THE COLLECTION OF

IAN MILL QC

PART II

In October of 2019, the wine collecting world gathered in person and virtually at Le Bernardin in New York City for The Collection of Ian Mill QC, the greatest offering of rare wine that year.

The world has changed in innumerable ways since that auction, but one thing hasn't: Ian's focus on fine wines meticulously sourced and impeccably stored.

In the introduction to the 2019 auction catalogue we talked about the chapters in Ian's wine-collecting life. There was the first chapter, which began with his epiphany wine: the 1982 Bâtard-Montrachet from Domaine Leflaive at Le Manoir aux Quat'Saisons in Oxford. This chapter saw a young Ian Mill set out on the path of a lifelong passion.

Chapter two brought us to Ian's involvement in the wine trade, as a friend of Jasper Morris and an investor in Morris & Verdin, which eventually sold to Berry Bros. & Rudd.

In chapter three, we were introduced to Ian as a restaurant owner. The aesthetics of the 2019 catalogue, and this one as well, were modeled in part on Cabotte, the wine-focused restaurant in London of which Ian is an owner and director.

And then, as we described it in 2019, not the last chapter, but the first chapter in an entirely new book: the auction, and now its sequel, Part II.

Ian and Beth Mill

If you'll recall from Part I, Ian is planning on retiring from his career as a renowned commercial Queen's Counsel (a trial attorney) and is looking forward to opening Maison Healdsburg—a complement to, if not a carbon copy of, Cabotte, though located in Healdsburg, California. Just north of Santa Rosa and over the mountains, west, of Napa Valley, Healdsburg is the heart of Sonoma and widely considered one of the country's most important wine centers thanks to its famous AVAs: Russian River, Dry Creek and Alexander Valley.

Why Healdsburg?

There's the obvious connection to Burgundy's most famous varietals, of course. Beyond that, Ian's wife, though British, spent her formative years in the Bay Area. When they met, she agreed to live in London with one caveat: that they would eventually move back to California. As retirement, or whatever facsimile of "retirement" is appropriate for a gentleman of Ian's catholic interests, approaches, it's not like Ian's arm needed to be twisted to move to Healdsburg. In fact, he fondly remembers his second epiphany wine—the 1985 Williams Selyem Rochioli Pinot Noir—that convinced him of the potential for true excellence in Pinot Noir made on American soil. Indeed, prior to the 2019 auction, Ian had his living arrangement already set. On a vacation to Healdsburg with absolutely no intention of buying a house, he found a place he and his wife loved and, within three hours, had bought it! Ah-ha moments come not just with wine, but with real estate too, apparently. The house is an idyllic example of wine country glamor and, at least until Ian moves in, is available to rent, should you be looking to open some of your auction winnings in a jaw-dropping environment!

Ian's future residence isn't far from his new project, Maison. Maison, which promises to be a wine destination for Northern California just as Cabotte is for London, is already on Instagram (@MaisonHealdsburg) and online www.maisonwinebar.com. Three locals, Evan Hufford (formerly of Saison), Jade Hufford (most recently of SingleThread) and Ryan Knowles (formerly SingleThread as well) are the main team on the ground.

A Rendering of Maison Healdsburg

In Evan's own words, "we are going provide the same wine experience as a 3 Michelin Star restaurant, without the barrier to entry of a \$350 ticket or 3+ hour meal. We'll have a wine list with over 1000 selections. We will focus on regular tastings and classes, and offer classes remotely with wine samples shipped to you prior to the event. The name "Maison" is inspired by our tastings in France, where we love and appreciate small, family-run producers, often tasting out of a living room. It's such an amazing experience to be welcomed into somebody's home to experience the passion they have for the craft, often with their parents or grandparents wandering around in the background who may have planted the vines decades ago. We're really aiming to make our guests feel as comfortable and inspired as we've felt welcomed into the homes of some of France's most revered winemakers."

It's not an exaggeration to say that the wine world internationally is talking about this sequel. The book you hold in your hands is the culmination of several years of discussions, negotiations and of course lots of bottles opened. At dinners from Stockholm to Shanghai, when a bottle is produced with the "Ian Mill Zachys sticker" on the back, everyone knows they are in for a transporting vinous experience. Ian decided to lend his name to part I, and now part II, because he stands by the wines in this collection. Now that part I's wines are "out in the world," and the reports are in: he was right. His attention to detail and meticulous sourcing over the decades has paid off. If you missed part I, now is your opportunity to be a part of something important.

Please be in touch with any questions you may have. Though this auction will be "live streamed," and not in person, we are hosting a global series of pre-auction dinners and bidding parties. If you are interested in attending, please be in touch.

