Fine Wines from the Estate of Mike Kittredge

Swirling a fragrant glass of Latour, I realize that scent was always a part of Mike's life. His first candle creation, "Christmas 1969," was made as a gift for his mother. It was so well received that Mike started making more of them, and Yankee Candle was born. Mike was at the helm, overseeing growth, until he sold the company in 1998. By that point, Yankee Candle had become ubiquitous. There are dozens of outlets stores, millions of candles made, and international recognition. The flagship, however, is in Western Massachusetts, where Mike grew up, founded Yankee Candle, and where the wine in this offering was removed from custom-built temperature-controlled home storage, and picked up by our team of Wine Specialists.

The first tranche of this cellar was offered in March of 2019 to great acclaim. Mike stopped buying wine over a decade ago, but Jeff and Don reminisced about him. Indeed, they remembered his purchases, and his fondness for Bordeaux. The offering here, which represents the entirety of the Kittredge wine collection, is reflective of that interest.

All of the great wines of the world are represented in this catalog. Port, Californian classics, Madeira, Yquem, Barolo and Barbaresco. But it's the Bordeaux that is most impressive. Let's talk first about the First Growths. They're all present and accounted for, but it's the sheer depth that is the most impressive. Over 300 bottles of Lafite alone, and not just any Lafite—not stacks and stacks of recent release wines. These are wines back to the '82 vintage and long before, and include large formats, half bottles, and great vintages like the 1996 and 2000. The Latour is stunning with a vertical back to 1959 (plus a few very old bottles you won't want to miss), 20 bottles of the 1982, and vintages like the legendary 1990 and 2000. Each First Growth is as deep, but it is Mouton that is perhaps most so, with over 1300 bottles, imperials, double magnums, and halves, including impressive showings of 1982, 1986 and 2000, among many other vintages.

It's not all about the First Growths, though. There are excellent offerings of Lynch-Bages, Pichon Lalande, Dominus, DP, a few bottles of mature DRC, not to mention wines from the 19th-century!

Tasting bottles from this cellar have been immaculate. Perfect storage, and wines untouched for decades. This is truly one of the great New England cellars and we are thrilled to bring it to you.

Sincerely,

Charles Antin

Vinolytics

WINE MANAGEMENT. SIMPLIFIED.

About Vinolytics

This cellar came to Zachys through Vinolytics, which had the great pleasure of working with Mike Kittredge, his family and advisors, over the past five years. Mike's team made the wise decision to get his wines in a position where they were valued and actively managed with dedicated resources adding and deleting wines as they were bought or consumed. Vinolytics placed Mike's wines on their proprietary software and when the time came to value the wines the real-time valuation was available at the touch of a button. Vinolytics is one of the only inventory management software systems tied directly to the Liv-Ex wine exchange. Working with some of the world's most passionate wine collectors is a privilege and one the founder, Jennifer Williams-Bulkeley, does not take lightly. Jennifer is of the opinion that wine is one of life's great gifts, bringing together families and friends to enjoy the fruits of labor from producers all over the world. Vinolytics believes wine must be actively managed; it is the one collectible that truly does go to zero if it is drunk or mishandled. Vinolytics wants their clients to enjoy their wine and maximize their time with it.

You can learn more about Vinolytics at www.vinolytics.com or contact Jennifer directly at jwb@vinolytics.com or through Zachys.

MIKE KITTREDGE**

BORDEAUX

CHÂTEAU CHEVAL BLANC

Cheval Blanc has a relatively short history compared with the other top-rank châteaux of Bordeaux. As recently as the 1830s it was still a part of Figeac. A portion of that estate was sold to the Ducasse family, then owners of L'Evangile, and by twenty years later, when a Ducasse married a Fourcard-Loussac, the property was already some thirty-one hectares in size. The estate remained with the Fourcard-Loussac family until part of it was sold to Bernard Arnault and his company, LVMH, in 1998. Today, along with Château d'Yquem, it is fully owned by Arnault and managed by the dynamic Pierre Lurton.

Cheval Blanc, across the road from Pomerol, has distinctive soil makeup: about twenty percent sand, forty percent clay and forty percent gravel. In the gravelly and sandy areas the roots have to work hard to stay alive and often reach depths of seven to eight meters, compared with two to three meters in the clay areas.

