Fine & Rare Wines & Spirits

Spring has sprung here in New York, or at least has begun to as I write this. Zachys' spring season is well underway though, with strong February and March auctions and an incredible slew of collections on the rostrum here and in Hong Kong!

This sale features several shining stars. Lot 54 starts off a collection that starts in the Old World briefly with everything from Château Latour assortment cases to young DRC to the La Las, but soon pivots into the heart of the collection: deep New World offerings of Abreu, Bond, Colgin, Dana, Promontory, and the like.

Elsewhere in the sale, lot 216 begins a gorgeous offering of the finest Burgundy. Caseloads of Clos de Tart, lovely verticals of Bonnes-Mares and Musigny V.V. from de Vogüé, DRC, Lafarge, and more across the spectrum. There are even some caseloads of Ornellaia and Insignia!

Other sale highlights include 1996 Musigny Leroy, 1997 Bonnes-Mares d'Auvenay, 1995 & 2000 Cuvée Cathelin, 1999 Dujac in Jeroboam, a full case of 2000 Barolo Monfortino Riserva, 1982 Mouton in Imperial, not a mention an array of top-shelf spirits like Nikka 20, Macallan 25 & 30, Glendronach 25, Hibiki 30, and others.

Enjoy perusing these lots as the days warm and lengthen, and if you're finding it's time to do some spring cellar cleaning, give us a ring. Zachys still has a few sales lined up for our excellent spring season so let us know so we can save you a spot before the summer!

Cheers,
Charles

GIACOMO CONTERNO

Cantine Giacomo Conterno has stood at the pinnacle of "traditionalist camp of Barolo" for many, many decades, and along with the wines of other Piemonte icons such as Bartolo Mascarello, Mauro Mascarello and Bruno Giacosa, the wines of Cantine Giacomo Conterno have set the standard for excellence in the region for many years. The founder of the estate as it stands today was Giacomo Conterno, who began his own winery in the village of Monforte d'Alba in 1920, and quickly earned a reputation for excellence for the quality of his Barolo. However, the Conterno family's involvement in wine production in Barolo far predates the launching of today's winery in 1920, as the family retains documentation of their wine production ties that dates back to 1770. And in fact, Giacomo Conterno's father was very much involved in winemaking and wine sales from the moment he began his businesses in the region at the beginning of the twentieth century. The flagship Barolo bottling here is the bodega's Monfortino Riserva Speciale, which was first made in the 1920 vintage, and which is unequivocally one of Piemonte's longest-lived and greatest wines.

In many respects, modern Barolo as a long-lived and cellar-worthy wine owes much of its heritage to the visionary efforts of Giacomo Conterno throughout the decades of the 1920s, 1930s and 1940s. It is rather hard to imagine the landscape of Barolo as it is today without his pioneering efforts.

SOLDERA

In Brunello di Montalcino one name more than any other is sought out by collectors the world over, it is that of Gianfranco Soldera at his Case Basse estate in Brunello. These are simply special wines, the hallmarks here are incredible depth, knockout texture and of course supreme complexity.

Although relatively recent when compared to many in the region, beginning only in the late 1970s, Soldera has earned a reputation for quality that is second to none.

Soldera embodies a rare combination of both modern and traditional techniques.

Green harvesting, sorting tables and then ageing for five plus years in large old Slovenian oak casks. The results are remarkable and almost hard to believe, yet year after year the boundary for quality is pushed to its limits, and they age superbly too.

PINNACLE WINES

(LOTS 39-53)

The wines in this offering were bought by the consignor on release, often directly from Bordeaux and Burgundy. The wines were stored in a subterranean, temperature and humidity controlled, cellar out in the West. Wines tasted from the collection have been pristine, fresh, and delightful!

The wines have never left our consignor's private cellar, from which a team of Zachys' specialists removed the wine over the course of a week. The wines were all transported to Zachys under temperature control.

FINE WINES

The World Over

(LOTS 54-215)

Our favorite thing about this collection is its breadth. What you don't see here, amazingly, is what this client kept—thousands of bottles of his favorites! All of the wine here is just a bit of cellar pruning—the cellar in this case being professional wine storage on the west coast of the United States. This offering truly runs the gamut of wines (especially when you include the online offering) from Aubert to Figeac to Rieussec to Realm, Colgin, Dominus, La Mission Haut-Brion and everything in between. Bid with confidence!

