## International Spirits Only

Welcome to the first-ever Spirits Only auction at Zachys.

Spirits have been an integral part of our auctions for years. From the rare Japanese spirits in our Hong Kong auctions, to Bourbon here on our own shores, to massive and unique offerings of Chartreuse from our London saleroom, we love spirits. But you wanted more. You spoke, we listened.

So this sale, highly curated as it is, kicks off “spirits season” here at Zachys. In June, we have another roughly \$1m in spirits selling from our Hong Kong sale room, and some exciting offerings on tap for London this fall.

This sale features Japanese whisky (loads of Karuizawa), Macallan, Balvenie, Port Ellen, Hirsch, E.H. Taylor, George T. Stagg, a boatload of Pappy, some rare Chartreuse, and many many, rare spirits for your bidding pleasure.

**A special note:** the first ten lots in this auction are lying in Rotterdam, and are being sold in GBP. The lots for the rest of the auction are in our White Plains warehouse and are sold in USD. Please bid accordingly, and reach out to [Bid@zachys.com](mailto:Bid@zachys.com) prior to bidding should you have any questions.

It’s a pleasure to be able to offer these rare collections. Enjoy!

Sincerely,

Jeff Zacharia  
President

KARUIZAWA GEISHA

Although Karuizawa distillery officially closed its doors in 2011, it hadn't been officially been producing whisky since 2000. In 2018 the Pearl Geishas were released separately as 37 and 38 year expressions. Pulled from Sherry cask #4348, the 38 year was the oldest expression in the Geisha series upon release, packed with classic Sherry oak notes and richness.

### THE MACALLAN

Irish monk St. Fillan was a Christian missionary who lived in the eighth century. During his travels through what is modern day Speyside in Craigellachie, Moray, he noted how fertile the land was. The Macallan, derived from Gaelic, is associated with prestige and quality and the reputation has lived on for well over 1000 years.

Exclusively using sherry casks in their older bottlings, their maturation and their style are known to be some of the most dense and rich whisky in Speyside and beyond.

The famed distillery has changed hands a few times over the centuries but the ultra-soft water source from deep underground remains constant. The demand for The Macallan malts far overshadows the supply and, as a result, any limited release by this distillery becomes an instant treasure.

Many purists of The Macallan maintain that the vintage bottles with distillation dating back from the 1970s contain some of the famous distilleries greatest drams. Today, Zachys has on offer some of these difficult to find bottles.

## JAPAN

### HANYU

After a long heritage of making sake, in 1941, Isouji Akuto founded Hanyu distillery in the mountainous region of Saitama, not too far from Tokyo. Akuto took advantage of Japan's whisky Boom of the late 70's and began distilling Single Malt Whisky in 1980. Production ceased just 20 years later, but thankfully for everyone, in the 2000s, a young former employee of Suntory purchased the forgotten casks that were never bottled before they were destroyed by the distillery's new owner. This employee's name was Ichiro Akuto, the grandson of Hanyu founder Isouji Akuto. In 2008, all remaining casks were transferred from the town of Hanyu, where the old distillery lay, to Ichiro's new distillery in a nearby town called Chichibu.

It is here that forgotten casks were transformed by Ichiro. His mission was to put a character to every cask, a face to each barrel. Not just a cask number. Ichiro's creative guise gave birth to the extremely sought after Card Series bottlings. The final bottle of Ichiro's Card Series was released in 2014 and the legend of the bottles lives on as one of the major building blocks of Japan's current whisky renaissance. Each treasure is fine and rare and diminishing rapidly. There aren't many more drams to taste from Hanyu's past and it will be exciting to watch future bottles evolve from Chichibu's present distilling rebirth.