Today the roughly thirty-seven hectares of vineyards are planted with sixty percent Cabernet Franc and forty percent Merlot. Yields are typically thirty-five hl/ha, and the annual production of 6500 to 7000 cases is bottled after eighteen to twenty-four months in new oak.

CHÂTEAU HAUT-BRION

Haut-Brion has the longest history of all the First Growths. It was even mentioned by Samuel Pepys in his diary entry of April 10, 1663, when he was dining at the Royal Oak Tavern in Lombard Street, London: "...and here drank a sort of French wine called Ho Bryan that hath a good and most particular taste I never met with."

The famous Pontac family set up the estate in the first portion of the sixteenth century. Wealthy and well connected, they had the means to promote the wine in fashionable places, and by the early 1700s it was as well known as a wine of the highest quality.

While parts were split off, the estate stayed with the family until it was passed to Joseph Fumel in 1780. He was largely responsible for creating much of what we see today, including the buildings, the gardens and the general layout of the property. He famously hosted a visit from Thomas Jefferson on May 25, 1787, and became Mayor of Bordeaux three years later.

With its popularity waning under a succession of different owners, the estate was finally put up for auction in 1836, where it was purchased by the Larreau family. Two years later, in 1838, they managed to acquire a further piece of the estate previously lost through inheritance laws.

Although it was included as a First Growth in the 1855 classification of Bordeaux, difficult times lay ahead. A further succession of owners and the depression of the early 1930s forced another sale. This time, successful American financier Clarence Dillon stepped up, and for a little under \$200,000 walked away with the estate. It remains in the Dillon family today.

Vineyards, Winemaking and the Delmas Family

No discussion of the wines of Haut-Brion can be complete without a mention of the Delmas family, who have managed the property since 1923—first George Delmas, then his son Jean-Bernard, and today Jean-Philippe. It is not only unusual but also massively fortunate for Haut-Brion to have the care and attention of such a talented family of technical directors.

Jean-Philippe Delmas is a clever, tirelessly devoted man, and the solid support and financial backing of the Dillon family has enabled him and his team to produce an extremely consistent wine. I always look forward to visiting Château Haut-Brion, not just because the wines are superb and the people great, but also because it is unique and has an important place in the history of Bordeaux.

RARE WINE
 FROM THE ESTATE OF
MIKE KITTREDGE

CHÂTEAU LAFITE ROTHSCHILD

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

CHÂTEAU LATOUR

Some of my fondest wine memories are of drinking wine bottles of the renowned Château Latour. It is, without a doubt, one of the greatest wine estates in the world. While its history goes well back to the fourteenth century, Latour began to be clearly defined as one of the greatest wine estates in the world in the mid-nineteenth century, and amazingly, It has kept that position for the last 150 years. Their wines, which are known for their power, richness and longevity, are sought after by collectors and wine lovers throughout the world.

As Robert M. Parker says of Château Latour in The World's Greatest Wine Estates, "The wine produced here has been an impeccable model of consistent excellence, in great, mediocre, and poor vintages. For that reason, many have long considered Latour to be the Médoc's finest wine... Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world."

In 2000, I had the wonderful opportunity to taste over twenty-five vintages of Château Latour, including fourteen wines older than 1961 and four from the nineteenth century. It was an evening I will never forget. The wines were so rich, alive and fresh. What an extraordinary experience it was to be able to taste the 1900 and the 1899 side by side and discuss the differences, or to argue whether the 1955 or the 1949 is showing better right now (at my table we all thought the 1955 had the slight edge). In the end we tasted Latour from a 125 year span and although there was a lot of discussion about which were the better wines, the final conclusion of everyone in the room was that, "Latour makes some of greatest wines that any of us have ever tasted."

CHÂTEAU MARGAUX

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

CHÂTEAU MOUTON ROTHSCHILD

Mouton, like much of Pauillac in the sixteenth century, was part of the sprawling Ségur estate. In the mid-eighteenth century the land that is now Mouton Rothschild was acquired by Baron de Brane, who changed the name to Brane-Mouton. Brane sold it in 1830 to an M Thuret; while it was already a notable Château, first appearing in a Christie's catalog in 1834, Thuret did not make maintenance of the Château a priority and resold it in 1853. The purchaser was Baron Nathaniel de Rothschild, at the time head of the English arm of the wealthy Rothschild family.