ABREU VINEYARDS

David Abreu could be considered the man with the Midas Touch. He is the vineyard manager to the stars of Napa Valley with clients such as Harlan, Bryant and Grace Family in his portfolio. Besides his work with outside wineries, Abreu vinifies four of his own wines with Assistant Winemaker Brad Grimes from sites considered the grands crus of Napa: Madrona Ranch, Thorevilos, Capella and a Howell Mountain cuvee simply labeled Abreu Cabernet Sauvignon. This varietal is the base of all four blends with additions of Cabernet Franc, Merlot and Petit Verdot with the production of each cuvee about 200-250 cases. Year in and year out the wines, especially Madrona Ranch and Thorevilos, garner perfect or near perfect scores from all of the major wine critics. The wines have an intensity and structure which enable them to be enjoyed now but show that they will endure for those with patience to cellar their bottles. Other than auction, the only way to acquire the wine is from a sold-out mailing list.

BOND

As one can see, the approach here is akin to that of Burgundy. Bond Estate is all about identifying small special plots of land and making the best wine possible from each, thereby showcasing the individuality and terroir. At Bond, there is a fine array of very diverse climates and soils, and it is very interesting to taste these wines side by side to see just what a difference soils and situation make.

As age worthy as any of Napa's greatest Cabernets, these are super serious wines and will give great pleasure over the years and decades to come.

COLGIN

Colgin Cellars was founded in 1992 by Ann Barry Colgin, an expert on fine art whose exposure to fine wine through that rarified world spurred her to create her own world-class wines. With vineyard management by David Abreu and winemaking by Helen Turley, the wine was immediately recognized as a new superstar in Napa, with the debut vintage scored 96 points by Robert Parker. Since then, he has awarded a perfect score of 100 points to three Colgin wines.

Colgin's reputation was originally founded on their Herb Lamb Vineyard Cabernet Sauvignon, made from 1992 to 2007. While that is no longer in the portfolio, Colgin today produces wines from two estate-owned sites and from vineyards owned and managed by Napa legend David Abreu. Two estate-grown single-varietal wines are produced, a Cabernet Sauvignon from the Tychson Hill Vineyard and a Syrah from the IX Vineyard. The other two wines in the portfolio are Bordeaux blends, the estate-grown IX Vineyard Red and Cariad, from Abreu's vineyards.

REALM CELLARS

Realm Cellars boasts an impressive team of highly motivated men and women led by Juan Mercado and winemaker Benoit Touquette. The consulting winemaker is Michel Rolland. Realm accesses some outstanding vineyard sources, particularly those owned by the omnipresent, bigger-than-life force of Napa Valley, Andy Beckstoffer. Fate was not kind to Realm in the beginning with their first vintage, 2003, completely destroyed by a fire in a Vallejo warehouse where it was being stored. But Juan Mercado, a former medic in the first Gulf war, and someone who learned his trade from the likes of Thomas Rivers Brown, Michel Rolland, John Kongsgaard and Les Behrens, stuck with it, and is now producing incredible

wines. These 2012s represent the finest efforts Realm has produced to date. The heart of the Realm philosophy is to access some of Napa Valley's finest vineyards and put together either single-vineyard bottlings or creative proprietary blends. All of these 2012s were outrageously delicious, and I can't recommend them highly enough."

VÉRITÉ

When Jess Jackson brought Bordelais winemaker Pierre Seillan to California in 1998, he believed he had high enough quality vineyards to produce Bordeaux-quality wines with strikingly Californian personalities. He put Mr. Seillan in charge of three separate Vérité cuvees: La Muse, La Joie and Le Désir. La Muse is a Pomerol-styled wine largely based on Merlot blended primarily with Cabernet Franc and Malbec. La Joie was meant to be a Médoc-styled blend of approximately two-thirds Cabernet Sauvignon and the balance Merlot and sometimes tiny percentages of Malbec, Cabernet Franc and Petit Verdot. The third offering, Le Désir, was the St Emilion-styled wine, usually composed of about fifty percent Merlot and the rest lots of Cabernet Franc and a tiny amount of Cabernet Sauvignon. His foresight was realized when in a historic moment, wine critic Robert M. Parker, Jr., of The Wine Advocate recently announced seven 100-point scores for Vérité's three blends, Le Désir, La Joie and La Muse. This is the first time a Sonoma County winery has received this many perfect scores.