Sincerely,
Jeff & Christy

KRUG

Of all the wine world's luxury brands, Krug is perhaps the most glittering. No expense is spared in its production, though the techniques used are in fact remarkably artisanal, including fermentation in small, old wooden casks. Time is of the essence: the overall ageing cycle is the best part of a decade here, with all wines being aged for at least six years *sur pointes* (upended, after the "ordinary" ageing period that follows the second fermentation is concluded). No expense is spared, either, in the pricing of its five wines, the cheapest of which, Grande Cuvée, costs as much as many rival houses' top cuvees. This is a wine of magnificent complexity and layered richness, nourishing and diverting, as detailed and textured as a Gobelin tapestry. It contains wines from a decade's worth of vintages and from at least twenty different crus (not all of them Grand or even Premier, one might note); Krug makes no secret, too, of its need and love for Pinot Meunier. (The Krug 1928 vintage, regarded by the family as the greatest ever, contained twenty percent Meunier, and there is eighteen percent in the finely honed 1988.) There is also a relatively understated rose of pale tawny hue, and a series of vintage wines of magnificent stylistic oscillation, fully respecting the potential of each year. The Collection vintage wines have spent more years in the Krug cellars in Reims; disgorgement took place at the same time as for "ordinary" vintage wines. Finally, a champagne de terroir: the pure Chardonnay Clos du Mesnil, vinified from wines in a genuine 1.9 hectares walled vineyard within the village of Le Mesnil, purchased by Krug in 1971, and released as a vintage wine beginning with 1979. In great years (like 1988) it is magnificent and multi-dimensioned.

DOM PÉRIGNON

Dom Pérignon - the name alone makes most of us break out in a delightful smile. When we think of this 17th-century monk from Hautvillers - so often pointed out as the father of Champagne - we either regard him with historical reverence, or associate his name with the proudest of all wine labels and everything else that follows in its glamorous, sparkling wake...

Back in 1936, Moët & Chandon's marketing director Robert- Jean de Vogüé could not possibly have imagined what he had done when he dreamed up the idea of the world's first prestige champagne - a champagne with a sky-high price that was supposed to be even better than the vintage wine, along with a spectacular look that won respect and prompted extravagant enjoyment...

The style itself is ultra-sophisticated, with an amazingly silky softness combined with toasted fireworks, backed up by an exotic fruitiness in a medium body. When Dom Pérignon is at its best I find notes of forest morelles, cream, peach and an overabundance of roasted coffee beans and nuttiness. Dom Pérignon Rosé is an even more exquisite and rare product that has been molded in a similar form, though its full-bodied shape leans more to strawberry or orange, where the whiter somewhat lighter variety becomes exotic and toasted. Dom Pérignon Oenothèque is the latest child in this distinguished family. At Richard Geoffroy's initiative they now release a restricted number of old, well-preserved bottles from Moët's own cellar in different stages of maturity. The wine can be newly disgorged, but it isn't a fixed thing. What is guaranteed, however, is that the wines are in the best possible condition, and that they most likely will act a little more youthfully than the bottles that have been out on the market for a while. This treasure is now decorated with a luxurious black label in unmistakable style.

And speaking of style... In an age when PR people constantly want to minimize labels and change both bottle design and packaging, Dom Pérignon stands there like a Sophia Loren of the champagne world, unchanged and as timelessly sexy. The balance conveyed in the subtly curvaceous shape of the bottle, paired with an olive green label in the shape of a coat of arms adorned with cursive writing, is still as magical as ever. Since 1970 the wine itself is made exclusively in steel tanks and the grapes are mainly Pinot Noir from Aÿ, Bouzy, Verzenay and Hautvillers, as well as Chardonnay in approximately equal amounts from Cramant and Mesnil.

SYLVAIN CATHIARD

This tiny Domaine was established by Sylvain Cathiard's grandfather (who worked the vineyards for Domaine de la Romanée-Conti) in the 1930s and then maintained by Sylvain's father from 1969 until 1985, when Sylvain himself became involved. The following year, Sylvain set up his own with parcels of vines rented from his father and other vignerons, before taking on his father's original vineyards. From 2006, he has been joined by his son, Sebastian, and they have formed the estate of Sylvain Cathiard et Fils.

Based in Vosne, his 5 hectares span Vosne-Romanée, Nuits-St-Georges and Chambolle-Musigny, with a very small parcel in Romanée-St-Vivant. All vineyard work is carried out with meticulous attention to detail by only himself, his son and his wife.

DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

DUJAC

This domaine was founded in 1968 by Jacques Seysses and currently comprises approximately fifteen hectares. Winemakers Jeremy and Diana Seysses have been at the helm of the Domaine since 2001. They believe that the success of their wines lie in the team effort at the Domaine from their Chef de Culture in the vineyard, Lilian Robin, to Jeremy's brother, Alec, and father, Jacques, who contribute in the cellar. In 2009, the Domaine began its conversion to total biodynamic farming practices. The Domaine chooses to emphasize intensity over power and prides itself on producing individualistic wines that are elegant, delicate, and complex.