## KARUIZAWA

Karuizawa has changed hands many times in its short history, but it all began in 1955 at a vineyard near Mount Asama in Nagano, Japan. The distillery closed in 2000 along with the Hanyu distillery and Mr. Ichiro Akuto assumed custody of the remaining casks before the distillery was completely dismantled in the mid-2000s. The releases from Karuizawa are few and far between; they are becoming increasingly scarce as there are fewer and fewer casks left to bottle. The Noh release, with each label portraying a character from the Noh Japanese theatre is now a cult collectible. In the 2000s Number One Drinks purchased the remaining casks from the closed distillery and they began to release the casks under a carefully curated set of different themes. One of these themes is the aforementioned Noh series. Other collectibles include the very rare Samurai series and the Sumo series. Library bottles are carefully selected from casks that are indicative of Karuizawa's Sherry-- style with single cask releases from the 60s, 70s and 80s. Verticals are extremely hard to come by, but they are a treat to savour as they are indicative of the distillery's evolution.

Special mention must be made to the incredibly rare Pre-Number One Drinks bottlings. These old releases were bottled in the 90s or earlier, making them distilled in one of the finest decades in Japanese Whisky history.

**HIBIKI**

Launched by Suntory in 1989 in celebration of their 90th Anniversary, Hibiki is a masterfully blended whisky selected from malt and grain barrels distilled throughout the Suntory portfolio. Designed to represent the harmony of the broad range of Suntory and also to honor Japanese heritage more broadly, the signature 24-faceted bottle represents both the 24 hours of the day and the 24 seasons of the traditional Japanese calendar, an embedded meditation on effects of time on the whiskey within.

**SUNTORY YAMAZAKI DISTILLERY**

Yamazaki may not have been the first distillery with a license to distill in Japan, but they were indeed the first to produce whisky as we know it today. Founded in 1923 by Shinjiro Torii, whose shortened name became the flagship moniker for the Suntory brand, Yamazaki distillery was built in its location in the Kyoto prefecture because of its famously pure water dating back to Samurai times. Enthusiasts and novices alike attest to the distinctive softness and approachability of whisky produced in this area and it is this character that has become a trademark of the Suntory name. All of their whiskies are as sought after because of their taste as much as they are due to their scarcity. Suntory special releases are only released at maximum a few thousand bottles at a time and only to specific markets making them some of the most elusive bottles on the market. The unique Owner's Cask bottles, initially difficult to find, are now essentially impossible to find since the Suntory distilleries have discontinued the program indefinitely.

**BRORA**

Another of Scotland's revered closed distilleries, Brora (originally named Clynelish) silenced their stills in 1983 after 164 years of operation and while the newer Clynelish Distillery exists just across the road, nothing compares to the decades leading up to the closure of Brora. Diageo has bottled some ultra rare age statements from those last years and this lot of 30-37 Year Old Brora includes a release from 2015 which is a 37 year old-the oldest release to date from the distillery. The Brora (translating loosely into 'The Bridge's River' from Norse) has always yielded distinctive notes of leathery coffee and candied capsicum.

**GLENFIDDICH 1975 CASK 7406 & 5114**

Since the first drops of spirit fell from the stills in 1887, Glenfiddich distillery has been a pioneer in the craftsmanship of Scotch Whiskies. Run by the fifth generation today, they produce some of the world's most awarded single malt whiskies on the market. Of the highest prestige is The Rare Collection, a series of limited and hand-selected single casks by Master Brian Kinsman. The newest release, the 1975 Vintage Cask 4706 and 5114 is a 44-year-old scotch, matured in two contrasting styles of European Oak. With only 100 bottles each released exclusively to the United States, this is a rare opportunity for collectors worldwide.

**PORT ELLEN**

Among the shuttered distilleries, Port Ellen stands as a beacon in the fog of a blustery Scottish day. Developed in the early 19th century, the distillery was originally a malt mill, and then underwent several changes in ownership until it closed for good in 1983. Diageo owns the distillery now and has announced they will be reopening soon. Scotch being Scotch, we won't see a release from the new Port Ellen until the early 2030s, which means the bottles in this auction, the historic bottles, will always be a collector's item, a snapshot into Scotch-making history.

