Fine & Rare Wines & Spirits

The June sale, and it's a great one!

The sheer breadth and depth of this auction is astounding. From the rarest of the rare (jeroboam of Romanée-Conti, anyone?), to fascinating glimpses into the past (1795 Terrantez, say, or 1941 Único), this auction is a true wine lover's delight.

Whether you're diving into the utterly pristine OWCs from the Executive Cellar, or you're bidding on Leroy and d'Auvenay direct from Martine's, or you'd like a little Selsos or Dom Pérignon for summer, we've got a bit of everything here.

I'd be remiss if I didn't point out the spirits at the end of the sale, too. Our spirits offerings have grown exponentially over the past few years and this sale has some real rarities. Like the Macallan Royal Marriage bottle, and a few very cool offerings of Romano-Levi Grappa, which may very well be making their first hand-labeled appearance in a Zachys auction. There's also Karuizawa, which is a regular in our Hong Kong sales, but rarely seen in the US auctions, and plenty of Pappy to go around. There's Old Rip Van Winkle, Hardy Perfection, Erte Cognac, and we finish off the sale like you should always finish a good meal: with an old Chartreuse.

Please don't hesitate to reach out to me or my team if you have any questions about this auction. We've also got an amazing July auction in the works, and we will be back at Le Bernardin this September: so mark your calendars.

If you'd like a free appraisal of your collection, email us at Consignments@zachys.com and we'll set it up. We're still setting world records every auction for the rarest wines in the world.

Cheers!
Jeff

BORDEAUX

CHÂTEAU CHEVAL BLANC

Cheval Blanc has a relatively short history compared with the other top-rank châteaux of Bordeaux. As recently as the 1830s it was still a part of Figeac. A portion of that estate was sold to the Ducasse family, then owners of L'Évangile, and by twenty years later, when a Ducasse married a Fourcard-Loussac, the property was already some thirty-one hectares in size. The estate remained with the Fourcard-Loussac family until part of it was sold to Bernard Arnault and his company, LVMH, in 1998. Today, along with Château d'Yquem, it is fully owned by Arnault and managed by the dynamic Pierre Lurton.

Cheval Blanc, across the road from Pomerol, has distinctive soil makeup: about twenty percent sand, forty percent clay and forty percent gravel. In the gravelly and sandy areas the roots have to work hard to stay alive and often reach depths of seven to eight meters, compared with two to three meters in the clay areas.

CHATEAU
HAUT-BRION

CHÂTEAU HAUT-BRION

Haut-Brion has the longest history of all the First Growths. It was even mentioned by Samuel Pepys in his diary entry of April 10, 1663, when he was dining at the Royal Oak Tavern in Lombard Street, London: "...and here drank a sort of French wine called Ho Bryan that hath a good and most particular taste I never met with."

The famous Pontac family set up the estate in the first portion of the sixteenth century. Wealthy and well connected, they had the means to promote the wine in fashionable places, and by the early 1700s it was as well known as a wine of the highest quality.

While parts were split off, the estate stayed with the family until it was passed to Joseph Fumel in 1780. He was largely responsible for creating much of what we see today, including the buildings, the gardens and the general layout of the property. He famously hosted a visit from Thomas Jefferson on May 25, 1787, and became Mayor of Bordeaux three years later.

With its popularity waning under a succession of different owners, the estate was finally put up for auction in 1836, where it was purchased by the Larreau family. Two years later, in 1838, they managed to acquire a further piece of the estate previously lost through inheritance laws.

Although it was included as a First Growth in the 1855 classification of Bordeaux, difficult times lay ahead. A further succession of owners and the depression of the early 1930s forced another sale. This time, successful American financier Clarence Dillon stepped up, and for a little under \$200,000 walked away with the estate. It remains in the Dillon family today.

Vineyards, Winemaking and the Delmas Family

No discussion of the wines of Haut-Brion can be complete without a mention of the Delmas family, who have managed the property since 1923—first George Delmas, then his son Jean-Bernard, and today Jean-Philippe. It is not only unusual but also massively fortunate for Haut-Brion to have the care and attention of such a talented family of technical directors.

Jean-Philippe Delmas is a clever, tirelessly devoted man, and the solid support and financial backing of the Dillon family has enabled him and his team to produce an extremely consistent wine. I always look forward to visiting Château Haut-Brion, not just because the wines are superb and the people great, but also because it is unique and has an important place in the history of Bordeaux.

CHÂTEAU MARGAUX

Perhaps the grandest of the Bordeaux châteaux, Château Margaux is the epitome of style and refinement. At Château Margaux one has truly arrived at the heart and soul of Bordeaux, the world's most renowned wine region.