That lends a slight stemminess on the nose that is comfortably Dujac-like in style, adorned with wondrous delineation and focus. The palate is very well balanced with supple tannin. To me it feels a little more introverted than recent vintages, though it reveals a brown spice note towards the persistent peacock's tail of a finish; pastilles lingering on the aftertaste. RENÉ ENGEL

René Engel was one of the most famous Vosne-Romanée estates until Philippe, René's grandson, died in 2005. Philippe had been making the wine at his grandfather's estate since the early '80s, under René's watchful eye, of course. The estate was famous for a classic style of Burgundy that focused on finesse and elegance, and less extraction. The Domaine was sold to François Pinault (owner of Château Latour and Christie's, among other things) after Philippe's death in 2005 and is now known as Domaine Eugénie, after Pinault's mother. The wines of René Engel are disappearing quickly as they're not being made, and the collectors who own them can't help but drink them.

DOMAINE FOURRIER

Jean-Marie Fourrier took over the family property from his father in the mid-1990s and the quality of the Domaine's wines improved markedly and rapidly. Jean-Marie subscribes to the philosophy that great wines begin in the vineyard and he is fastidious about maintaining healthy, well-nurtured vines. He saw firsthand the importance of minimal intervention in the winemaking process (provided one had excellent raw materials from the vineyards), when he studied under the great Henri Jayer in the late 1980s. Fourrier is careful to crush only the choicest fruit, all completely destemmed, in his immaculately clean and recently outfitted with new stainless steel tanks fermentation room. He also limits the use of new oak to around 20% so as to better allow the Burgundian terroir to fully express itself in the glass. The product of all this hard work is wines marked by wonderful purity, transparency, and bright vibrant fruit, wines that are a true testament to the land that Jean-Marie Fourrier so carefully cultivates.

HENRI JAYER

It is interesting to reflect upon the fact that in many ways Henri Mayer is portrayed as a modernizer in Burgundy, as many of the techniques that he pioneered in the region have been embraced by legions of vigneron, but in many respects he represented a return to a very traditional approach to winemaking. His emphasis on viticultural practices and the meticulous care that he gave to his vineyards are simply the most obvious facets of his traditional methodology. Henri Mayer revolutionized winemaking during the course of his career. Amongst his very many accomplishments was his emphasis on limiting yields in the vineyard, allowing the cooled must to macerate for a few days prior to the onset of alcoholic fermentation to allow colors to set and adding to the aromatic complexity in the finished wine and bottling the wine unfiltered and unfiltered. He always spoke of the importance of treating the wine gently during the fermentation and élevage process, which he likened to "moving a sleeping baby who must be carried to its bed from the sofa upon which it has fallen asleep." He also was a proponent of one hundred percent new oak for his wines. This was the one precept of his winemaking technique that cannot be described as traditional, and it is the one most often cited by modern winemakers when they seek to sprinkle a little of the "fairy dust" of Mayer inspiration on their own wines. There is little doubt that the concept that a Grand Cru "deserves to be raised in one hundred percent new oak" that is often heard in Burgundy these days can be traced back to Henri Mayer and his success with new wood. However, one of the interesting things I have always found about Henri Mayer's wines was that I have never tasted one that was over-oaked.

MÉO-CAMUZET

Jean-Nicolas Méo of Domaine Méo-Camuzet has just celebrated his twentieth anniversary as a full-time vigneron, having first made wine at the family estate in the 1989 vintage. In many ways his two decades at the head of the domaine have dovetailed neatly with the renaissance that has swept through Burgundy in the same period of time, and it is rather extraordinary to see (particularly in a region so steeped in history) Domaine Méo-Camuzet rise to the very pinnacle of estates in Vosne-Romanée in just two short decades. This meteoric rise is directly reflective of Jean-Nicolas Méo's great talent and passion for the wines of Burgundy, coupled to the superb vineyard holdings that were secured by previous generations of the Méo and Camuzet families and the sagacity of the family to early on hire Henri Jayer to manage many of their vineyards and oversee much of their winemaking prior to Jean-Nicolas taking over the reins of the domaine.

JF MUGNIER

For such an important domaine, which in addition to its 1.37 hectares of vines in Musigny proper, also possesses significant holdings in Bonnes-Mares, Chambolle-Musigny Premiers Crus Les Amoureuses and Les Fuées, as well as a monopole on the fine Nuits St Georges Premier Cru of the Clos de la Maréchale... Jacques-Frédéric's great-great-grandfather, Frédéric Mugnier, had been a merchant of spirits in Dijon in the middle of the nineteenth century, and as his business in Dijon prospered, he was able to buy his parcels of vines in Chambolle-Musigny and Nuits St Georges during the nadir in fortunes of the area brought about by the phylloxera epidemic.