An Exquisite

NEW ENGLAND CELLAR

(LOTS 216-338)

Zachys is honored to be offering this selection of wines from a passionate and knowledgeable New England collector. This Oenophile has spent years traveling to France, meeting producers and amassing this superb selection, filled with fantastic wines from Europe's legendary vignerons.

Some of the numerous highlights include ten vintages of Musigny from De Vogüé, five vintages of Clos du Tart and five vintages of Echézeaux from DRC. There is also Richebourg, La Tâche and Romanée-Conti from The Domaine as well as Grand Crus from Drouhin and Meo Camuzet and Clos des Chenes and Clos du Château des Ducs from Lafarge. The whites are just as sensational with Dancer, Dauvissat, Lafon, Ramonet, Raveneau and Roulot. In addition, collectors should take note of numerous vintages of Ornellaia, the Giacomo Conterno, as well as the Dominus and Phelps Insignia.

Zachys has had the pleasure of tasting multiple bottles from the cellar and they have showed brilliantly. From sourcing to storage, these wines have been treated with the utmost care. The bottles were recently removed from a custom-built private temperature-controlled cellar and transported to Zachys warehouse via a temperature-controlled van.

CHÂTEAU D'YQUEM

Château d'Yquem is the apex qualitatively and the centre geographically of the Sauternes area. Each major property occupies its own little hill. Yquem's is the highest. It is also the largest estate, the most perfectionistic, the most consistent. Unlike the rest of the region there was no cutting of corners, no lack of investment, no dip in quality in the sad days of the 1960s and 1970s.

At Yquem we have Sauternes winemaking at its most perfectionistic. The vines are pruned to yield nine hl/ha – one glass per vine (as opposed to a full bottle in a classified growth red wine château). Collection of the grapes is berry by botrytised berry, rather than by bunch or half-bunch elsewhere. The grapes are crushed in a small horizontal hydraulic press in three stages. Unlike in Champagne, for example, the first pressing does not necessarily give the best wine. There is no débourage before the wine is put into cask. Fermentation and ageing is in new oak, of course, the latter taking place in a splendid underground cellar, constructed in 1987. The assemblage is late and the wine is not bottled for three years or more. Only then is it put on the market...

There is something very special, and indeed very consistent, about Yquem. The wine is more oaky than most in its youth. It is by quite some way the richest, most concentrated, most intense wine of its kind. In great years – I have a marginal preference for 1989 over 1990 and 1988 – it is nectar: the liquid quintessence of concentrated sunbeams, to quote Thomas Love Peacock.

DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

ORNELLAIA

"Tenuta Dell' Ornellaia" is owned by Mondavi and Frescobaldi and is firmly established as one of the great Super-Tuscan wine estates. It was set up in 1981 by Marchese Lodovico Antinori, the younger sibling of Piero Antinori using inheritance money from his mother, inspired by the neighbouring Sassicaia estate.

Approximately 70-hectares of wild scrub was cleared in order to create the wine estate, for underneath lay an enticing terroir of well-drained volcanic soils that were ideal for Cabernet Sauvignon and sandy-clayey soils ideal for Merlot (as in Pomerol). In addition, situation next to the ocean in "Maremma", at the heart of Bolgheri, the vines would benefit from the cooling maritime breeze.

Similar to other Super-Tuscans, they eschewed indigenous grape varietal and planted the vineyard with Bordeaux varietals Cabernet Sauvignon (65%), Merlot (30%) and Cabernet Franc (5%). The estate presently covers a total of 91-hectares, including the original vineyard which was augmented by further acquisitions in Bellaria, just north of Bolgheri. Of the 91-hectares, 76 are actually in production, 30 in the original Ornellaia vineyard and 46 in Bellaria where the vines are younger.

Grapes are harvested by hand and collected in 15kg crates with selection in the vineyard and then in the cellar to weed out unsatisfactory berries. The fruit is destemmed and gently crushed after which they are fermented in stainless-steel vats at a temperature regulated below 30°. After a 25 to 30 day skin-maceration, the wine is transferred into oak barriques, 70% new and the remainder one-year old. They spend eighteen months in barrel during which time the malolactic fermentation takes place, with blending at twelve months (after which the wine is returned to barrel.) The wine is raked and fined gently before bottling where it matured for another twelve months. There is a Second wine, "La Serre Nuove" which is selected from barrels during the blending of Ornellaia.