For centuries before the French Revolution, the château was owned by the Lestonnac family. The revolution, though, saw the estate's owners beheaded, and when the heirs were unable to pay the costs of running the château, Margaux was put up for auction.

The successful bidder, the Marquis de la Colonilla, demolished the old château, and in 1802 work began on the grand château we know today. The Château was sold several times until it was acquired by the Ginestets, longtime shareholders who finally became sole owners in 1949, with the purchase financed by the sale of their St Emilion property, Clos Fortet. However, First Growth châteaux are expensive to run, and to finance the operations of the estate, the owner sold off the vineyards of Dufort Vivens in the 1960s and transferred Cos d'Estournel to his sister in 1971. Even those moves, though, were not enough, and collapse of the Bordeaux market in the early 1970s forced Ginestet to sell the château in 1976 to Greek supermarket magnate Andre Mentzelopoulos. A serious oenophile, he was also a major shareholder in the French wine firm, Nicolas.

CHÂTEAU LÉOVILLE LAS CASES

The château gets its name from the Marquis de Las-Cases Beauvoise who, upon the dividing up of the vast Léoville estate, ended with the largest portion. Hugh Barton bought a quarter, Baron Poyferré (a relative) ended up with another quarter, and the remaining half went to the Marquis.

As debt accumulated during the earlier part of the twentieth century, the estate was gradually acquired by its then manager, Theophile Skavinski. Jean-Hubert Delon, the estate's present owner, is one of his descendents.

The Wine

Although there are nearly 100 hectares under vine here, it is the fifty-three hectares of Grand Clos with that famous wall and arched entrance that is the primary source of fruit for the grand vin. The vines are planted to seventy percent Cabernet Sauvignon, seventeen percent Merlot and thirteen percent Cabernet Franc. Ageing is in sixty-five percent new oak barriques for fifteen to eighteen months, which just goes to show you don't need three and a half years in 100 percent new oak to make great wine. The second wine, Clos du Marquis, was one of Bordeaux' first when the 1902 vintage debuted.

These are serious wines, as good as any in the Médoc and in many years outperforming its second growth status. This estate could be called "the Latour of St Julien," which is actually not very far from the truth as it does reside right next door to the First Growth!

HUNDRED ACRE

Proprietor Jayson Woodbridge makes some of the most unique, deeply personal wines in Napa Valley. Very late harvests and minimal intervention in the cellar, including no rackings until bottling, are just some of the choices that inform these wines. Woodbridge's vineyards are in St Helena (Kayli Morgan), the lower part of Howell Mountain (Ark) and Calistoga (Few and Far Between). Woodbridge is less reliant on outside consultants than many of his colleagues, so the wines bear very specific signatures that are unlike those of other wines being made in the Valley. The late harvests give the wines super-ripe fruit that can at times veer towards sweetness, but it is the extreme silkiness and finesse of the tannins that differentiates these wines. Woodbridge believes wines must be ready to go upon release and frowns upon decanting or advance aeration, which he doesn't think should be necessary. As outstanding as these wines can be upon release, the reality is that the wines have also proven to age exceptionally well.

CHATEAU LA MISSION HAUT-BRION

Although the histories of Château Haut-Brion and La Mission are entwined, both have always been separate entities, sharing a common family name. It is only since 1983 that they have shared the same proprietor when it was taken over by the owners of Haut-Brion...

On November 2nd 1983, the present owners acquired La Mission after the owner Francis Dewavrin was unable to resolve internal family disputes over the way the property was managed and it marks a convergence of histories between Château Haut-Brion and La Mission, though only in the sense that they share the same owner: Clarence Dillon. He enlisted Jean-Bernard Delmas as Château-manager and there followed a period that has consolidated La Mission's position as one of the greatest estates, hovering just outside the First Growths.

Their commitment to innovation and improvements has been a catalyst for many estates in the Graves region to improve their wines, particularly with respect of clonal selection research. In 1987 the old chai was renovated, a new state-of-the-art cuvier was installed and a new bottling line was implemented in 1996. It must be emphasized that the estates are treated as separate entities, even though at some point the vines of both run side-by-side. In 2003 Jean-Bernard retired and handed the reins over to his son, Jean-Philippe Delmas.

The Wines

Certainly since the arrival of Jean-Bernard Delmas the style of wine has improved: the wine is more pure and the volatile acidity has been eradicated. At its best (the 1966, 1975, 1998) La Mission is a massive, tannic behemoth that has more in common with Château Latour than Château Haut-Brion. It is a powerful, sturdy wine with firm tannins and admirable longevity...