The Mugniers added to their vineyard holdings in the area when they bought the Château de Chambolle-Musigny in 1889 (also from the Marey- Monge family), though the house was used primarily as an occasional retreat from the city for the family for many, many years to come, with no one from the Mugnier family settling down in Chambolle until today's proprietor, Jacques-Frédéric Mugnier returned to Chambolle from overseas in 1984. As he relates, "my family were people from the city" so it is not surprising that "I am the first one to live permanently in this house." During the 1920s, the family business was run by five grandsons of Frédéric Mugnier (who had passed away in 1911), with James Mugnier officially in charge of the wine side of the business and the vineyards. Of these five grandsons, only one, Jacques Mugnier, ever married and had children, and it is from this grandson of Frédéric Mugnier that today's proprietor, Jacques-Frédéric Mugnier is related. Making wines of purity and grace, JF Mugnier is surely one of the most sought after producers in all of Burgundy.

GEORGES ROUMIER

The domaine was enlarged a number of times since its inception in 1924, with Georges acquiring a bit more Bonnes-Mares in 1952, as well as two parcels of Clos Vougeot in the same year. In 1953 the Roumiers also purchased the monopole Premier Cru Morey St Denis "Clos de la Bussierre." In 1968, Jean-Marie's wife, Odile Ponnelle, purchased a tract of unplanted Corton-Charlemagne, which was subsequently committed to vine and the first Roumier Corton-Charlemagne was released in the 1974 vintage. In 1978 the domaine finally purchased the small slice of Musigny that they had been sharecropping since the mid-1920s.

Domaine Georges Roumier is one of my favorite domaines in all of the Côte d'Or. In my personal cellar, by quite some margin, I have more Roumier wines than from any other producer. I find them to be extremely reliable for cellaring, and to deliver at their apogees all the majestic complexity for which Burgundy is rightly renowned. Out of the blocks they are not the typically delicate style of Chambolle, but rather wines that are full and well-structured in their youth. For young Chambolles they are atypical, but within the fullness of time, they develop all the silk and perfume for which the wines of this village are so rightly cherished. From the superbly crafted Chambolle-Musigny village bottling that I buy in depth in every vintage to the lonely bottle of Roumier Musigny, these are among the greatest wines that I have in my cellar, and bottles that I look forward to growing old with comfortably.

ARMAND ROUSSEAU

One will get little argument to the assertion that Domaine Armand Rousseau is the finest estate in Gevrey-Chambertin...

The vintages of the 1980s and 1990s at Domaine Rousseau have produced one of the greatest runs of profound Burgundy ever witnessed by any estate in the region, with the domaine producing legendary efforts in the widely recognized great years of the span from 1985 to 1999. Their two flagship bottlings of Chambertin and Chambertin "Clos de Bèze" have always ranked amongst the top dozen wines to be found in these vintages.

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets... impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

"Here too there is just enough oak to mention but once again it's not really enough to impair the purity of the distinctly cool and ultra-spicy red currant, underbrush, sandalwood, lilac and plenty of earth aromas. The rich, intense and overtly muscular big-bodied flavors possess a similar level of minerality that is borderline pungent and it informs the explosively long, firm and very serious finish. This notably powerful, but not really austere effort, displays magnificent potential and if it develops its usual degree of complexity over time it should merit the upper end of my projected range...98." COCHE-DURY

Jean-François Coche's name is now murmured with the same respectful awe that is reserved for Henri Mayer. In many ways, he wears a mantle in the pantheon of white Burgundy winemakers that Monsieur Mayer wears amongst the red winemakers. From three-starred Michelin restaurants to the auction floors of New York and London, it is the white wines of Monsieur Coche that are the most ardently sought after. For those Burgundy lovers lucky and clever enough to secure bottles of Coche-Dury wines, the treasures that they are able to lock away in their cellars are a fine hedge against the vagaries of growing old. The white Burgundy crown that rests so easily on the head of Jean-François Coche is a rather remarkable achievement, when one pauses to consider his rather meager vineyard holdings versus the scores of white wine-producing domaines whose holdings are chock full of Grand Crus and illustrious Premier Crus.

The two crown jewels amongst the white wines in the Coche cellar are the Meursault "Perrières" and the Corton-Charlemagne. The Corton-Charlemagne's first release was the 1986 vintage, and it is as fine a bottle of Corton-Charlie as one can ever hope to find. It is very slow to unfold, and in any top vintage requires a minimum of ten years of bottle age to really blossom and begin to drink well.