While Mouton was always a highly regarded wine, a big change came when in 1922, when the twenty-one-year-old Baron Philippe decided to run the Château full-time. An innovator from the start of his tenure, in 1924 he decided that in order to guarantee quality the entire production would be bottled at the Château, and from 1934 he numbered each bottle released. Also, of course, he started the tradition of works of art on Mouton labels, featuring the famous Carlu ram's head from 1924 to 1926, and since a hiatus from then until 1945, each label has either been designed by a major artist or featured a tribute to a significant event in the Château's history.

Perhaps his most significant achievement was persuading the French Minister for Agriculture, Jacques Chirac, that Mouton was and had always been a First Growth that had been wrongly classified. So, in 1973, for the first and only time, a revised edition of the 1855 classification was released with Mouton finally ranked, next to its Pauillac neighbors Lafite and Latour, as a First Growth.

CHÂTEAU COS D'ESTOURNEL

Château Cos d'Estournel is regarded by many as the finest wine within the northern commune of Saint Estèphe and is certainly an aesthete's delight. Driving past the stately Château Lafite Rothschild with its manicured gardens and willow-trees billowing in the wind, you enter a rollercoaster dip which ascends towards a building that appears to have been designed on LSD with its Chinese pagodas and menagerie of creatures: lions, elephants and unicorns sculpted in sandstone that radiates at sunset. Even the large main door is ornately carved with exotic flora and fauna. What is surprising is that this is not even a place of residence: but simply one of the most outrageously decadent chai in the world.

History

The history of Château Cos d'Estournel is one of the most colourful in Bordeaux and is associated with iconic figures of the nineteenth century.

The word "Cos" derives from Gascogne tongue, meaning "hill of pebbles" whilst its appendage is down to Louis-Gaspard d'Estournel who was born in 1753 and lived to the ripe old age of ninety-one, passing away just two years before his beloved estate was classified as a Second Growth, along with Château Montrose. Louis Gaspard had a penchant for acquiring land, inheriting his first parcel at the tender age of twenty-nine and having acquired a parcel of vines near the village of Cos, he recognized that the terroir was similar to that of Lafite and immediately resolved to create a wine of equal stature. Between 1821 and 1857 he expanded the vineyard piecemeal from twelve to fifty-seven hectares including the best parcel of vines from the neighbouring Château Cos Labory, eventually owning the whole hill.

RARE WINE
FROM THE ESTATE OF
MIKE KITTREDGE

CHÂTEAU D'YQUEM

Château d'Yquem is the apex qualitatively and the centre geographically of the Sauternes area. Each major property occupies its own little hill. Yquem's is the highest. It is also the largest estate, the most perfectionistic, the most consistent. Unlike the rest of the region there was no cutting of corners, no lack of investment, no dip in quality in the sad days of the 1960s and 1970s.

At Yquem we have Sauternes winemaking at its most perfectionistic. The vines are pruned to yield nine hl/ha – one glass per vine (as opposed to a full bottle in a classified growth red wine château). Collection of the grapes is berry by botrytised berry, rather than by bunch or half-bunch elsewhere. The grapes are crushed in a small horizontal hydraulic press in three stages. Unlike in Champagne, for example, the first pressing does not necessarily give the best wine. There is no débourbage before the wine is put into cask. Fermentation and ageing is in new oak, of course, the latter taking place in a splendid underground cellar, constructed in 1987. The assemblage is late and the wine is not bottled for three years or more. Only then is it put on the market...

There is something very special, and indeed very consistent, about Yquem. The wine is more oaky than most in its youth. It is by quite some way the richest, most concentrated, most intense wine of its kind. In great years – I have a marginal preference for 1989 over 1990 and 1988 – it is nectar: the liquid quintessence of concentrated sunbeams, to quote Thomas Love Peacock.

DOM PÉRIGNON

Dom Pérignon - the name alone makes most of us break out in a delightful smile. When we think of this 17th-century monk from Hautvillers - so often pointed out as the father of Champagne – we either regard him with historical reverence, or associate his name with the proudest of all wine labels and everything else that follows in its glamorous, sparkling wake...