This is definitely one of the most intriguing wines in Bordeaux: the appeal of La Mission is that it seems to avoid the vagaries of wine-making trends and wears its heart on its sleeve. This is a classic wine in every sense of the word and it can make a seamless match with food. A poor La Mission is still a better wine than most; a good La Mission is a great wine and a great La Mission can be a religious experience. I have met few wine-critics who do not hold this estate in high esteem: it is a wine for true wine-lovers.

DOM PÉRIGNON

Dom Pérignon - the name alone makes most of us break out in a delightful smile. When we think of this 17th-century monk from Hautvillers - so often pointed out as the father of Champagne - we either regard him with historical reverence, or associate his name with the proudest of all wine labels and everything else that follows in its glamorous, sparkling wake...

Back in 1936, Moët & Chandon's marketing director Robert- Jean de Vogüé could not possibly have imagined what he had done when he dreamed up the idea of the world's first prestige champagne - a champagne with a sky-high price that was supposed to be even better than the vintage wine, along with a spectacular look that won respect and prompted extravagant enjoyment...

The style itself is ultra-sophisticated, with an amazingly silky softness combined with toasted fireworks, backed up by an exotic fruitiness in a medium body. When Dom Pérignon is at its best I find notes of forest morelles, cream, peach and an overabundance of roasted coffee beans and nuttiness. Dom Pérignon Rosé is an even more exquisite and rare product that has been molded in a similar form,

though its full-bodied shape leans more to strawberry or orange, where the whiter somewhat lighter variety becomes exotic and toasted. Dom Pérignon Oenothèque is the latest child in this distinguished family. At Richard Geoffroy's initiative they now release a restricted number of old, well-preserved bottles from Moët's own cellar in different stages of maturity. The wine can be newly disgorged, but it isn't a fixed thing. What is guaranteed, however, is that the wines are in the best possible condition, and that they most likely will act a little more youthfully than the bottles that have been out on the market for a while. This treasure is now decorated with a luxurious black label in unmistakable style.

And speaking of style...In an age when PR people constantly want to minimize labels and change both bottle design and packaging, Dom Pérignon stands there like a Sophia Loren of the champagne world, unchanged and as timelessly sexy. The balance conveyed in the subtly curvaceous shape of the bottle, paired with an olive green label in the shape of a coat of arms adorned with cursive writing, is still as magical as ever. Since 1970 the wine itself is made exclusively in steel tanks and the grapes are mainly Pinot Noir from Aÿ, Bouzy, Verzenay and Hautvillers, as well as Chardonnay in approximately equal amounts from Cramant and Mesnil.

Pristine LA ROMANÉE LIGER-BELAIR

(LOTS 153-156)

The following lots were all sourced directly on release and stored in a state of the art, temperature and humidity-controlled wine cellar. These bottles are pristine with perfect provenance.

BURGUNDY

LIGER-BELAIR

The current Domaine du Comte Liger-Belair was founded by Louis-Michel Liger-Belair only in 2000, but Liger-Belairs have been growing wine in Burgundy for nearly two centuries, since General Louis Liger-Belair purchased the Château du Vosne in 1815. Over the next century the domaine grew through marriages and purchases until it included the monopoles of La Romanée, La Tâche and La Grande Rue, and substantial holdings in many of the other greatest vineyards of the Côte de Nuits. Unfortunately the passing of Comte Henri Liger-Belair in 1924 and his widow the Comtesse in 1931 meant that the estate was to pass equally to their ten children, and the law of the time provided that for any of the heirs to receive their portion in land rather than cash, all must have reached legal adulthood. Two had not, and when three of the other siblings did not want to wait to receive their inheritance, there was no choice but to put the entire domaine up for sale.

At that auction, Louis-Michel's grandfather Comte Michel and one brother joined to purchase what they could, and walked away with three pieces of vineyard land in Vosne-Romanée, the monopole La Romanée and parcels of Reignots and Chaumes. The wines were released under the names of various negociants until Louis-Michel began to take back vineyards to produce the wines himself. He continues to refine his practices, most recently with a complete conversion to biodynamic farming and to gentler presses, which he believes has improved the quality of the tannins, and has in just a decade solidly re-established the Liger-Belair name as one of the most reliable producers of top class Burgundy.

MARTINE'S WINES

IMPORTER & WHOLESALE
SINCE 1979

(LOTS 157-169)

The following consignment is a Burgundy-chaser's dream: Domaines d'Auvenay and Leroy, the best vintages and vineyards, and from the best provenance out there: direct from the US west coast importer, Martine's Wines.