The Coche-Dury Meursault "Perrières" is the other twin titan in the cellar. Many Burgundy lovers, often over a glass of inspired Côte d'Or rouge or blanc, like to banter about which vineyards are worthy of promotion in the appellation contrôlée system if the French were ever to open up the Pandora's Box or reclassification. Almost universally, the vineyard of Meursault "Perrières" is mentioned as clearly worthy of Grand Cru status. If one were to choose an example of why this is the case, one could do no better than a bottle of Coche-Dury Meursault "Perrières". This is a complete wine that quite easily rivals the quality of the Corton-Charlemagne in the cellar. In some vintages the Corton looks to be the better of the two, sometimes the Meursault "Perrières". But in virtually every vintage the Meursault "Perrières" is a long-lived wine of uncompromising brilliance, and well worth the price of admission. There are not many Bâtard-Montrachets or Chevalier-Montrachets that I would trade even up for a bottle of Coche-Dury Meursault "Perrières".

PIERRE-YVES COLIN-MOREY

Pierre-Yves Colin had been the winemaker at his father's Domaine Marc Colin since 1995 when, in 2001, he decided to strike out on his own with his wife Caroline Morey, first as a micro-négociant operation, focusing on tiny quantities of the finest fruit he could buy. He has since grown his holdings to include parcels in the communes of Chassagne-Montrachet, Meursault, Saint-Aubin and Santenay. His choice to use larger demi-muid barrels and eschew the use of batonnage makes each one of his bottlings a clear expression of its terroir and a study in mineral-driven Chardonnay, producing wine of extraordinary purity, elegance and precision. Pierre-Yves Colin and his wines have quickly become international stars.

ARNAUD ENTE

Founded in 1992, Arnaud Ente is a relative newcomer to the world of fine Burgundy. His wines have been a hot commodity for those that were aware of them; it's only fairly recently that they have been trickling into the auction market, commanding the prices that one of the finest wines in the world deserves. These are micro-production wines made with an intense focus on quality. Arnaud and his wife Marie Odile make wines from En L'Ormeau Clos in Meursault, and bottle them as Meursault, Clos des Ambres, and Sève du Clos, based on vine age and position in the Clos. Ente also makes Puligny-Montrachet Goutte d'Or, Les Referts, and Les Petits Charrons. All of their holding are less than a hectare, and indeed most are a quarter of a hectare—an unfathomably small parcel of wine (to give you an idea, the entirety of Montrachet is 8 hectares). The rarity of these wines is such that demand already outstrips supply, and as Ente's fame continues to grow it would be smart to get in now—not exactly on the ground floor, but nowhere near the top, either.

DOMAINE DES COMTES LAFON

Domaine des Comtes Lafon has been in the Lafon family since 1865. Dominique Lafon took over the domaine in 1983. It is comprised of approximately fourteen hectares situated in the communes of Volnay, Monthélie, Chassagne-Montrachet, and of course, Meursault, where the domaine and its monopole vineyard Clos de la Barre are located. In 1923, Dominique's great-grandfather, Jules Lafon, revived the idea of the traditional Burgundian postharvest meal and held the first Paulée de Meursault at Domaine des Comtes Lafon. 90 years later, the tradition is still going strong!

All of his vineyards are cultivated biodynamically and he now owns every 1er Cru in Meursault. As part of the fourth generation of winemakers in the Lafon family, Dominique and his wines are superstars not only in Burgundy but throughout the world.

DOMAINE LEFLAIVE

Joseph Leflaive was a very astute purchaser of vineyard land during the first two decades of the twentieth century, so that today the domaine's roster of vineyards is the greatest constellation of white Burgundy patrimony in the Côte de Beaune. These include just under two full hectares in Chevalier-Montrachet, an equal slice in Bâtard-Montrachet, a bit more than a hectare in Bienvenues-Bâtard-Montrachet (out of a total of 2.3 hectares), just over three hectares in the beautiful Premier Cru of Pucelles, three-quarters of a hectare in Combettes, 1.27 hectares in Foliatières, and nearly five hectares in Premier Cru Clavoillon. In 1991, the topping on the cake was added when the domaine purchased a very small, .08 hectare slice of Le Montrachet itself.

RAVENEAU

Whichever way you look at these wines they stand up, be it vintage consistency, longevity, intensity of flavor, length and so on- they are just flat out incredible wines and there is nothing else quite like them anywhere. Raveneau's Chablis is now more than ever getting the recognition it deserves and the prices have risen accordingly, but they still represent great values compared to the other top white wines of Burgundy. The only downside is the minute quantities they are typically available in.

Domaine Raveneau, today totaling around ten hectares in size, was formed by François Raveneau from small plots passed down from his father and Father-in-law, along with a little land he purchased himself. Today the estate is run by his two sons, Jean-Marie and Bernard, with Jean-Marie taking care of the winemaking duties.

