jayer. In many ways, he wears a mantle in the pantheon of white Burgundy winemakers that Monsieur Jayer wears amongst the red winemakers. From three-starred Michelin restaurants to the auction floors of New York and London, it is the white wines of Monsieur Coche that are the most ardently sought after. For those Burgundy lovers lucky and clever enough to secure bottles of Coche-Dury wines, the treasures that they are able to lock away in their cellars are a fine hedge against the vagaries of growing old. The white Burgundy crown that rests so easily on the head of Jean-François Coche is a rather remarkable achievement, when one pauses to consider his rather meager vineyard holdings versus the scores of white wine-producing domaines whose holdings are chock full of Grand Crus and illustrious Premier Crus.

The two crown jewels amongst the white wines in the Coche cellar are the Meursault "Perrières" and the Corton-Charlemagne. The Corton-Charlemagne's first release was the 1986 vintage, and it is as fine a bottle of Corton Charlie as one can ever hope to find. It is very slow to unfold, and in any top vintage requires a minimum of ten years of bottle age to really blossom and begin to drink well.

The Coche-Dury Meursault "Perrières" is the other twin titan in the cellar. Many Burgundy lovers, often over a glass of inspired Côte d'Or rouge or blanc, like to banter about which vineyards are worthy of promotion in the appellation contrôlée system if the French were ever to open up the Pandora's Box or reclassification. Almost universally, the vineyard of Meursault "Perrières" is mentioned as clearly worthy of Grand Cru status. If one were to choose an example of why this is the case, one could do no better than a bottle of Coche-Dury Meursault "Perrières". This is a complete wine that quite easily rivals the quality of the Corton-Charlemagne in the cellar. In some vintages the Corton looks to be the better of the two, sometimes the Meursault "Perrières". But in virtually every vintage the Meursault "Perrières" is a long-lived wine of uncompromising brilliance, and well worth the price of admission. There are not many Bâtard-Montrachets or Chevalier-Montrachets that I would trade even up for a bottle of Coche-Dury Meursault "Perrières".

**DOMAINE D'AUVENAY**

Domaine d'Auvenay is the personal domaine of Lalou Bize-Leroy. When we think of Domaine Leroy, we think of tiny quantities of some of Burgundy's greatest wines. At Domaine d'Auvenay the quantities are microscopic, the quality just as high. The estate's entire holdings are around just four hectares. Even by top end Burgundy standards it is tiny. However since she first established the Domaine in 1989 it has gone on to become the stuff of legend among Burgundy collectors and connoisseurs the world over.

These are ultra-rare and the best of the best, no serious cellar is complete without them.

One will notice that many perfectly stored bottles from Domaine d'Auvenay will have assessment notes of signs of seepage. This is due to the fact they are overfilled at the domaine and are not an indication of poor storage conditions.

"The nose is a fascinating blend of stones and white orchard fruit that introduces satin-textured, distinguished, classy, dense, powerful flavors of astonishing length and complexity. "The 2011 Criots-Bâtard-Montrachet is arguably the most beguiling wine in this range. Now you see it, now you don't. Subtle, weightless and gracious, the Criots captures the essence of what makes Burgundy so compelling; namely the ability to deliver serious intensity of flavor with no heaviness. Exotic white flowers, citrus and pear notes abound in a celestial Criots that is pure magic in the glass...95-97." AG 09/13.

# COMTES LAFON

Domaine des Comtes Lafon has been in the Lafon family since 1865. Dominique Lafon took over the domaine in 1983. It is comprised of approximately fourteen hectares situated in the communes of Volnay, Monthélie, Chassagne-Montrachet, and of course, Meursault, where the domaine and its monopole vineyard Clos de la Barre are located. In 1923, Dominique's great-grandfather, Jules Lafon, revived the idea of the traditional Burgundian postharvest meal and held the first Paulée de Meursault at Domaine des Comtes Lafon. 90 years later, the tradition is still going strong!

All of his vineyards are cultivated biodynamically and he now owns every 1er Cru in Meursault. As part of the fourth generation of winemakers in the Lafon family, Dominique and his wines are superstars not only in Burgundy but throughout the world.

**DOMAINE LEFLAIVE**

Joseph Leflaive was a very astute purchaser of vineyard land during the first two decades of the twentieth century, so that today the domaine's roster of vineyards is the greatest constellation of white Burgundy patrimony in the Côte de Beaune. These include just under two full hectares in Chevalier-Montrachet, an equal slice in Bâtard-Montrachet, a bit more than a hectare in Bienvenues-Bâtard-Montrachet (out of a total of 2.3 hectares), just over three hectares in the beautiful Premier Cru of Pucelles, three-quarters of a hectare in Combettes, 1.27 hectares in Folatières, and nearly five hectares in Premier Cru Clavoillon. In 1991, the topping on the cake was added when the domaine purchased a very small, .08 hectare slice of Le Montrachet itself.

