# *L'INSTANT* TAITTINGER

#THEINSTANTWHEN

FAMILY SPIRIT

The September auction is always a favorite of mine. After the gathering period of the summer, after vacations, sunburns, Labor Day, fish caught, burgers grilled, rosé chugged, it's always exciting to see what comes to the block come the fall. September 29 will mark 13 years in wine auctions for me, and never have I seen a calendar like the one Zachys has laid out for this year.

If you've been following the auction market you know that it's been quite the year so far. Wine Spectator reported in July—a few days before this letter was written—that global wine auctions have realized \$233.8m in the first half of the year, and that Zachys led the charge with a record-setting \$68.9m, the highest first half for any wine auction house, ever. With the White Tie Collection II, The Windy City Collection, The Ruby Collection II and the Collection of Ian Mill QC already slated for the fall (not to mention a few things fermenting) we expect the fall to be a pretty exciting time at Zachys, so thanks for coming along for the ride.

The crown jewel of this auction we're calling The Silicon Valley Cellar (Lots 1225-1388). Though the collection spans numerous types of wines, from Sassicaia, to mature Bordeaux like 1982 Lafite and 1989 Haut Brion, the most impressive portion of the offering is DRC. 23 bottles of Romanée-Conti and 159 bottles of La Tache, just to name a few. The vast majority were purchased on release direct from a local restaurant's allocation and stored in temperature-controlled home storage ever since. I personally visited the cellar in Silicon Valley, and the conditions are top notch.

Elsewhere in this catalog we've got offerings from some of the cellars our bidders got to know last spring. The Alpine Collection II (Lots 1450-1460) you'll remember from the single-owner sale at Per Se last April. And The Gold Rush Collection II (Lots 1480-1534) offers the opportunity for those who missed the May auction to pick up pristine Schrader in enormous quantities.

There are other rarities here, too, like magnums of '71 La Tache (Lot 1401) and Romanée-Conti (Lot 1403). I'd be remiss if I didn't point out the top lot of the auction: Lot 1224, 12 bottles of 1985 Dujac Bonnes-Mares. And how often do you see a 3-lot, 36-bottle parcel of 2004 Le Pin (Lots 1275-1277), only 580 cases made, a wine Robert Parker called "the Pomerol of the vintage."

Please don't hesitate to contact anyone on the Zachys team with any questions you might have, or to place bids in the auction. And of course we'd love to have you join us in the sale room. Please email auction@zachys.com to RSVP and bid@zachys.com to leave bids.

Looking forward to seeing you at the auction!

Sincerely,

Charles Antin
Senior International Wine Specialist & Auctioneer

## AN ASTONISHING COLLECTION OF FIRST GROWTH BORDEAUX, INCLUDING THE SPECIAL 2009 ROBERT PARKER 100-POINT ASSORTMENT CASES (LOTS 912-952)

This New-York-area consignor acquired all his Bordeaux as futures, many from Zachys retail. He has been storing them perfectly in a state-of-the-art home wine cellar since their acquisition. As he is relocating to Europe for work, he is parting with his remarkable collection. Highlights include multiple vintages of Cheval Blanc, Margaux and Mouton, as well as 2005 Lafite in multiple cases including magnums. Also included, are five special assortment cases made up of the twelve wines that scored 100 points from Robert Parker from the 2009 vintage. This consists of Beauséjour Duffau, Clinet, Clos Fourtet, Cos d'Estournel, Ducru-Beaucaillou, Evangile, Léoville Poyferré, Montrose, Pavie, Pontet-Canet, Smith Haut Lafitte Rouge and Pape Clément Blanc.

All these bottles are in remarkable condition with perfect provenance.