Their cellars, as one might expect from a domaine of such modest acreage, are small and are discreetly located in the village. This is no hi-tech new world winery, but an old-school artisan setup. Dark, cool, and damp with a fine vaulted architectural ceiling, they set the scene appropriately. The secret to these wines is immense care in the vineyards. If ever the term hand-crafted could be applied to wine, it can be here. The wines spend approximately twelve months in barrel, but to retain the benchmark acidity and steeliness the barrels are usually seven to nine years in age, although some percentage of new oak is used. There is a light fining prior to bottling by hand and then the application of the trademark yellow wax capsules.

Domaine Raveneau's vineyard holdings include: Les Clos, Blanchot, Valmur, Bougrots, Montée de Tonnerre, Butteaux, Vaillons, Chapelot, Montmains and Forest. Raveneau's wines are utterly unique, of unquestionable quality and can age as well as a Ramonet or DRC Montrachet. Even for those who don't typically drink white wine, Raveneau's epiphanous Chablis does not disappoint.

DOMAINE ROULOT

For more than 170 years Domaine Roulot has been an important presence in Meursault. But it was only in the 1920s and 30s that the family, led by Paul Roulot, became grape growers as well as winemakers and distillers. The Domaine as we currently know it was founded by Guy Roulot in the late 1950s and is now run by his son and daughter. The Domaine is comprised of about 11 hectares in the communes of Meursault, Monthélie and Auxey-Duresses. The vineyards are farmed following organic and biodynamic principles. Jean Marc Roulot, a classically trained actor and the current winemaker at Domaine Roulot, has turned this Domaine into one of the most revered of the region. The wines are exceptionally terroir expressive, pure and elegant.

JL CHAVE

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard cuvees are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

RAYAS

Most likely needing little introduction, these singular efforts are made by Emmanuel Reynaud from his tiny plot of pure sandy soils located near the center of the Châteauneuf-du-Pape appellation. Surrounded on all sides by forest (which is unique) and a cool terroir, harvest here goes very late and these wines never lack for power or richness.

TRIMBACH

I don't think anyone would argue that the Romanée-Conti of Alsace vineyards is that of Trimbach's eponymous Clos Ste Hune. It is THE vineyard and THE wine in Alsace and surely one of the greatest single vineyard wines made anywhere in the world today.

Based in the tiny village of Hunawihr it has been in the Trimbach family for more than 200 years and lies in the heart of the Rosacker vineyard, a Grand Cru of course. A mere 1.65 hectare in size it is, needless to say, a very, very rare wine.

EGON MÜLLER

Weingut Egon Müller in Wiltingen is one of the very greatest estates in all of Germany. For many lovers of German wine, there is simply no other producer that reaches the same exalted peaks, and for them the wines of Egon Müller occupy a rarefied strata at the very pinnacle of their genre. Weingut Egon Müller and its extensive holdings in the famed Scharzhofberg vineyard are both a beacon of modern, uncompromising quality and a cornerstone of tradition that reaches back a millennium and more. The estate is planted to more than ninety-five percent Riesling, with a very impressive lineup of very old vines that produce low yields and wines of haunting beauty. The heart and soul of the estate is the more than eight hectares of Riesling vines that the family owns in the Scharzhofberg vineyard, located in the Saar valley, which towers over the small town of Wiltingen. The entire hill of vines that is the Scharzhofberg now comprises some twenty-eight hectares, with its perfect south-facing exposition rising from an elevation of 190 meters above sea level to 310 meters at its peak. It is a relatively cool and windswept vineyard that allows for brilliantly even and graceful ripening of the Riesling grape. The vines of the Egon Müller estate lie right in the heart of this great vineyard, and produce some of the longest-lived and most ethereal examples of Riesling to be found anywhere....

GIACOMO CONTERNO

Cantine Giacomo Conterno has stood at the pinnacle of "traditionalist camp of Barolo" for many, many decades, and along with the wines of other Piemonte icons such as Bartolo Mascarello, Mauro Mascarello and Bruno Giacosa, the wines of Cantine Giacomo Conterno have set the standard for excellence in the region for many years. The founder of the estate as it stands today was Giacomo Conterno, who began his own winery in the village of Monforte d'Alba in 1920, and quickly earned a reputation for excellence for the quality of his Barolo. However, the Conterno family's involvement in wine production in Barolo far predates the launching of today's winery in 1920, as the family retains documentation of their wine production ties that dates back to 1770. And in fact, Giacomo Conterno's father was very much involved in winemaking and wine sales from the moment he began his businesses in the region at the beginning of the twentieth century. The flagship Barolo bottling here is the bodega's Monfortino Riserva Speciale, which was first made in the 1920 vintage, and which is unequivocally one of Piemonte's longest-lived and greatest wines.

In many respects, modern Barolo as a long-lived and cellar-worthy wine owes much of its heritage to the visionary efforts of Giacomo Conterno throughout the decades of the 1920s, 1930s and 1940s. It is rather hard to imagine the landscape of Barolo as it is today without his pioneering efforts.