AN OENOPHILE'S RESERVE

(LOTS 339-405)

A longtime Zachys client has decided to part with a slew of vinous treasures from their state-of-the-art professional cellar in the Northeast.

Bordeaux classics like 1982 Lafite lead off, quickly followed by Burgundian heart of this offering. There are cases of Comte Armand from excellent vintages giving way to lovely verticals of Bonnes-Mares and Musigny VV from Vogüé. There's also 1999 DRC and Dujac, and other cases from the tippy top of Jadot's lengthy portfolio. The offering closes out with excellent back vintages of Cali classics like Mayacamas, Phelps, and Ridge!

Provenance and storage here are both excellent as our President Jeff Zacharia can personally attest to, so bid with confidence.

"...It has an exceptional bouquet that here is surprisingly youthful. It comes armed with black fruit, bay leaf, cedar and gravel, almost Left Bank in character. Further investigation yields an intriguing marine-like, seaweed scent that expands upon its engaging personality. The palate is medium-bodied with wonderful balance and fine tannin. COMTE GEORGES DE VOGÜÉ

Delicate, feminine and fragrant, the epitome of finesse: lace, silk and taffeta; violets and dog-roses; raspberries and blackcurrants with a finish of liquorice; amplitude and generosity; intensity without a trace of hardness. All this has been said by those attempting to describe the taste of Le Musigny. Le Musigny consists of two sub-climats, Le Musigny itself and at the same altitude next door to the south, Les Petits-Musigny. The lion's share, more than seven hectares, almost seventy percent, and including the totality of Les Petites-Musigny, belongs to the Domaine Comte Georges de Vogüé. This estate proclaims itself the Domaine des Musigny. The domaine also comprise 2.75 hectares of Bonnes-Mares, located entirely in the southern, Chambolle end of the climat, sixty ares of Amoureuses, 1.80 hectares of Premiers Crus (Baudes and Fuées) and a small parcel of village wine. Wines of the domaine are defined as classy and fragrant, very exciting indeed. The domaine is in good hands. The future is bright.

RIDGE MONTE BELLO

The beginnings of this classic estate date back to 1885 when San Francisco Doctor Osea Perrone bought 180 acres on Monte Bello Ridge in what is now the Santa Cruz Mountains AVA. Vineyards were planted in 1886 and the first wine under the Monte Bello label was produced in 1892 from the upper terrace of vineyards. William Short owned the middle terrace of vineyards on the ridge and sold them in 1959 to three scientists from Stanford University. In 1962 the new owners formed a partnership that became Ridge Vineyards, re-bonding the winery so they could again produce wine for commercial sale. In 1966 Ridge purchased the old Monte Bello winery and a small part of the Perrone vineyard property, and Ridge Monte Bello was born. This wine is made from over thirty parcels from the Monte Bello Vineyard vinified separately. The assemblage is made through a blind tasting selection of each parcel over a number of months, primarily Cabernet Sauvignon with a touch of Merlot and, in some vintages, Petit Verdot. The philosophy is for the wines to be born as naturally as possible, with wild yeasts from the vineyard. The wines are rich and ripe and age gracefully. Paul Draper, CEO of Ridge, has been the winemaker for over forty years. A legacy in his own right, Paul has been named "Man of the Year" by Decanter magazine, received the "Distinguished Service Award" from Wine Spectator magazine, was the first recipient of the "COPIA Award" for winemaking, was named Personnalité de L'Anné by Les Grand Prix Du Vin in Paris and was given the James Beard Award for winemaking.

PIERRE-YVES COLIN-MOREY

Pierre-Yves Colin had been the winemaker at his father's Domaine Marc Colin since 1995 when, in 2001, he decided to strike out on his own with his wife Caroline Morey, first as a micro-négociant operation, focusing on tiny quantities of the finest fruit he could buy. He has since grown his holdings to include parcels in the communes of Chassagne-Montrachet, Meursault, Saint-Aubin and Santenay. His choice to use larger demi-muid barrels and eschew the use of batonnage makes each one of his bottlings a clear expression of its terroir and a study in mineral-driven Chardonnay, producing wine of extraordinary purity, elegance and precision. Pierre-Yves Colin and his wines have quickly become international stars.