Back in 1936, Moët & Chandon's marketing director Robert-Jean de Vogué could not possibly have imagined what he had done when he dreamed up the idea of the world's first prestige champagne – a champagne with a sky-high price that was supposed to be even better than the vintage wine, along with a spectacular look that won respect and prompted extravagant enjoyment...

The style itself is ultra-sophisticated, with an amazingly silky softness combined with toasted fireworks, backed up by an exotic fruitiness in a medium body. When Dom Pérignon is at its best I find notes of forest morelles, cream, peach and an overabundance of roasted coffee beans and nuttiness. Dom Pérignon Rosé is an even more exquisite and rare product that has been molded in a similar form, though its full-bodied shape leans more to strawberry or orange, where the whiter somewhat lighter variety becomes exotic and toasted. Dom Pérignon Oenothèque is the latest child in this distinguished family. At Richard Geoffroy's initiative they now release a restricted number of old, well-preserved bottles from Moët's own cellar in different stages of maturity. The wine can be newly disgorged, but it isn't a fixed thing. What is guaranteed, however, is that the wines are in the best possible condition, and that they most likely will act a little more youthfully than the bottles that have been out on the market for a while. This treasure is now decorated with a luxurious black label in unmistakable style.

And speaking of style...In an age when PR people constantly want to minimize labels and change both bottle design and packaging, Dom Pérignon stands there like a Sophia Loren of the champagne world, unchanged and as timelessly sexy. The balance conveyed in the subtly curvaceous shape of the bottle, paired with an olive green label in the shape of a coat of arms adorned with cursive writing, is still as magical as ever. Since 1970 the wine itself is made exclusively in steel tanks and the grapes are mainly Pinot Noir from Aÿ, Bouzy, Verzenay and Hautvillers, as well as Chardonnay in approximately equal amounts from Cramant and Mesnil.

RARE WINE
FROM THE ESTATE OF
MIKE KITTREDGE

ORNELLAIA

"Tenuta Dell' Ornellaia" is owned by Mondavi and Frescobaldi and is firmly established as one of the great Super-Tuscan wine estates. It was set up in 1981 by Marchese Lodovico Antinori, the younger sibling of Piero Antinori using inheritance money from his mother, inspired by the neighbouring Sassicaia estate.

Approximately 70-hectares of wild scrub was cleared in order to create the wine estate, for underneath lay an enticing terroir of well-drained volcanic soils that were ideal for Cabernet Sauvignon and sandy-clayey soils ideal for Merlot (as in Pomerol). In addition, situation next to the ocean in "Maremma", at the heart of Bolgheri, the vines would benefit from the cooling maritime breeze.

Similar to other Super-Tuscans, they eschewed indigenous grape varietal and planted the vineyard with Bordeaux varietals Cabernet Sauvignon (65%), Merlot (30%) and Cabernet Franc (5%). The estate presently covers a total of 91-hectares, including the original vineyard which was augmented by further acquisitions in Bellaria, just north of Bolgheri. Of the 91-hectares, 76 are actually in production, 30 in the original Ornellaia vineyard and 46 in Bellaria where the vines are younger.

Grapes are harvested by hand and collected in 15kg crates with selection in the vineyard and then in the cellar to weed out unsatisfactory berries. The fruit is destemmed and gently crushed after which they are fermented in stainless-steel vats at a temperature regulated below 30°. After a 25 to 30 day skin-maceration, the wine is transferred into oak barriques, 70% new and the remainder one-year old. They spend eighteen months in barrel during which time the malolactic fermentation takes place, with blending at twelve months (after which the wine is returned to barrel.) The wine is racked and fined gently before bottling where it matured for another twelve months. There is a Second wine, "La Serre Nuove" which is selected from barrels during the blending of Ornellaia.

Lot 605

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. By participating in an auction, an auction participant agrees to be bound by the Conditions of Sale printed in this catalog.