BRUNO GIACOSA

The style of Giacosa's wines are quite traditional, though the fermentations are not quite as long as many of their neighbors of the "old school". Typically the maceration will now last from fourteen to twenty-four days for the Barbarescos and Barolos, which is quite a bit shorter than a producer such as Giuseppe Mascarello, whose Barolo Monprivato macerates for at least thirty days (down from sixty days in years past). Following this maceration the wines are racked into large casks called botti and aged for three to four years. The control of the winery is now in the capable hands of daughter Bruna Giacosa and Cellarmaster Dante Scaglione.

There are no wines that match the prestige or class of Giacosa's in all of Barbaresco and only a select few which share the crown in Barolo.

RIDGE MONTE BELLO

In 1966 Ridge purchased the old Monte Bello winery and a small part of the Perrone vineyard property, and Ridge Monte Bello was born. This wine is made from over thirty parcels from the Monte Bello Vineyard vinified separately. The assemblage is made through a blind tasting selection of each parcel over a number of months, primarily Cabernet Sauvignon with a touch of Merlot and, in some vintages, Petit Verdot. The philosophy is for the wines to be born as naturally as possible, with wild yeasts from the vineyard. The wines are rich and ripe and age gracefully. Paul Draper, CEO of Ridge, has been the winemaker for over forty years.

END OF SALE

NOTES

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalogue that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Europe Limited in respect of auctions which are conducted from the United Kingdom; (ii) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (iii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalogue (whether in print or online).

Estimates

Catalogue lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalogue. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 24.5% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalogue is not subject to a reserve, the lot will be identified by the symbol(s) next to the lot number.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026, +852.2530.1971 or +44.20.34758455 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding

Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at +1.914.874.8034, +852.2530.1971 or +44.20.34758455.

All bidders who wish to attend the live auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre-Registration Form is provided in this catalogue or at auction.zachys.com. Complete and either fax the form to +1.914.874.8034, +852.2530.1971 or +44.20.34758455 or email the form to bid@zachys.com or asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalogue. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. Subject to the section headed "Right of Cancellation" in the Conditions of Sale (in the case of consumers only), for all Zachys live and online auctions, all bids are final and will not be cancelled.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

Online Bids

Live auctions will open for bidding on our website at www.auction.zachys.com approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

There are two ways to bid online: (i) submit the starting/next bid or (ii) submit a maximum bid. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

Prospective Buyers may also bid during the live auction on our website at www.auction.zachys.com.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at www.auction.zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Telephone Bids

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with

a value above US\$2,000, HK\$16,000 or GBP£2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Bidding in Online Auctions

Bids can be submitted anytime during the course of an online auction on our website at www.auction.zachys.com.

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid.

To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

Taxes

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax including United Kingdom value added tax and/or any other applicable tax of a similar nature, which shall (if required) be payable by the Buyer at the appropriate rate. Applicable VAT or sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the Buyer from Zachys unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions.

Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to Zachys Europe Limited auctions and deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

Property with a † (Single Dagger) Symbol

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Property with a ♦ (Black Diamond) Symbol

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

Property with a △ (Open Triangle) Symbol

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 29.5%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +44.20.34758455, +852.2530.1971 or +1.914.874.8034.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number.

On rare occasions, Zachys may guarantee a

minimum price to the Consignor. Such lots are identified in the catalogue by the symbol (■) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 24.5% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

For zCollection purchases, Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases, Zachys will auto-charge the credit card on file for invoices up to US\$20,000, HK\$150,000, or GBP £15,000 within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14- or 7-calendar day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due. All amounts remaining due after this 14- or 7-calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21-calendar day period. All payments are payments on account until all invoices and all balances due are paid in full.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars,

For United Kingdom auctions, payment is accepted in Pounds Sterling.

To request payment in another currency, contact Zachys at +1.914.448.3026, +852.2530.1971 or +44.20.34758455. Zachys, in its sole discretion, shall determine the currency exchange rate

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction.

Payment by Credit Card

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products.

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalogue. The Conditions of Sale and all other contents of this catalogue may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalogue indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1 This catalogue endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalogue description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalogue, and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalogue and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

The previous sentence does not apply to the sale of goods acting as consumers in the United Kingdom – Zachys is under a legal duty to ensure that such goods are in conformity with their description. Images appearing in this catalogue or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalogue or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE Catalogue. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit

or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

2 The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 24.5% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3 Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4 Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5 In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6 Unless otherwise indicated, all lots in this catalogue are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7 Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information.