## KENTUCKY

### A.H. HIRSCH

In 1974, Adolph Hirsch ordered 400 barrels of bourbon from a small, struggling distillery known as Pencco, which were left to rest in barrel at the Schaefferstown, PA distillery. By 1989, the distillery had been purchased and renamed Michter's and the new owners told Hirsch to collect his barrels or face losing the aged whiskey. The whiskey was sold privately in barrel to Gordon Hue and shortly after was bottled by Julian Van Winkle III. Initially, Hue sold two small runs - a 15 year and 16 year - to the Japanese market, and then most of the whiskey was transferred out of barrel and into stainless steel tanks to arrest the ageing. From these tanks came the majority of the A.H. Hirsch 16 year bottlings, known colloquially by their capsules: first with blue wax, then with gold wax, then the gold foil and finally in a hand-blown bottle packaged in a humidor. A handful of barrels were left to age further, resulting in tiny allocations of 18 and 19 year bourbon and finally the oldest of the original lot, just 500 cases of the 20 year with a red wax capsule were bottled in 1994. This legendary whiskey marks the beginning of the current American bourbon renaissance, rich with history, serendipity and often regarded as one of the best American whiskies ever produced.

## E.H. TAYLOR

Colonel Edmund Haynes Taylor, Jr. began distilling at the close of the Civil War when he purchased the Old Fire Copper Distillery (O.F.C.), which would later become Buffalo Trace. Made by hand, this Small Batch Bourbon is aged inside the century old warehouses constructed by E.H. Taylor, Jr. after his acquisition of the distillery in 1881. The barrels are evaluated and selected to create a perfect blend of distinctive character. This is especially true with E.H. Taylor's special editions, like the Four Grain and Warehouse C Tornado Surviving Bourbon. Respectively, the Four Grain is made from a distinct combination of corn, rye, wheat, and malted barley and aged for twelve years to perfection; while the Warehouse C Tornado Surviving Bourbon, as the names suggests, came from the distillery's Warehouse C that was struck by a tornado; while the warehouse was damaged, the barrels survived albeit exposed the elements. The barrels' unique exposure to the central Kentucky climate yielded a whiskey that was so flavorful and unique, that it just had to be bottled as a special edition. Overall, E.H. Taylor, Jr.'s whiskies are unlike any sipping bourbon on the market today.

### **BUFFALO TRACE ANTIQUE COLLECTION**

A goliath in the bourbon world, Buffalo Trace owns and produces many of the top brands on the market today, even if their name isn't front and center on the label. The sentinels of their lineup, however, all belong to the family known as the Buffalo Trace Antique Collection. Fittingly, the tall, slender bottles stand a head above the rest. George T. Stagg, William Larue Weller and Thomas H. Handy are bottled at full cask strength, with the varying proofs providing the key to which of the annual releases you have, while Eagle Rare 17 Year and Sazerac 18 Year are proofed down to 90 Proof (101 for Eagle Rare starting in 2019). With three bourbons and two rye whiskies representing the pinnacle of the Buffalo Trace lineup released once a year, one could be compelled to say that the Buffalo Trace Antique Collection bottlings are the "first growths" of American Whiskey.

## PAPPY VAN WINKLE

Forget apple pie. Few things can be described as distinctly American as Pappy Van Winkle. With immigrant roots in Holland by way of New York, Julian “Pappy” Van Winkle was a travelling salesman that eschewed his family’s law business and would rise to own the wholesaler he began working for at age 18. Following Prohibition, which the distillery survived by producing medicinal Whiskey through a special Federal license, Pappy re-opened the Stitzel-Weller distillery and began producing premium Bourbon brands, such as Old Fitzgerald, Rebel Yell and Old Rip Van Winkle. Eventually Pappy’s son Julian Van Winkle, Jr. took over the family business, working closely with his father until his death in 1965. Seven years later, shareholders coaxed Julian Jr. into selling off their stake in the distillery operations, yielding control of all brands except the one that bore the family name: Old Rip Van Winkle. Between 1972 and 1981, Old Rip Van Winkle was released, mostly in decorative decanters, using stock from the Stitzel-Weller distillery. In 1983, Julian Van Winkle III began bottling the brand at the Hoffman distillery in Lawrenceburg, purchasing the Whiskey from Stitzel- Weller until its closure in 1991. Today the Whiskey is made to the family’s specifications through a special arrangement with the Buffalo Trace distillery under the direction of Julian Van Winkle III and his son, Preston. Bottled at various ages and proofs, the Van Winkle lineup has expanded to include the 10-year Old Rip Van Winkle, 12-year Van Winkle Family Reserve “Lot B,” 15-, 20- and 23-year Pappy Van Winkle Family Reserve Bourbons and a 13-year Van Winkle Family Reserve Rye. The Bourbons are known as “wheated” Bourbons due to the inclusion of a healthy dose of wheat in the mashbill, adding a distinctive sweetness and smoothness which has helped the line garner accolades and the miniscule releases have led to an almost mythic status among Bourbon drinkers.