Founded in 1979, Martine's has been celebrated over the decades for introducing the American market to some of the top wines in the world: dozens of them, really, but Château Rayas, Château Lafleur, Domaine Dugat Py, Domaine Mortet and of course Madame Leroy come to mind.

These selections from the early and mid-2000s were purchased by the importer directly from the Domaine over the last decade and have not moved from the company's storage since.

There is no greater opportunity to buy the best d'Auvenay and Leroy on the market today—there simply is no better provenance.

BURGUNDY

DOMAINE LEROY

How do you determine great? Is it size? Is it quality? Is it price? Is it 'reputation' (whatever that is)? Is it the amount of media coverage? However you do compute it, the greatest domaines of Burgundy today must be those under the control of Lalou Bize: the Domaine Leroy and her own Domaine d'Auvenay. The estates of Jadot, Faiveley and Bouchard Père et Fils are far larger, that of Romanée-Conti the most splendid in terms of the percentage of Grand Cru terroir, but for the nobility of its wines, pride of place must go to Leroy and to Domaine d'Auvenay. The sheer concentration, depth and intensity Lalou Bize manages to squeeze into her bottles is breathtaking. Lalou, born in Paris, was brought up in Meursault, in the mansion today occupied by her daughter Perrine. "From the word go I was fascinated," she says. "I was a cellar rat, watching and helping the cavistes rack the wines, taste them, bottle them. My mother kept calling me to come out of the cellar and play with my friends like a normal schoolgirl, but as soon as I could I crept back." In 1955 she persuaded her father to let her take over. She was twenty-three. "He gave me carte blanche," she says. "I started as I meant to go on. I bought finished wine, and only that which pleased me."

Lalou is now happy at the Domaine Leroy and on her own. "Look at my vines," she will say. "Look how healthy and comfortable they are." And, being Lalou, she will not fail to point out a neighbor's plot of excessively abundant, uncontrolled growth. "And come and taste the wine." Lalou's wines, according to her, are always 'extra'. The one-time cellar rat is now a master in her own right, and the wines she produces are triumphantly brilliant.

DOMAINE D'AUVENAY

Domaine d'Auvenay is the personal domaine of Lalou Bize-Leroy. When we think of Domaine Leroy, we think of tiny quantities of some of Burgundy's greatest wines. At Domaine d'Auvenay the quantities are microscopic, the quality just as high. The estate's entire holdings are around just four hectares. Even by top end Burgundy standards it is tiny. However since she first established the Domaine in 1989 it has gone on to become the stuff of legend among Burgundy collectors and connoisseurs the world over.

These are ultra-rare and the best of the best, no serious cellar is complete without them.

BURGUNDY

ARMAND ROUSSEAU

One will get little argument to the assertion that Domaine Armand Rousseau is the finest estate in Gevrey-Chambertin...

The vintages of the 1980s and 1990s at Domaine Rousseau have produced one of the greatest runs of profound Burgundy ever witnessed by any estate in the region, with the domaine producing legendary efforts in the widely recognized great years of the span from 1985 to 1999. Their two flagship bottlings of Chambertin and Chambertin "Clos de Bèze" have always ranked amongst the top dozen wines to be found in these vintages.

Of the two Grand Crus at the pinnacle of the brilliant portfolio of Rousseau wines, the Chambertin "Clos de Bèze" tends to be the more exotic and spicy of the two wines, with glorious fruit tones of black cherry, plum, blood orange often augmented by notes of Gevrey's grilled meat, chocolate and exotic spices. The Chambertin is typically the slightly slower wine to unfold, with a more understated profile of plum, red cherry and strawberry, coupled with notes of cocoa powder, coffee, grilled meats and violets...impeccably balanced, tangy and never come across as over-oaked. They are amongst the very greatest red wines to be found in the world.

(LOTS 198-358)

From a dear friend of Zachys comes a phenomenal selection of rare wine, mainly Burgundy, and complemented by a single-owner net sale (June 15-26, mark your calendars).

This offering features the greatest Burgundy in the world: various Bizot holdings, Rousseau Chambertin and Clos de Bèze from several recent vintages, 2013 and 2014 Musigny from Mugnier, 2008 Selse, Chambolle-Musigny les Feuselottes from Tremblay, Arnaud Ente, d'Angerville, a boatload of Roulot, Roumier, Lafon, Cathiard, Lamy-Caillat, Prevost, Soldera, and many, many more.