8 The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance

while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9 No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage or Newcorp Logistics to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

10 Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

11 If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and

any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

16a

For auctions that are held not in Hong Kong, the District of Columbia or the United Kingdom, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalogue shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16b

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalogue shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16c

For auctions that are held in the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the District of Columbia. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the District of Columbia courts and the United States District Court for the District of Columbia. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalogue shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16d

For auctions that are held in the United Kingdom, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and construed in accordance with the laws of England and Wales. By participating in an auction, whether in person or by agent, absentee bid, telephone bid, online bid or other means, the Buyer irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with these Conditions of Sale, the Buyer & Bidding Information or their subject matter or formation. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to

the auction or the property listed in the catalogue shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits. In the event of any dispute relating to any purchases made online, the Buyer may refer to guidance regarding online alternative dispute resolution published by the National Trading Standards at www.nationaltradingstandards.uk/contact.

17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

17a Right of Cancellation

This section only applies to Buyers based in the European Union or United Kingdom who are acting as consumers (i.e. for purposes unconnected with their trade or business) who have purchased in an auction held in the United Kingdom.

In the event that the Buyer purchases a product in any way other than in person at an auction (such other way being, for example, by way of absentee, telephone and/or online bid), the Buyer shall have a legal right to:

- (i) withdraw any bid at any point prior to acceptance by Zachys (i.e. at the fall of the hammer); and/or
- (ii) cancel any purchase within 14 days, which period shall expire after 14 days from the day on which the Buyer (or any third party indicated by the Buyer to receive such delivery) acquires physical possession of the goods (or the last good, in the case of multiple deliveries as part of the same lot) or,

To exercise the right to cancel any purchase, the Buyer is required to:

- (i) inform Zachys of such decision by a clear statement in writing to [auction@ zachys.com](mailto:auction@zachys.com) by no later than the expiry of the above cancellation period; and
- (ii) send back the goods to or hand over the goods in person at Newcorp Logistics, Sikkell 13, 3274 KK Heinenoord, The Netherlands without undue delay and in any event no later than 14 days from the day on which the Buyer sends the relevant cancellation notice.

Subject to the foregoing, in the event that the Buyer cancels any purchase, Zachys shall reimburse the Buyer all payments received by it from the Buyer, including any costs of delivery paid to Zachys (except for delivery costs exceeding the least expensive type of standard delivery). The Buyer is required to bear the direct cost of returning the goods.

Zachys shall make the reimbursement without undue delay, and not later than: (i) 14 days after

the day Zachys receives back from the Buyer any goods supplied; or (ii) if earlier, 14 days after the day the Buyer provides evidence that it has returned the goods. If possible, Zachys shall make the reimbursement using the same means of payment as used by the Buyer for the initial transaction, unless expressly agreed otherwise.

Zachys may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of handling by the Buyer other than as necessary to establish the nature and characteristics of the goods. For the avoidance of doubt, this cancellation right will not apply to any bottles of wine which have been opened.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong and English law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalogue Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or

impaired.

22

If there is any inconsistency between the English and translated version of the General Catalogue Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalogue Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and catalogued in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalogue.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property,

which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

For Hong Kong Auctions

Storage

The refrigeration system provides an ideal temperature, and all wines are protected with a temperature alarm system, as well as a back-up generator. There are also security guards on site 24 hours a day, 7 days a week. Rates are competitive, and the merchandise will not have to be moved to another location. For further information, please email us at asia@zachys.com or call us at 852.2530.1971.

Pickup

Wines can be picked up from the Zachys Asia warehouse between the hours of 9:30 AM and 5:00 PM Monday through Friday, provided that payment for the lots has been received. Note there is a gate fee charge when picking up from warehouse. Please contact us at asia@zachys.com or call us at 852.2530.1971 for details.

Please Note: For pickups, any additional packaging and/or handling that is required or requested will be subject to processing fees.

Delivery

Once payment has been received, arrangements can be made to deliver the wines to the Buyer.

Purchases will not automatically be shipped. Please email the Collection & Delivery Form (found in this catalogue) to asia@zachys.com. For further information on delivery cost within Hong Kong or collection and delivery assistance, please call 852.2530.1971 or email asia@zachys.com. Zachys can assist you in making arrangements to have the wine purchased at auction shipped. All shipments will be subject to a 1% Shipping Protection Fee charge. This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped, and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival. To ensure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge. Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Zachys can assist you in making arrangements to have the wine purchased at auction shipped. All shipments will be subject to a 1% Protection Fee charge. This Shipping Protection Fee provides protection against only breakage, loss, theft or fire as covered by Zachys insurance while in transit to the Buyer's declared point of destination. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

To ensure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Zachys will take precaution to ensure the safety of wines against inclement weather conditions. This may include delaying shipments during times of extreme high or low temperatures.

Delivery Charges

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

PROPERTY WITH A † (SINGLE DAGGER) SYMBOL

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

PROPERTY WITH A ♦ (BLACK DIAMOND) SYMBOL

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

PROPERTY WITH A △ (OPEN TRIANGLE) SYMBOL

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 29.5%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.