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices. Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 24% Buyer's Premium will be added to the successful bid price of each lot purchased and is payable by Buyer, together with the applicable sales tax which is applied to the total cost of purchase, as stated in the Conditions of Sale located in this catalog.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (*) next to the lot number.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, Zachys and any consignor are not liable for any description or error or omission in any description and prospective Buyers cannot rely on Zachys or any consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National

Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre arrange check or credit approval through our Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034. All bidders who wish to attend the auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre Registration Form is provided in this catalog or at zachys.com. Complete and either fax the form to +852.3014.3838, +44.20.34.75.85.25 or +1.914.313.2350 or email the form to asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first session of the auction,(iii) or live over the internet. The auctioneer may also execute bids on behalf of the consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer.

Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If an online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Absentee, Telephone & Online Bids

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute, absentee, telephone or online bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot. Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Placing Telephone Bids

Prospective Buyers may bid by telephone during the sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above HK\$16,000 or US\$2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Online Bidding

Zachys assumes no responsibility for disputes or errors arising from live online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids. By registering and bidding live on the internet, prospective Buyers agree to be bound by the Conditions of Sale.

Sales and Other Taxes

Buyers are responsible for the payment of any tax which Zachys may be required by law to remit to Zachys state of licensure at the time of sale. Applicable sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the buyer from Zachys; unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale. All questions regarding sales tax and exemptions should be directed to Zachys Finance Department at +852.2530.1971, +44.20.34.75.84.55 or +1.914.874.8034.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number. On rare occasions, Zachys may guarantee a minimum price to the consignor of property. Such lots are identified in the catalog by the symbol (♦) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and

invoiced within a few days of the sale.

Successful Buyers will pay the price of the final bid plus a 24% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

Payment is due within 14 days of the sale close. If Zachys has had no instructions from the bidder, 30 days after the sale close Zachys will auto-charge US Live Auction purchases to the credit card on file along with a 2.5% late payment fee. In the event that Zachys is unable to charge the bidder's credit card, the sale will be cancelled after 60 days. Payment can be made by credit card, check, money order, bank wire transfer or cash. In the event of third-party payments, Zachys may require an Authorization Letter from both parties. Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

For Hong Kong auctions, payment is accepted in both Hong Kong Dollars and United States Dollars. Zachys, in its sole discretion, shall determine the currency exchange rate for all United States Dollar payments with respect to sales conducted in Hong Kong.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction. Buyers wishing to make payment by credit card must present the card in person at or prior to the auction. All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, Union Pay, MasterCard, American Express and Discover. The maximum amount allowed to be charged on credit cards is limited to HK\$200,000 or US\$20,000 per auction. Zachys reserves the right to charge Buyer's credit card and to immediately assess a 3% late penalty charge, should payment be past the due date, notwithstanding that the amount of such charge may exceed HK\$200,000 or US\$20,000.

In the event a charge or check is not accepted by the appropriate financial institution, Buyer remains liable for all amounts owed on date due. Buyers wishing to pay for purchases via wire transfer should contact Zachys' Customer Service by calling +852.2530.1971, +44.20.34.75.84.55 or +1.914.448.3026 or email asia@zachys.com.

When paying by wire transfer, please be sure to reference the invoice number in the details field.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be the same as the one signed on payslip.

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

For your convenience, Zachys' Collection & Delivery Form is located in this catalog. It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products. After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyers' expense, direction and request.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions are prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1

This catalog endeavors to describe the property listed herein accurately. However, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained herein. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. Neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG.

2

The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee when applicable, together with any applicable sales tax. The Buyer's Premium is 24% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3

Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4

Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5

In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6

Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7

Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale.

8

The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9

No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM of the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 30 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge

of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 30 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges of \$2.75 per 9 liters of wine.

10

Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefor.

11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefits of these two preceding provisions are not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16b

By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the District of Columbia courts and the United States District Court for the District of Columbia. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloguing and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

This Shipping Protection Fee provides protection against only breakage, theft or fire as covered by Zachys insurance with respect to purchased property packed, shipped and delivered pursuant to arrangements made by Zachys. Zachys and its forwarding agents cannot be held responsible for any other changes to the wines during shipment. Loss or breakage resulting from shipping that Zachys has arranged must be reported to Zachys in writing within three days of delivery of the property, which must be examined in the presence of the carrier on arrival.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.