**OLD RIP VAN WINKLE 25 YEAR OLD**

The history of the Van Winkle brands is inexorably linked to the legendary Stitzel-Weller distillery, with Julian “Pappy” Van Winkle, Sr. helping to build the facility which opened in 1935, fittingly on Derby Day. Pappy continued to oversee operations at the distillery until his death in 1965. Julian Van Winkle, Jr. then took the reins, but with bourbon sales in steady decline, the facility was sold in 1972, though the sale held one condition: the younger Van Winkle would maintain rights to the Van Winkle brand name. In 1981, Julian Van Winkle, Jr. died and his son Julian III took over, continuing to purchase whiskey in bulk from the Stitzel-Weller facility until its eventual cessation of operations in 1992. At that point, Van Winkle began to purchase distillate made to spec from Bernheim and ultimately entering a joint venture with Buffalo Trace in 2002.

Over the years, the prestige lineup of Pappy Van Winkle 15, 20 and 23 year bottlings drew from the ever-dwindling stock of Stitzel-Weller stocks. In 2015, 23 years after the end of distilling at Stitzel-Weller, it was widely assumed we’d seen the end of pure Stitzel-Weller Van Winkle whiskey. But in 2017 came a dark horse riding in – 710 bottle from eleven barrels distilled in 1989 – vatted to stainless steel in 2014 to arrest the ageing and to marry the character of the different barrels. Bottled at 100 proof, this is the oldest Van Winkle bottling ever released and a worthy testament to the heritage of the Van Winkle family and the Stitzel-Weller distillery.

**FOUR ROSES**

In 1888, Paul Jones Jr. trademarked the name that appears on every bottle of his bourbon: Four Roses. A legacy bourbon, Four Roses was made in the Lawrenceburg, Kentucky distillery that was built in 1910 and was later sold to Frankfort Distilling Company in 1922, which was one of just six distilleries in the United States allowed to produce "medicinal" whiskey during Prohibition. Once prohibition ended, Four Roses' bourbon distilling resumed and the brand quickly became the most recognized, and even the top selling, bourbon in the U.S. during the 1930's, 40's, and 50's. However, under the ownership of Seagram, the brand was discontinued in the United States in favor of sole distribution in the burgeoning European and Asian markets. The label wasn't available in the U.S. as a straight bourbon until 2002 when master distiller Jim Ruthledge returned the brand to its ancestral home, where it has since reclaimed its seat at the table of fine bourbons.

An annual release from Heaven Hill, the Parker's Heritage Collection varies year to year. Named in honor of Parker Beam, the series honors Parker's legacy of endlessly pursuing new ideas to make his bourbon better through craft and patience rather than gimmick or technology. Starting with the first release of Cask Strength bourbon in 2007, the series has seen releases of extreme age in the 27-year, second release to exotic cask finishes like the Cognac finish in the fifth release or the Oragne Curaçao finished twelfth release.

**BLACK MAPLE HILL**

First things first: Black Maple Hill is not a distillery. It is a portfolio of brands, owned by California Vineyards Inc. Initially, Black Maple Hill worked with Julian Van Winkle III in Lawrenceburg to bottle single barrel, well-aged whiskies. While it is not definitive, many believe that these early bottlings are drawn from the same Stitzel-Weller stocks used for his Van Winkle bottlings. In 2002, when the Pappy Van Winkle brands were brought under the Buffalo Trace umbrella, the Black Maple Hill bottling partner shifted to the Bardstown-based Kentucky Bourbon Distillers (producer of Willett), bottling single-barrel bourbons and ryes, a release of well-aged, vatted bourbon labeled as “Small Batch 16 Year,” as well as the under-the-radar “red ink” no-age-statement bourbon until 2011. In 2014, Black Maple Hill appeared again on the market with bourbon and rye produced in Oregon at the Stein Distillery.