This offering reads like a who's who of the greatest wines of the world, and especially in Burgundy. It's almost as if the consignor had a crystal ball a half decade ago and got in on the ground floor with producers who would become the most celebrated in their individual communes.

The June 15 online auction is no different, but ranges further to include wines from Keller, Guillaume Selse, Faure, Moreau, Cedric Bouchard, Allemand, PYCM, Pepe, Accomasso and many more.

A note on the provenance: you would be hard pressed to find a collection with better provenance. The consignor has had the good fortune to source the vast majority of the wines in this collection, certainly those with vintages the last 15 years, from the producers themselves.

The wines have been in temperature-controlled storage since being released from the wineries.

Bid with confidence.

DOMAINE BIZOT

Even though Jean Yves Bizot only has about 8 acres under vine, his wines have become a global phenomenon. The Domaine makes pinot noir from miniscule plots in Vosne-Romanée and Echézeaux, with grapes that are fermented in whole clusters and are not de-stemmed or pressed. The wines are enormously perfumed and are truly one of a kind. Domaine Bizot makes fewer than 1000 cases per year.

DOMAINE DUJAC

This domaine was founded in 1968 by Jacques Seysses and currently comprises approximately fifteen hectares. Winemakers Jeremy and Diana Seysses have been at the helm of the Domaine since 2001. They believe that the success of their wines lie in the team effort at the Domaine from their Chef de Culture in the vineyard, Lilian Robin, to Jeremy's brother, Alec, and father, Jacques, who contribute in the cellar. In 2009, the Domaine began its conversion to total biodynamic farming practices. The Domaine chooses to emphasize intensity over power and prides itself on producing individualistic wines that are elegant, delicate, and complex.

GEORGES ROUMIER

The domaine was enlarged a number of times since its inception in 1924, with Georges acquiring a bit more Bonnes-Mares in 1952, as well as two parcels of Clos Vougeot in the same year. In 1953 the Roumiers also purchased the monopole Premier Cru Morey St Denis "Clos de la Bussierre." In 1968, Jean-Marie's wife, Odile Ponnelle, purchased a tract of unplanted Corton-Charlemagne, which was subsequently committed to vine and the first Roumier Corton-Charlemagne was released in the 1974 vintage. In 1978 the domaine finally purchased the small slice of Musigny that they had been sharecropping since the mid-1920s.

Domaine Georges Roumier is one of my favorite domaines in all of the Côte d'Or. In my personal cellar, by quite some margin, I have more Roumier wines than from any other producer. I find them to be extremely reliable for cellaring, and to deliver at their apogees all the majestic complexity for which Burgundy is rightly renowned. Out of the blocks they are not the typically delicate style of Chambolle, but rather wines that are full and well-structured in their youth. For young Chambolles they are atypical, but within the fullness of time, they develop all the silk and perfume for which the wines of this village are so rightly cherished. From the superbly crafted Chambolle-Musigny village bottling that I buy in depth in every vintage to the lonely bottle of Roumier Musigny, these are among the greatest wines that I have in my cellar, and bottles that I look forward to growing old with comfortably.

JF MUGNIER

For such an important domaine, which in addition to its 1.37 hectares of vines in Musigny proper, also possesses significant holdings in Bonnes-Mares, Chambolle-Musigny Premiers Crus Les Amoureuses and Les Fuées, as well as a monopole on the fine Nuits St Georges Premier Cru of the Clos de la Maréchale... Jacques-Frédéric's great-great-grandfather, Frédéric Mugnier, had been a merchant of spirits in Dijon in the middle of the nineteenth century, and as his business in Dijon prospered, he was able to buy his parcels of vines in Chambolle-Musigny and Nuits St Georges during the nadir in fortunes of the area brought about by the phylloxera epidemic.

The Mugniers added to their vineyard holdings in the area when they bought the Château de Chambolle-Musigny in 1889 (also from the Marey- Monge family), though the house was used primarily as an occasional retreat from the city for the family for many, many years to come, with no one from the Mugnier family settling down in Chambolle until today's proprietor, Jacques-Frédéric Mugnier returned to Chambolle from overseas in 1984. As he relates, "my family were people from the city" so it is not surprising that "I am the first one to live permanently in this house." During the 1920s, the family business was run by five grandsons of Frédéric Mugnier (who had passed away in 1911), with James Mugnier officially in charge of the wine side of the business and the vineyards. Of these five grandsons, only one, Jacques Mugnier, ever married and had children, and it is from this grandson of Frédéric Mugnier that today's proprietor, Jacques-Frédéric Mugnier is related. Making wines of purity and grace, JF Mugnier is surely one of the most sought after producers in all of Burgundy.