SCARECROW

The heart and soul of the Scarecrow cuvee dates back to the late nineteenth century. Born in 1895, J.J. Cohn rose from poverty in Harlem, New York to become the Chief of Production of MGM Studios in California. Cohn purchased a 180-acre estate in Rutherford in the Napa Valley as a retreat for his family. His estate bordered that of the legendary winemaker of Inglenook, Gustave Niebaum. In 1945, Niebaum convinced Cohn to plant eighty acres of Cabernet Sauvignon that he promised to purchase. This would become the base for the distinguished Inglenook Cabernet Sauvignons of the post-war era. It is important to note that these "Old Vines" that are now the hallmark of Scarecrow are still on their original rootstock planted in 1945, unlike most of the grafted rootstock found in Napa that was struck by phylloxera - possibly paying tribute to J.J. Cohn himself who lived to be 100 years old. Paying homage to his grandfather who during his time at MGM was instrumental in the making of film classics such as The Wizard of Oz, Bret Lopez honors J.J. Cohn with the wine that is Scarecrow.

VINOUS TREASURES

from an East Coast Oenophile

(LOTS 453-497)

Zachys is honored to be offering this spectacular selection of wines from a longtime friend and passionate collector. All of the wines available were bought in the year released and acquired from only the finest sources, always with a focus on Burgundy and Italy. White Burgundy lovers will immediately be drawn to the multiple vintages of Corton-Charlemagne and Meursault Perrieres from Coche Dury as well as the fabulous offerings from Lafon, Raveneau and Roulot. The reds are similarly impressive with Bizot, De Vogüé, Leroy, and Lignier all present. Other highlights include wonderful bottles of Burlotto, Conterno, Mascarello, and Chave, including Ermitage Cuvée Cathelin 1995 and 2000.

This collection is only a small part of what was bought, as much has been consumed over the years. Every bottle has been stored at 55 degrees in a purpose-built refrigerated room and is the property of an East Coast Gentleman.

JEAN-FRANÇOIS COCHE-DURY

Jean-François Coche's name is now murmured with the same respectful awe that is reserved for Henri Jayer. In many ways, he wears a mantle in the pantheon of white Burgundy winemakers that Monsieur Jayer wears amongst the red winemakers. From three-starred Michelin restaurants to the auction floors of New York and London, it is the white wines of Monsieur Coche that are the most ardently sought after. For those Burgundy lovers lucky and clever enough to secure bottles of Coche-Dury wines, the treasures that they are able to lock away in their cellars are a fine hedge against the vagaries of growing old. The white Burgundy crown that rests so easily on the head of Jean-François Coche is a rather remarkable achievement, when one pauses to consider his rather meager vineyard holdings versus the scores of white wine-producing domaines whose holdings are chock full of Grand Crus and illustrious Premier Crus.

The two crown jewels amongst the white wines in the Coche cellar are the Meursault "Perrières" and the Corton-Charlemagne. The Corton-Charlemagne's first release was the 1986 vintage, and it is as fine a bottle of Corton Charlie as one can ever hope to find. It is very slow to unfold, and in any top vintage requires a minimum of ten years of bottle age to really blossom and begin to drink well.

The Coche-Dury Meursault "Perrières" is the other twin titan in the cellar. Many Burgundy lovers, often over a glass of inspired Côte d'Or rouge or blanc, like to banter about which vineyards are worthy of promotion in the appellation contrôlée system if the French were ever to open up the Pandora's Box or reclassification. Almost universally, the vineyard of Meursault "Perrières" is mentioned as clearly worthy of Grand Cru status. If one were to choose and example of why this is the case, one could do no better than a bottle of Coche-Dury Meursault "Perrières". This is a complete wine that quite easily rivals the quality of the Corton-Charlemagne in the cellar. In some vintages the Corton looks to be the better of the two, sometimes the Meursault "Perrières". But in virtually every vintage the Meursault "Perrières" is a long-lived wine of uncompromising brilliance, and well worth the price of admission. There are not many Bâtard-Montrachets or Chevalier-Montrachets that I would trade even up for a bottle of Coche-Dury Meursault "Perrières".

A GENTLEMAN FARMER'S PRISTINE COLLECTION OF NEW WORLD AND OLD (LOTS 498-554)

After achieving success in the rat race of the big cities on both coasts, this kind consignor is living out the not-so-secret dreams of us still with our feet firmly on concrete as he has built both a home and cellar nestled in the vines of wine country. Like the collector himself, this cellar is impressive, eclectic, wide-ranging and in great shape. From mags of Ausone to verticals in case quantities of MacDonald, this offering has something for everyone. Magnums from the world over, ranging from an incredible rare bottle of 2009 Le Pin to the sleeper hit '89 La Chapelle to Vega and Harlan, are here for the celebratory dinner. There's much more behind this offering and each bottle was carefully chosen for this consignment.