# DOMAINE RAMONET

Pierre Ramonet was more than a character. He was, to use the old cliché – but it is true in this instance – a legend in his own lifetime. More or less from scratch, by dint of sheer hard work and a genius for wine, he built up one of the finest white wine domaines in Burgundy. Today the name of Ramonet is synonymous with top Chardonnay. The allocations for bottles are fought over, for every collector considers it his or her right to own some. They sell at auction for astronomical sums whenever they appear. On the rare occasions, as in January 1995 at the Montrachet restaurant in New York, when someone puts on a special vertical tasting and dinner, the tickets – and they are not cheap – are over-subscribed ten times. Ramonet in white is the equivalent of Henri Jay or the Domaine de la Romanée-Conti in red.

Pierre Ramonet died in 1994 at the age of eighty-eight. He is much missed. But his echo lives on, and the wines, in the able hands of his grandsons Noël (born in 1962) and Jean-Claude (born in 1967) since the 1984 vintage (mais sous ses ordres, stoutly avers Noël), continue his reputation. They are very fine. A Ramonet wine is a Ramonet wine before it is a Chassagne, or a Bienvenues, or a Bâtard...or a Montrachet.

# Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. By participating in an auction, an auction participant agrees to be bound by the Conditions of Sale printed in this catalog.

## Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices. Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

## Buyers Premium

A 24% Buyer's Premium will be added to the successful bid price of each lot purchased and is payable by Buyer, together with the applicable sales tax which is applied to the total cost of purchase, as stated in the Conditions of Sale located in this catalog.

## Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (\*) next to the lot number.

## Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, Zachys and any consignor are not liable for any description or error or omission in any description and prospective Buyers cannot rely on Zachys or any consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 to set up an appointment.

## Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National

Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre arrange check or credit approval through our Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034. All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either fax the form to +852.3014.3838, +44.20.34.75.85.25 or +1.914.313.2350 or email the form to asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

## Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, (iii) or live over the internet. The auctioneer may also execute bids on behalf of the consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves.

## Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

## Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If an online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

## Absentee, Telephone & Online Bids

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute, absentee, telephone or online bids.

## Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot. Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

### Placing Telephone Bids

Prospective Buyers may bid by telephone during the sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above HK\$16,000 or US\$2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

### Online Bidding

Zachys assumes no responsibility for disputes or errors arising from live online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids. By registering and bidding live on the internet, prospective Buyers agree to be bound by the Conditions of Sale.

### Sales and Other Taxes

Buyers are responsible for the payment of any tax which Zachys may be required by law to remit to Zachys state of licensure at the time of sale. Applicable sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the buyer from Zachys; unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale. All questions regarding sales tax and exemptions should be directed to Zachys Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034.

### Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number. On rare occasions, Zachys may guarantee a minimum price to the consignor of property. Such lots are identified in the catalog by the symbol (◆) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

### Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and

invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 24% Buyer's Premium plus any applicable taxes for each lot purchased.

### Payment

Payment is due within 14 days of the sale close. If Zachys has had no instructions from the bidder, 30 days after the sale close Zachys will auto-charge US Live Auction purchases to the credit card on file along with a 2.5% late payment fee. In the event that Zachys is unable to charge the bidder's credit card, the sale will be cancelled after 60 days. Payment can be made by credit card, check, money order, bank wire transfer or cash. In the event of third-party payments, Zachys may require an Authorization Letter from both parties. Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

For Hong Kong auctions, payment is accepted in both Hong Kong Dollars and United States Dollars. Zachys, in its sole discretion, shall determine the currency exchange rate for all United States Dollar payments with respect to sales conducted in Hong Kong.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction. Buyers wishing to make payment by credit card must present the card in person at or prior to the auction. All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, Union Pay, MasterCard, American Express and Discover. The maximum amount allowed to be charged on credit cards is limited to HK\$200,000 or US\$20,000 per auction. Zachys reserves the right to charge Buyer's credit card and to immediately assess a 3% late penalty charge, should payment be past the due date, notwithstanding that the amount of such charge may exceed HK\$200,000 or US\$20,000.

In the event a charge or check is not accepted by the appropriate financial institution, Buyer remains liable for all amounts owed on date due. Buyers wishing to pay for purchases via wire transfer should contact Zachys' Customer Service by calling +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 or email [asia@zachys.com](mailto:asia@zachys.com).

When paying by wire transfer, please be sure to reference the invoice number in the details field.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be the same as the one signed on payslip.

### Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

### Collection & Delivery

For your convenience, Zachys' Collection & Delivery Form is located in this catalog. It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products. After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyers' expense, direction and request.

### Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

### Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

### Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

### Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions are prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

## 1

This catalog endeavors to describe the property listed herein accurately. However, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained herein. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. Neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG.

## 2

The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee when applicable, together with any applicable sales tax. The Buyer's Premium is 24% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

## 3

Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

## 4

Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

## 5

In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

## 6

Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

## 7

Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale.

## 8

The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

## 9

No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM of the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 30 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge

of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 30 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges of \$2.75 per 9 liters of wine.

## 10

Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefor.

## 11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

**12**

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

**13**

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefits of these two preceding provisions are not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

**14**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

**15**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

**16a**

For auctions that are held not in Hong Kong or the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

**16b**

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

For auctions that are held in the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the District of Columbia. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the District of Columbia courts and the United States District Court for the District of Columbia. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

**17**

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

**18**

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

**19**

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

**20**

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

**21**

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

**22**

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

# General Catalog Notes

## Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

## Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

## Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.