### A Pristine Selection of

# TOP CRU BORDEAUX

CA

(LOTS 990-1037)

Looking for a pristine selection of top Bordeaux from the legendary 2010 and 2011 vintages? Look no further. Our consignor, having accumulated such an extensive collection, has to thin out a few items which are held in storage in very large quantity. The follow lots have been held in Bordeaux (and remain so today!) since their original en primeur purchase and include some of the most sought after names in France - Ausone, Haut Brion Blanc, and La Mission Haut Brion. Rarely seen cases of Duclot Collection are also on offer here and not to be missed.

Note on location and shipment: Please note all wines in this consignment are currently held in bond in a professional temperature-controlled wine warehouse in Bordeaux and will not be available for shipment until 6-8 weeks after the auction. There will be two shipments from this warehouse, and Zachys can't accommodate special requests. If a buyer would like his or her purchases to remain in Europe, he or she must take possession of them immediately after the auction. Buyers will then have the following shipping options:

- 1. Complimentary temperature-controlled sea shipment to Zachys NY. Appropriate taxes will apply to purchases.
- 2. Complimentary temperature-controlled sea shipment to Zachys HK.
- 3. If the wines are to remain in France, they can be put into buyers' storage facilities. All fees associated with the accounts, duties/taxes owed & delivery will be charged.

#### A FINE OFFERING FROM THE CHAMPION'S CELLAR PART II (LOTS 1130-1152)

On the heels of this consignor's successful offering in Zachys May auction, comes this selection of Bordeaux. Unlike Part 1, which was more a survey of the world's best wine producing regions, this selection focuses on Bordeaux. The First Growths, as well as Montrose, Pichon Lalande, and Cheval Blanc, make up the bulk of this offering. These wines were stored in custom built home wine storage until this auction.

## FINE WINE FROM A SEASONED COLLECTOR (LOTS 1153-1223)

This offering of pristine young Bordeaux, Burgundy and California wine, comes from a seasoned collector. The makeup of this collection is ideal for the lover of Bordeaux. There are the red-letter wines: the First Growths from vintages both lauded and underthe-radar. There are cases of 1996 Latour and an imperial of 1998 Lafite. There are 2001s, drinking wonderfully now, powerful 2003s, 2009s and 2010s from Margaux. There are the long-lived 2000s, and the perfect for a Saturday night right-bank 1998s: Trotanoy and Vieux Château Certan in particular speak to us. There's also a bit of DRC from the wonderful 2008 vintage, as well as Harlan direct from the winery.

When we first saw the inventory for this offering, we knew we had to go check it out ourselves. Within a week, a Zachys specialist hopped a 6am flight to SFO, rented the most expensive red convertible available\*, and shot down the 101 to Silicon Valley, the "other" capital-V-Valley in California. Tucked away down a long driveway was the consignor, a collector of many decades, and a Silicon Valley real estate developer smoking a cigar and welcoming us directly into the cellar. His is the type of cellar we love: packed to the gills, built for function, not aesthetics. The DRC OWCs were as high as an elephant's eye. He started to tell us his story, and it went something like this: Three people in the consignor's family are wine collectors. Their interest in wine began in 1974, when the patriarch of the family was leading the way. Now, they collect individually, both in the US and in professional wine storage in the UK. You may not know it, but you've likely seen numerous offerings from these cellars at the London and US branches of international auction houses since 2009. Originally, the total value of the collection was believed to be over \$10,000,000. The first offering from the Silicon Valley cellar, specifically, was in December of 2016. A large proportion of the DRC in this offering was purchased directly from the restaurant allocation of Chantilly, which opened in 1974 and closed in 2017. The restaurant got its start during the embryonic stages of the Silicon Valley we know today, and came to be known as one of the top restaurants in the area. Our consignor dined weekly at Chantilly with his wife and friends, and developed a close relationship with Kittrell and Gus Talasaz, and later Bernie Oropeza, owners of the restaurant. This close relationship developed to the point where the restaurant owner would ask our consignor if he wanted to take part of the restaurant's DRC allocation. Over time, taking a few bottles of allocated DRC became cases of DRC, as represented by the multiple cases in the collection, some of which still bear the Chantilly name on them. The wines in this offering were removed from purpose-built temperature and humidity controlled storage and shipped via temperature-controlled shipment to White Plains for this auction. \*exaggeration for effect only

## CHÂTEAU MARGAUX

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm. Nicolas.

# DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

# MAGNIFICENT RARITIES: TROPHY BOTTLES

from a Long Established West Coast Collection

(LOTS 1389-1413)

Are you sitting down? The jaw-dropping Bordeaux and Burgundies that Zachys is offering on behalf of our consignor--a good friend—are among the rarest and most important wines from a collection formed beginning in the 1970s. The wines have been carefully stored since acquisition, and are almost without exception of superb appearance for age. Provenance is excellent, a combination of direct from importer, retail, and auction. Some of the most interesting details regarding provenance: bottles of Latour a Pomerol 1961 purchased by the consignor's father from John Walker in San Francisco in the 1960s; bottles of Richebourg Jayer 1978 imported by Martine's from a full case purchased from Greenblatt's in Los Angeles in the 1980s (the store received two cases to sell), some stickered with the original price of \$87.00, magnums of La Tâche 1985 stickered with their original retail price of \$428.00, and a magnum of 1971 Romanée-Conti, from an original wooden case purchased by a close friend of the consignor over thirty years ago. Nowadays the rarest of these wines exist only in our memories or dreams, and it is almost surreal to see such fine examples emerge from a long hibernation in a cellar, alive and well.

# AN INCREDIBLE COLLECTION OF BURGUNDY AND RARE CHAMPAGNE (LOTS 1415-1443)

From a longtime friend of Zachys and a consignor in nearly all of our auctions comes this offering of mature Burgundy and rare Champagne. This consignment offers the opportunity to pick up many of the mid'-60s Maison Leroy grands crus—often seen piecemeal but never altogether like this. This offering also features the only 100-point Hospices de Beaune wine ever made: the 1985 Mazis-Chambertin. The consignor knows his white Burgundy and Champagne, too, and no consignment of his would be complete without DRC Montrachet and '60s and '70s Krug and Dom P!

#### **SCHRADER**

Fred Schrader began his life as a vintner with one defining goal in mind, to create benchmark Cabernets from the best vineyards in the Napa Valley. Fifteen years later with seventeen 100-point scores under his belt from the likes of Robert Parker, The Wine Advocate and James Laube, The Wine Spectator, Schrader Cellars continues to define itself as one of the best producers of Cabernet in the history of American wine. Receiving more 100-point scores than any other winery in the history of American wine, 2016 marks a special year in the lifetime of Schrader Cellars.

The story of Schrader Cellars began in 2001 when Fred met Thomas Brown, a little known winemaker who moved to California by way of North Carolina. Thomas took the helm of winemaking for Schrader and he and Fred never looked back. Thomas' methods of non-interventionist winemaking were a novel idea at the time throughout the valley. He believed in showing the true colors of a vineyard and when working with Beckstoffer To Kalon fruit he had access to nothing short of the best.

After a few years of working together, Fred and Thomas found themselves harvesting the incredibly concentrated fruit of the 2006 vintage. Fred looks back on this time with happiness as the 2006 vintage was the first 100-point scores that a Schrader wine received. The 2007 and 2008 vintages brought with them another pair of 100-point scores for the Schrader CCS and Schrader Old Sparky. This was the first time in the 32-year history of The Wine Advocate that a wine received three consecutive 100-point scores for the same marque and Schrader did this with two of their wines.

#### HARLAN ESTATE

Harlan Estate, owned by Bill Harlan, is a luxury, worldclass, Cabernet Sauvignon-based wine produced from a steep, terraced vineyard on the western side of Napa Valley, high above Napa's famous Martha's Vineyard. Approximately twenty-four acres are in vine and the yields to date have been very low. Bill Harlan, better-known as one of the principals of Merryvale Vineyards...has only one objective: to produce one of the greatest red wines of California.