**JEFFERSONS PRESIDENTIAL SELECT 18 YEAR OLD**

Jefferson's Presidential Select was distilled in 1991 at the legendary Stitzel-Weller distillery (yes, that Stitzel-Weller distillery built by Julian "Pappy" Van Winkle), which closed up shop that very same year. This wheated, small batch bourbon spent 18 long years in those special barrels before being bottled by Jefferson for their lauded Presidential Select series. The whiskey drinks its age with a heavy wood influence, but the results can only be described as a "superb."

**KENTUCKY OWL**

Kentucky Owl is a bourbon resurrected. C.M. Dedman founded Kentucky Owl back in 1879 but was forced to shutter his distillery at the advent of prohibition and never reopened it though retained the land. Generations later Dixon Dedman, the great-great grandson of Kentucky Owl's founder has worked over the years to make a whisky worthy of the family's distiller legacy. Made from some of the best barrels of bourbon in the state of Kentucky, the acquired barrels are combined in different ways until the perfect blend is achieved. As Dixon says, "I'm not some chemical engineer in a lab coat, looking for a perfect 'congener profile.' I didn't even start out with a taste in mind; I just went where the bourbon took me." The end result speaks for itself, Dixon's craft bourbons have become cult classics selling out as soon as the ink on the handwritten batch and bottle numbers dries!

### MICHTER'S 25 YEAR

And then, there's Michter's. Established in 1753, allegedly America's first official distilling company, they have been a true Whiskey family producing brown spirits from Rye to Bourbon.

The result of centuries of dedication, experienced master distillers and an unwavering commitment to quality have allowed them to produce some of the greatest contributions to American Whiskey. A crown jewel and one of their finest, most rare bottles is the Michter's 25-Year Old Single Barrel Bourbon

From a single-cask release of only 134 bottles distilled in 1983, this is among the ancient distillery's most prized bottles. Where the Angel's Share is roughly 2% in most climates, Kentucky has no dry season so that 2% is more like a 10% evaporation rate for the first year and roughly 5% for all the following years. After a quarter century of ageing in a single cask, the quantity of the cask's contents has decreased dramatically but the concentration of flavors, aromas and palate are among the world's most luxurious and unmatched.

Note that this bottling is unique compared to any other 25 year releases you may find. This is the most unique selection of the finest single example of mature Bourbon that the distillery saw at the time of bottling. Having not been married with other casks, this bottle is naked and a rare, true expression of Bourbon's terroir.

This is truly one of Bourbon's most sought after bottles and a must have for any true Whisky, or Whiskey, enthusiast and collector.

**OLD FORESTER BIRTHDAY BOURBON**

George Garvin Brown founded the Old Forester brand back in 1870, and it's his September 2nd birthday the bourbon honors every year since 2002. The Birthday Bourbon line releases all hail from one day's production from its particular year of release, and as such, they're different from year to year. Though those slight year to year changes haven't stopped demand from soared over the years with people lining up outside the distillery on September 1st in order to try and snag a bottle for themselves; some have even said that this might just be the next Pappy Van Winkle!

**WILLETT FAMILY**

With history dating back to 1935, the Willett family has done a bit of everything in the Kentucky distilling world. Naturally, they've produced plenty of bourbon, but in the 1970s with bourbon consumption reaching its nadir, shifted production to ethanol for fuel before ceasing operations as a distillery altogether in the early 1980s. The name was resurrected in 1984 when Martha Willett and her husband bought the company, renaming it Kentucky Bourbon Distillers, despite not distilling a drop themselves! The company focused on buying stocks from other companies, ageing, blending and bottling the distillate with great success. KBD released blended and no-age-statement whiskies under a number of different brands, as well as hundreds of single-barrel Willett Family Estate releases of bourbon and rye, either through their gift shop or special bottlings for retailers (who could choose the color of wax the tops were dipped in). The earliest bottles of single-barrel whiskey were in Cognac-style bottles, with a later shift to the tall, slender bottles now seen. In 2012, they returned to distilling and started releasing their own stocks of various mashbills of rye, bourbon and wheated bourbon in 2014.