DOMAINE ROULOT

For more than 170 years Domaine Roulot has been an important presence in Meursault. But it was only in the 1920s and 30s that the family, led by Paul Roulot, became grape growers as well as winemakers and distillers. The Domaine as we currently know it was founded by Guy Roulot in the late 1950s and is now run by his son and daughter. The Domaine is comprised of about 11 hectares in the communes of Meursault, Monthélie and Auxey-Duresses. The vineyards are farmed following organic and biodynamic principles. Jean Marc Roulot, a classically trained actor and the current winemaker at Domaine Roulot, has turned this Domaine into one of the most revered of the region. The wines are exceptionally terroir expressive, pure and elegant.

SELOSSE

Anselme Selosse's parents first made wine in 1964. Ten years later, it was Anselme's turn. From 1996, the vineyards are biodynamic. But in 2002, Anselme distanced himself from biodynamics, not wanting to influence nature in anyway. The practices of Masanobu Fukuoka and permaculture were foremost in his wine, and he began to only pay attention to the vines. For the last twenty years, the Selosse family has developed its own system of viticulture which is an approach that follows no set method, but rather permanently adapts itself to the circumstances confronted throughout the growing season in the various vineyard plots. As the time draws near to pass the torch at Domaine Jacques Selosse, Anselme and Corinne's son, Guillaume, has, since 2012, been preparing to follow in his father's footsteps. During the time spent working side by side with his father, he has naturally been developing his own viticultural skills and inclinations which will most certainly lend a unique identity to the wines in the future. Over the years, Selosse has become the most sought after Champagne in the auction market.

SOLDERA

In Brunello di Montalcino one name more than any other is sought out by collectors the world over, it is that of Gianfranco Soldera at his Case Basse estate in Brunello. These are simply special wines, the hallmarks here are incredible depth, knockout texture and of course supreme complexity.

Although relatively recent when compared to many in the region, beginning only in the late 1970s, Soldera has earned a reputation for quality that is second to none.

Soldera embodies a rare combination of both modern and traditional techniques.

Green harvesting, sorting tables and then ageing for five plus years in large old Slovenian oak casks. The results are remarkable and almost hard to believe, yet year after year the boundary for quality is pushed to its limits, and they age superbly too.

IMPECCABLY SOURCED AND SELECTED WINES

from a Longtime Friend of Zachys

(LOTS 359-417)

The sixty lots up next come to us from a decades-long collector, connoisseur and friend of Zachys. This gentleman has impeccable taste and doesn't hesitate to open great wines for every occasion. The selection we have on offer here focuses on the best vintages of the past twenty-five years, from top producers in Bordeaux, Burgundy, the Rhône Valley, Champagne, Napa and Australia. Nearly all of these wines are presented for bidding in case quantity and original packaging.

Highlights include Faiveley's Clos des Cortons and Mazis-Chambertin from the stellar 2010 vintage, multiple vintages of Bollinger Grande Année Rosé in bottles and magnums, Taittinger's Comtes de Champagne Blanc de Blancs AND Rosé 2006, and recent California superstars Dominus 1994 and Ridge Monte Bello 2010.

This consignor's purchasing philosophy is to buy on release, in original packaging, and control the shipping aspect to ensure the wines are always in temperature-controlled environments. Therefore, the majority of these wines were sourced either from local retailers, primarily Zachys, or kept in bonded warehouses. This collection has always been maintained in a combination of professional storage facilities and custom-built, climate-controlled home storage. Bid with confidence – this is A+ wine in superb condition!

BURGUNDY

BOUCHARD PÈRE ET FILS

Bouchard Père et Fils was founded in 1731 and rapidly rose to prominence and remains to this day one of the greatest negotiant/domaines in Burgundy. It is the largest owner of Premier and Grands Crus in the Côte d'Or with an incredible eighty-six hectares in these two categories plus another forty-four hectares of villages and regional vineyards, for a grand total of 130 hectares. And while not technically part of Bouchard proper, in 1998 Joseph Henriot, who is the owner of Bouchard, also bought William Févre in Chablis and they account for another fifty hectares of top vineyard land.

As anyone knows who does even a modicum of casual wine reading these days, there is the notion being promulgated virtually everywhere that all great wines must come from vintages with very high levels of ripeness, whether it be sugars (read alcohol levels) or phenolics. And while this is true so far as it goes, it doesn't leave room to accept that great vintages, and great wines, don't necessarily have to follow in this "ripeness is everything" mantra...Bouchard chooses not to pick on ripeness but rather acidity and has always done so. The wines, and their associated remarkable longevity, fly squarely in the face that the underlying phenolics must be ultra ripe for the wines to ever be any good, or just as importantly, age well.