All wines were sourced from impeccable retailers and winery-direct over several decades. The wines have been stored in a gorgeous home cellar, custom-built with a backup generator under a constant 55 degrees and 70 percent humidity. We've been lucky enough to share several bottles from this fantastic collection, bid with confidence!

CHÂTEAU LAFLEUR

Originally part of the Le Gay estate, Lafleur is owned by the Robin family, also owners of Le Gay until 2002. Today Lafleur is managed by Jacques Guinaudeau, a cousin of the owners. The vineyard is just 200 meters from Petrus and although gravelly in appearance, the soils do contain a fair amount of clay. The vines here are fairly old, having largely avoided the 1956 frost, and the yields are low, just twenty-six hl/ha. The grapes are total destemmed, and the wines spend roughly sixteen to twenty months in fifty percent new oak barriques.

This is an extremely rich and heady wine, like liquid velvet, big and muscular when young, but mellowing wonderfully in time. Unfortunately for the many fans of Lafleur, production is a meager 1000 to 1200 cases a year.

SCREAMING EAGLE (LOTS 565-568)

The title says it all: 3-packs of Screamer from the winery's mailing list! A no-brainer if there ever was one.

CALIFORNIA

SCREAMING EAGLE

It's rare. It's expensive. And there's a mystique about it. But Screaming Eagle Cabernet Sauvignon is no pretender. It's the real thing, and it deserves to be considered among Napa Valley's prestige wines...

You can't make wine this magnificent without fabulous grapes, and Screaming Eagle clearly comes from a spectacular vineyard...on the east side of Oakville, near the Oakville Crossroad...While ripening Cabernet (and smaller amounts of Merlot and Cabernet Franc) is routinely easy in this area, one of the trademarks of Oakville Cabernet is that the wines often display an herbal quality that manifests itself in a variety of subtleties, including hints of anise, sage, dusty berry, cedar and occasionally a whiff of new leather and tar. You find these shades of herb in Cabernets like Heitz Martha's Vineyard (grown on the west side of Oakville), with its signature minty currant personality, or Groth, which is one of the cooler sites on the valley floor. Screaming Eagle captures the best of all these elements. It also epitomizes exquisite balance, managing both to be enormously complex and concentrated, yet elegantly styled, with a smooth, polished texture.

JL CHAVE

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard cuvees are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

The Hermitage Rouge is made of 100 percent Syrah while the Blanc is generally eighty percent Marsanne and twenty percent Roussanne. In vinification, contrary to modernist techniques once again, Chave eschews new oak, using only ten percent for the Rouge and mostly old oak and stainless steel for the fermentation and aging of the Blanc. The white Hermitage has the texture and richness of a great white Burgundy with immense complexity and the ability to age substantially. When serving the Blanc, Jean-Louis advises that they are not chilled too much, and are always decanted for a short period. The Rouge is a highlight.

END OF SALE

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Europe Limited in respect of auctions which are conducted from the United Kingdom; (ii) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (iii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (▼) next to the lot title.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026 or +852.2530.1971 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at +1.914.874.8034 or +852.2530.1971.

All bidders who wish to attend the live auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre-Registration Form is provided in this catalog or at auction.zachys.com. Complete and either fax the form to +1.914.313.2350 or +852.3014.3838 or email the form to bid@zachys.com or asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. Subject to the section headed "Right of Cancellation" in the Conditions of Sale (in the case of consumers only), for all Zachys live and online auctions, all bids are final and will not be cancelled.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

Online Bids

Live auctions will open for bidding on our website at www.auction.zachys.com approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

There are two ways to bid online: (i) submit the starting/next bid or (ii) submit a maximum bid. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

Prospective Buyers may also bid during the live auction on our website at www.auction.zachys.com.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at www.auction.zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Telephone Bids

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above US\$2,000, HK\$16,000 or GBP£2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Bidding in Online Auctions

Bids can be submitted anytime during the course of an online auction on our website at www.auction.zachys.com.

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid.

To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

Taxes

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax which shall (if required) be payable by the Buyer at the appropriate rate. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number.