**RÉMY MARTIN LOUIS XIII**

Louis XIII is the epitome of fine Cognac. It is the culmination of 1,200 Cognacs with an age range of 40-100 years old being blended together to make a single bottle. Even the barrels that the Cognac is aged in have survived over a century in the legendary distillery's cellars.

Rémy Martin has been doing this for almost three centuries and for almost 80 years, every drop of Louis XIII has been encased by Baccarat fine crystal. The Cognac itself is exotic in its intricate layers of baking spices, exotic citrus, caramelized nuts and its truly silky and ethereal texture that has a way of evaporating from the palate yet lingering for a truly rewarding and elongated finish.

# Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Europe Limited in respect of auctions which are conducted from the United Kingdom; (ii) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (iii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

## Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

## Buyers Premium

A 24.5% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

## Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol(s) next to the lot number.

## Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026, +852.2530.1971 or +44.20.34758455 to set up an appointment.

## Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding

Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at +1.914.874.8034, +852.2530.1971 or +44.20.34758455.

All bidders who wish to attend the live auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre-Registration Form is provided in this catalog or at [auction.zachys.com](http://auction.zachys.com). Complete and either fax the form to +1.914.874.8034, +852.2530.1971 or +44.20.34758455 or email the form to [bid@zachys.com](mailto:bid@zachys.com) or [asia@zachys.com](mailto:asia@zachys.com) at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

## Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. Subject to the section headed "Right of Cancellation" in the Conditions of Sale (in the case of consumers only), for all Zachys live and online auctions, all bids are final and will not be cancelled.

## Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

## Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

## Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

### Online Bids

Live auctions will open for bidding on our website at [www.auction.zachys.com](http://www.auction.zachys.com) approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

There are two ways to bid online: (i) submit the starting/next bid or (ii) submit a maximum bid. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses ( ), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

Prospective Buyers may also bid during the live auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

#### **Absentee Bids**

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at [www.auction.zachys.com](http://www.auction.zachys.com). Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Telephone Bids**

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with

a value above US\$2,000, HK\$16,000 or GBP£2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

#### **Bidding in Online Auctions**

Bids can be submitted anytime during the course of an online auction on our website at [www.auction.zachys.com](http://www.auction.zachys.com).

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid.

To simplify the bidding process, Zachys uses predetermined bidding increments. By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

#### **Taxes**

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax including United Kingdom value added tax and/or any other applicable tax of a similar nature, which shall (if required) be payable by the Buyer at the appropriate rate. Applicable VAT or sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the Buyer from Zachys unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions.

Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

The following VAT schemes are applicable to Zachys Europe Limited auctions and deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

#### **Property with a † (Single Dagger) Symbol**

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

#### **Property with a ◆ (Black Diamond) Symbol**

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

#### **Property with a △ (Open Triangle) Symbol**

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 29.5%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +44.20.34758455, +852.2530.1971 or +1.914.874.8034.

#### **Owned or Guaranteed Property**

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number.

On rare occasions, Zachys may guarantee a

minimum price to the Consignor. Such lots are identified in the catalog by the symbol (■) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

#### **Successful Bid**

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 24.5% Buyer's Premium plus any applicable taxes for each lot purchased.

#### **Payment**

For zCollection purchases, Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases, Zachys will auto-charge the credit card on file for invoices up to US\$20,000, HK\$150,000, or GBP £15,000 within 48 hours of the sale close.

In respect of all other purchases, buyers are expected to pay for purchases within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14- or 7-calendar day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due. All amounts remaining due after this 14- or 7-calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21-calendar day period. All payments are payments on account until all invoices and all balances due are paid in full.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction.

Payment can be made via phone by calling +1.914.448.3026, +852.2530.1971 or +44.20.34758455. date, notwithstanding that the amount of such charge may exceed HK\$1500,000, US\$20,000 or GBP 15,000. Zachys reserves the right to charge Buyer's credit card and to immediately assess the relevant late payment charges set out above, should payment be past the due date, notwithstanding that the amount of such charge may exceed the maximum amount.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

#### **Export/Import Permits**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

#### **Delivery Restrictions**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **Shipment of Spirits**

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

#### **Auction Results**

To obtain results for the auction, please refer to [www.auction.zachys.com](http://www.auction.zachys.com).