The emphasis on favoring acidity rather than high ripeness does not come without a cost and that cost is often upfront drinkability. It would be a distortion to suggest that phenolic ripeness is ignored—it's not, but it's important to acknowledge that other viticultural philosophies than the current fad of emphasizing ripeness above all else can make exceptional wines as well, even though more patience is required to ultimately enjoy them. In that sense, Bouchard is not making modern wines as they do not fully destem and do not cold soak, which when combined with more acidity and often expressly structured wines frequently make the reds austere in their youth but time and again glorious with enough time in bottle. The whites, as these tastings amply demonstrate, age extremely well too but because they too favor ample acidity, also require plenty of time in bottle to be at their best.

A Stunning Selection of
**RARE
WINES**

(LOTS 418-829)

We are absolutely delighted to present the anchor of this June sale, a fantastic array of rare wines that truly runs the gamut in terms of producer, region, vintage and style.

This collection includes storied Bordeaux from all of the “great 8,” including wines that vary as widely as 1928 and 1953 Cheval Blanc, 1989 Haut Brion, 1961 Lafite, 1893 Latour, and a large vertical of Mouton including the 100-point 1986 and 1982. There are also plenty of super seconds and other Bordeaux from fine Chateaux such as: La Mission Haut-Brion, Lafleur, Leoville las Cases, Lynch Bages and Pavie. Need I say more? Regardless of your palate or your budget, there’s something here for you.

And I haven’t even mentioned the Burgundy, yet. 1993 Rousseau Clos St. Jacques, Dugat, de Vogue, Dujac, Leroy and DRC—oh the DRC! 1990s galore, plus a 3L of 1971, 2002s, a 3L of 2005...the list goes on.

There’s also Barolo, Champagne, Super Tuscans, Unico back to 1941, ‘63 Nacional, even 1795 Madeira back to the legendary cellar of Graham Lyons!

All of the wines in this offering have been in Zachys storage for years.

CHATEAU LAFITE ROTHSCHILD

For as long as anyone can remember, Lafite has been the most highly regarded wine in Bordeaux. From their very first book, published in 1845, Cocks & Feret have listed Lafite first, and it was ranked first in the famous 1855 classification of Bordeaux.

Fite is an old French term meaning small hill, rise or mound; it is from this humble feature in Bordeaux' somewhat bland landscape that France's most esteemed producer takes its name. The Château itself is one of the oldest in Bordeaux, with much of it dating from the mid-sixteenth century. It was purchased by the wealthy Ségur family in the seventeenth century, but like much of the region at the time, the land was used for a variety of farming.

Beginning in the 1670s, the Ségurs spent around twenty years converting a large portion of the land to vineyards. With Latour and Calon, as well as Lafite, under their ownership, the Ségurs began to find a market for their wines in London. It was first mentioned in the London Gazette in 1707 and soon became famous: by the early 1730s, it was a favorite of the Prime Minister, Robert Walpole.

Lafite remained in the Ségur family until 1784. It was sold several times, finally to Baron de Rothschild in 1868, by which time there were some seventy-four hectares of vines. It was a new era of industrial wealth and the Rothschild purchase certainly added much celebrity to the area.

CHÂTEAU MOUTON ROTHSCHILD

Mouton, like much of Pauillac in the sixteenth century, was part of the sprawling Ségur estate. In the mid-eighteenth century the land that is now Mouton Rothschild was acquired by Baron de Brane, who changed the name to Brane-Mouton. Brane sold it in 1830 to an M Thuret; while it was already a notable Château, first appearing in a Christie's catalog in 1834, Thuret did not make maintenance of the Château a priority and resold it in 1853. The purchaser was Baron Nathaniel de Rothschild, at the time head of the English arm of the wealthy Rothschild family.

While Mouton was always a highly regarded wine, a big change came when in 1922, when the twenty-one-year-old Baron Philippe decided to run the Château full-time. An innovator from the start of his tenure, in 1924 he decided that in order to guarantee quality the entire production would be bottled at the Château, and from 1934 he numbered each bottle released. Also, of course, he started the tradition of works of art on Mouton labels, featuring the famous Carlu ram's head from 1924 to 1926, and since a hiatus from then until 1945, each label has either been designed by a major artist or featured a tribute to a significant event in the Château's history.