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Such lots are identified in the catalog by the symbol (▣) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

Payment for all invoices is due immediately upon receipt.

For zCollections purchases, Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases, Zachys will auto-charge the credit card on file for invoices up to US\$20,000, HK\$150,000, or GBP £15,000 within 48 hours of the sale close. American Express cards may be charged the full invoice amount without limit.

In respect of all other purchases, buyers are expected to pay for purchases within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due. All amounts remaining due after this 14 or 7 calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21 calendar-day period. All payments are made on account until all invoices and all balances due are paid in full.

For US auctions, payment is accepted in United States Dollars.

For Hong Kong auctions, payment is accepted in Hong Kong Dollars.

To request payment in another currency, contact Zachys at +1.914.448.3026 or +852.2530.1971. Zachys, in its sole discretion, shall determine the currency exchange rate.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction.

Payment can be made by credit card, check, money order, or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

Payment by Credit Card

All charges are subject to acceptance by Zachys and the applicable credit card company. Zachys will accept Visa, MasterCard, American Express, Discover and Union Pay. Payment can be made via phone by calling +1.914.448.3026 or +852.2530.1971. For live auctions, the maximum amount allowed to be charged on credit cards is limited to HK\$150,000, US\$20,000 or GBP£15,000 per auction, with the exception of payments via American Express which has no limit.

Zachys reserves the right to charge Buyer's credit card and to immediately assess a 3% late penalty charge, should payment be past the due date, notwithstanding that the amount of such charge may exceed HK\$150,000, US\$20,000 or GBP£15,000. Zachys reserves the right to charge Buyer's credit card and to immediately assess the relevant late payment charges set out above, should payment be past the due date, notwithstanding that the amount of such charge may exceed the maximum amount.

When making payment via UnionPay, winning bidder must sign the auction invoice and acknowledge that possession of the wine has transferred from Zachys at time of payment. Signature must be same as the one signed on payslip.

Collection & Delivery

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products.

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1 This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog, and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

The previous sentence does not apply to the sale of goods acting as consumers in the United Kingdom – Zachys is under a legal duty to ensure that such goods are in conformity with their description. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit

or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

2 The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3 Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4 Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5 In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6 Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7 Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information.

8 The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9 No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

10 Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

11

If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of

delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

16a

For auctions that are held not in Hong Kong, the District of Columbia or the United Kingdom, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the State of New York. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the State Courts of, and the Federal Courts sitting in, the State and County of New York. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund

of the original Purchase Price paid for the lot.

This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16b

For auctions that are held in Hong Kong, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the Hong Kong Special Administrative Region. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the Courts of Hong Kong Special Administrative Region. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16c

For auctions that are held in the District of Columbia, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and interpreted in accordance with the laws of the District of Columbia. By participating in an auction, whether present in person or by agent, by absentee bid, telephone bid, internet bid or other means, Buyer shall be deemed to have consented to the exclusive jurisdiction of the District of Columbia courts and the United States District Court for the District of Columbia. For such auctions, Buyer's sole and exclusive remedy against Zachys and/or the Consignor for any dispute or injury related to the auction or the property listed in the catalog shall be the rescission of the sale and the refund of the original Purchase Price paid for the lot. This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong and English law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Zachys makes no representation, and assumes no obligation, as to the legality of shipment of alcoholic beverages into any jurisdiction. Zachys urges all Buyers to investigate and understand the wine shipping laws and regulations of the jurisdiction to which they intend the wine to be shipped prior to the purchase of wines at auction. The protection afforded by the Shipping Protection Fee does not cover confiscation by any government or law enforcement agency as a result of alleged violations of applicable laws by Sellers or Buyers.

Delivery Charges

Please email asia@zachys.com or give us a call at 852.2530.1971 for local and overseas delivery costs.

Consolidated Shipments

Zachys offers consolidated shipments between Port Chester and Hong Kong several times a year. Please contact us for more information.

Special Notices:

Split lots are available upon request for a fee.

Delivery charges will include any applicable tax, duty, tariffs, or other fees as required by laws. Buyers are responsible for import tariffs at the destination country.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.

Zachys is not responsible for any acts or omissions of any shipper with whom Buyer, not Zachys, has made arrangements to pack, ship or deliver purchased lots, including, without limitation, any packing, shipping or delivery of purchased lots

Adult signature is required for all shipments.