#### **Translation**

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

# Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

**1** This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog, and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

The previous sentence does not apply to the sale of goods acting as consumers in the United Kingdom – Zachys is under a legal duty to ensure that such goods are in conformity with their description. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit

or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

**2** The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 24.5% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

**3** Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

**4** Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

**5** In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

**6** Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

**7** Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information.

**8** The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance

while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

**9** No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 30 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage or Newcorp Logistics to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 30 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

**10** Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

**11** If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and

any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

#### **12**

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

#### **13**

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

#### **14**

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot

#### **15**

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

#### **16a**

For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

#### **16b**

For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

#### **16c**

For auctions that are held in the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the District of Columbia. #### **16d**

For auctions that are held in the United Kingdom, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and construed in accordance with the laws of England and Wales. By participating in an auction, whether in person or by agent, absentee bid, telephone bid, online bid or other means, the Buyer irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with these Conditions of Sale, the Buyer & Bidding Information or their subject matter or formation. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related

to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits. In the event of any dispute relating to any purchases made online, the Buyer may refer to guidance regarding online alternative dispute resolution published by the National Trading Standards at [www.nationaltradingstandards.uk/contact](http://www.nationaltradingstandards.uk/contact).

#### **17**

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

#### **17a Right of Cancellation**

This section only applies to Buyers based in the European Union or United Kingdom who are acting as consumers (i.e. for purposes unconnected with their trade or business) who have purchased in an auction held in the United Kingdom.

In the event that the Buyer purchases a product in any way other than in person at an auction (such other way being, for example, by way of absentee, telephone and/or online bid), the Buyer shall have a legal right to:

- (i) withdraw any bid at any point prior to acceptance by Zachys (i.e. at the fall of the hammer); and/or
- (ii) cancel any purchase within 14 days, which period shall expire after 14 days from the day on which the Buyer (or any third party indicated by the Buyer to receive such delivery) acquires physical possession of the goods (or the last good, in the case of multiple deliveries as part of the same lot) or,

To exercise the right to cancel any purchase, the Buyer is required to:

- (i) inform Zachys of such decision by a clear statement in writing to [auction@ zachys.com](mailto:auction@zachys.com) by no later than the expiry of the above cancellation period; and
- (ii) send back the goods to or hand over the goods in person at Newcorp Logistics, Sikkell 13, 3274 KK Heinenoord, The Netherlands without undue delay and in any event no later than 14 days from the day on which the Buyer sends the relevant cancellation notice.

Subject to the foregoing, in the event that the Buyer cancels any purchase, Zachys shall reimburse the Buyer all payments received by it from the Buyer, including any costs of delivery paid to Zachys (except for delivery costs exceeding the least expensive type of standard delivery). The Buyer is required to bear the direct cost of returning the goods.

Zachys shall make the reimbursement without undue delay, and not later than: (i) 14 days after

the day Zachys receives back from the Buyer any goods supplied; or (ii) if earlier, 14 days after the day the Buyer provides evidence that it has returned the goods. If possible, Zachys shall make the reimbursement using the same means of payment as used by the Buyer for the initial transaction, unless expressly agreed otherwise.

Zachys may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of handling by the Buyer other than as necessary to establish the nature and characteristics of the goods. For the avoidance of doubt, this cancellation right will not apply to any bottles of wine which have been opened.

#### **18**

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong and English law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

#### **19**

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

#### **20**

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

#### **21**

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or

impaired.

#### **22**

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

# General Catalog Notes

## Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

## Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

## Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

To insure the safety of the wines, it may be necessary in some shipments to repack the wines in protective shipping containers and to ship the wooden cases separately at an additional charge.

Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverages which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

#### **Delivery Charges**

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

#### **PROPERTY WITH A † (SINGLE DAGGER) SYMBOL**

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

#### **PROPERTY WITH A ◆ (BLACK DIAMOND) SYMBOL**

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

#### **PROPERTY WITH A △ (OPEN TRIANGLE) SYMBOL**

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 29.5%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.