The wines are a blend of approximately two-thirds Cabernet Sauvignon and the remainder Cabernet Franc and Merlot. Bob Levy, Merryvale's winemaker and Michel Rolland, the well-known Bordeaux oenologist, are the architects behind these exceptional efforts. Stylistically the wines are the Napa Valley equivalent of a hypothetical La Mission Haut-Brion/Cheval Blanc blend. They are rich, powerful wines with unmistakable elegance, complexity, and purity.

#### **S**CARECROW

The heart and soul of the Scarecrow Cuvée dates back to the late nineteenth century. Born in 1895, J.J. Cohn rose from poverty in Harlem, New York to become the Chief of Production of MGM Studios in California. Cohn purchased a 180-acre estate in Rutherford in the Napa Valley as a retreat for his family. His estate bordered that of the legendary winemaker of Inglenook, Gustave Niebaum. In 1945, Niebaum convinced Cohn to plant eighty acres of Cabernet Sauvignon that he promised to purchase. This would become the base for the distinguished Inglenook Cabernet Sauvignons of the post-war era. It is important to note that these "Old Vines" that are now the hallmark of Scarecrow are still on their original rootstock planted in 1945, unlike most of the grafted rootstock found in Napa that was struck by phylloxera - possibly paying tribute to J.J. Cohn himself who lived to be 100 years old. Paying homage to his grandfather who during his time at MGM was instrumental in the making of film classics such as The Wizard of Oz, Bret Lopez honors J.J. Cohn with the wine that is Scarecrow.

# SCREAMING EAGLE

It's rare. It's expensive. And there's a mystique about it. But Screaming Eagle Cabernet Sauvignon is no pretender. It's the real thing, and it deserves to be considered among Napa Valley's prestige wines...

You can't make wine this magnificent without fabulous grapes, and Screaming Eagle clearly comes from a spectacular vineyard...on the east side of Oakville, near the Oakville Crossroad...While ripening Cabernet (and smaller amounts of Merlot and Cabernet Franc) is routinely easy in this area, one of the trademarks of Oakville Cabernet is that the wines often display an herbal quality that manifests itself in a variety of subtleties, including hints of anise, sage, dusty berry, cedar and occasionally a whiff of new leather and tar. You find these shades of herb in Cabernets like Heitz Martha's Vineyard (grown on the west side of Oakville), with its signature minty currant personality, or Groth, which is one of the cooler sites on the valley floor. Screaming Eagle captures the best of all these elements. It also epitomizes exquisite balance, managing both to be enormously complex and concentrated, yet elegantly styled, with a smooth, polished texture.

#### **END OF SALE**

Please join us for our next auctions in New York on October 2 & 3 and for the Collection of Ian Mill QC on October 26.

# **Buying & Bidding Information**

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. By participating in an auction, an auction participant agrees to be bound by the Conditions of Sale printed in this catalog.

#### **Estimates**

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices. Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

#### **Buyers Premium**

A 23.5% Buyer's Premium will be added to the successful bid price of each lot purchased and is payable by Buyer, together with the applicable sales tax which is applied to the total cost of purchase, as stated in the Conditions of Sale located in this catalog.

#### Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (\*) next to the lot number.

#### **Examination of Wines**

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, Zachys and any consignor are not liable for any description or error or omission in any description and prospective Buyers cannot rely on Zachys or any consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +852.2530.1971 or +1.914.448.3026 to set up an appointment.

#### **Bidder Registration**

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government

issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre arrange check or credit approval through our Finance Department at +852.2530.1971 or +1.914.874.8034. All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys. com. Complete and either fax the form to +852.3014.3838 or +1.914.313.2350 or email the form to asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

#### **Bidding**

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction,(iii) or live over the internet. The auctioneer may also execute bids on behalf of the consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves.

#### **Bidding by Zachys**

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

#### Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If an online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

#### Absentee, Telephone & Online Bids

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute, absentee, telephone or online bids.

#### Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at zachys. com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot. Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Placing Telephone Bids**

Prospective Buyers may bid by telephone during the sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above HK\$16,000 or US\$2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Online Bidding**

Zachys assumes no responsibility for disputes or errors arising from live online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids. By registering and bidding live on the internet, prospective Buyers agree to be bound by the Conditions of Sale.

#### Sales and Other Taxes

Buyers are responsible for the payment of any tax which Zachys may be required by law to remit to Zachys state of licensure at the time of sale. Applicable sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the buyer from Zachys; unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale. All questions regarding sales tax and exemptions should be directed to Zachys Finance Department at +852.2530.1971 or +1.914.874.8034.

#### **Owned or Guaranteed Property**

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol

- (III) next to the lot number. On rare occasions, Zachys may guarantee a minimum price to the consignor of property. Such lots are identified in the catalog by the symbol
- (♠) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

#### Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and

invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 23.5% Buyer's Premium plus any applicable taxes for each lot purchased.

#### **Payment**

Buyers are expected to pay for purchases within 14 calendar days after the auction. At the end of this 14-calendar-day period, Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due. All amounts remaining due after this 14-calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21-calendar-day period. All payments are payments on account until all invoices and all balances due are paid in full. Payment can be made by credit card, check, money order, bank wire transfer or cash. In the event of third-party payments, Zachys may require an Authorization Letter from both parties. Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

For Hong Kong auctions, payment is accepted in both Hong Kong Dollars and United States Dollars. Zachys, in its sole discretion, shall determine the currency exchange rate for all United States Dollar payments with respect to sales conducted in Hong Kong.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction. Buyers wishing to make payment by credit card must present the card in person at or prior to the auction. All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express and Discover. The maximum amount allowed to be charged on credit cards is limited to HK\$100,000 or US\$10,000 per auction. Zachys reserves the right to charge Buyer's credit card and to immediately assess a 3% late penalty charge, should payment be past the due date, notwithstanding that the amount of such charge may exceed HK\$100,000 or US\$10,000.

In the event a charge or check is not accepted by the appropriate financial institution, Buyer remains liable for all amounts owed on date due. Buyers wishing to pay for purchases via wire transfer should contact Zachys' Customer Service by calling +852.2530.1971 or +1.914.448.3026 or email asia@zachys.com.

When paying by wire transfer, please be sure to reference the invoice number in the details field.

#### **Collection of Purchases**

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

#### Collection & Delivery

For your convenience, Zachys' Collection & Delivery Form is located in this catalog. It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products. After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyers' expense, direction and request.

#### **Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### **Delivery Restrictions**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **Shipment of Spirits**

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/ or taxes, and prospective Buyers should be aware of export and import restrictions.

#### **Translation**

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions are prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1

This catalog endeavors to describe the property listed herein accurately. However, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained herein. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. Neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG.

2

The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, together with any applicable sales tax. The Buyer's Premium is 23.5% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3

Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4

Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5

In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6

Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7

Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale.

8

The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries and pickups of purchased property. In return for payment of the Protection Fee, purchased property will be protected solely against breakage, loss, theft or fire as covered by Zachys' insurance while stored in Zachys warehouse and in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot and shall immediately pay such part of the Purchase Price as Zachys, in its sole discretion, requires.

9

No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buvers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM of the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 30 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live

sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer, If a lot has not been collected within 30 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges of \$2.75 per 9 liters of wine.

10

Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefor.

11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

#### 12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

#### 13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefits of these two preceding provisions are not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

#### 14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### 15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic bever

ages shall be brought into the jurisdiction so as to comply with all local requirements.

#### 17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

#### 18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. #### 19

As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. #### 21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

#### 22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

# General Catalog Notes

# Level/Ullage Descriptions & Interpretations

- IN Into Neck: Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder**: Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

# **Label & Capsule Conditions**

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

#### **Special Notices**

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.