Perhaps his most significant achievement was persuading the French Minister for Agriculture, Jacques Chirac, that Mouton was and had always been a First Growth that had been wrongly classified. So, in 1973, for the first and only time, a revised edition of the 1855 classification was released with Mouton finally ranked, next to its Pauillac neighbors Lafite and Latour, as a First Growth.

PETRUS

Petrus today is a little over eleven hectares, including five hectares purchased in 1969 from neighboring Château Gazin. The vineyards have clay topsoil and gravelly subsoil, allowing good initial water retention but excellent longer term drainage. The vines are old, around forty to fifty years, planted with ninety percent Merlot and five percent Cabernet Franc. To increase concentration the vines are pruned extensively and a green harvest is performed. At harvest time, nearly two hundred workers pick the grapes at their peak of balance and ripeness. Sometimes up to four passes are needed but if pressed, as in 1982, the entire harvest can be completed in just one day.

The grapes are partially destemmed and after a fairly lengthy maceration period, sometimes almost a month, the wine spends twenty months in new oak before being fined (but not filtered) and bottled. Petrus is a classic example of careful vineyard management and winemaking yet the result leaves evidence of something even greater. These methods combine with exquisite terroir for Merlot to create something that is, in good vintages, not only earth-shatteringly tasty, but distinctive, lending the name Petrus majesty because of its quality but also its inimitability.

CHÂTEAU PAVIE

In March 1998 Château Pavie was purchased by Gerard
 and Chantal Perse for \$30.8 million. Perse was a self-
 made millionaire, the founder of two highly successful
 supermarket chains that were sold to pursue his dream: to
 own a prestigious Right Bank vineyard. His first acquisition
 was Château Monbousquet in 1993 followed by Pavie-
 Decesse in 1997 but Pavie was his jewel in the crown.

I remember visiting the estate just after Perse had
 commenced his radical reconstruction of the château,
 encountering him in deep conversation with Dr Alain
 Raynaud (they were allegedly joined at the hip around this
 time.) The scale of the investment was quite astonishing: a
 car-park of heavy machinery, blanketed with a film of fine
 white dust from the sandstone building blocks that would
 form the foundation of Perse's "Xanadu".

It remains the flagship of his empire to this day.

Château Pavie is located south-east of the village of Saint
 Emilion with part of the vineyard on the plateau at the
 top of clayey soil, with a majority of the vineyard on the
 limestone soils on the côte with around 3 hectares on the
 less distinguished sandy soil at the bottom of the slope.
 There are 32.44-hectares of vines: 60% Merlot, 30%
 Cabernet Franc and 10% Cabernet Sauvignon with an
 average vine-age of 45 years. The vineyard is pruned hard:
 6 buds for old vines and 2 buds for young with extensive
 green harvesting in the summer months. Yields have been
 reduced from 55hl/ha under Valette, to an average of 30hl/
 ha and Perse did not hesitate in pulling up 28% of inferior
 vines and installing a new drainage system.

CHÂTEAU D'YQUEM

Château d'Yquem is the apex qualitatively and the centre geographically of the Sauternes area. Each major property occupies its own little hill. Yquem's is the highest. It is also the largest estate, the most perfectionistic, the most consistent. Unlike the rest of the region there was no cutting of corners, no lack of investment, no dip in quality in the sad days of the 1960s and 1970s.

At Yquem we have Sauternes winemaking at its most perfectionistic. The vines are pruned to yield nine hl/ha – one glass per vine (as opposed to a full bottle in a classified growth red wine château). Collection of the grapes is berry by botrytised berry, rather than by bunch or half-bunch elsewhere. The grapes are crushed in a small horizontal hydraulic press in three stages. Unlike in Champagne, for example, the first pressing does not necessarily give the best wine. There is no débourage before the wine is put into cask. Fermentation and ageing is in new oak, of course, the latter taking place in a splendid underground cellar, constructed in 1987. The assemblage is late and the wine is not bottled for three years or more. Only then is it put on the market...

There is something very special, and indeed very consistent, about Yquem. The wine is more oaky than most in its youth. It is by quite some way the richest, most concentrated, most intense wine of its kind. In great years – I have a marginal preference for 1989 over 1990 and 1988 – it is nectar: the liquid quintessence of concentrated sunbeams, to quote Thomas Love Peacock.

COMTE GEORGES DE VOGÜÉ

Delicate, feminine and fragrant, the epitome of finesse: lace, silk and taffeta; violets and dog-roses; raspberries and blackcurrants with a finish of liquorice; amplitude and generosity; intensity without a trace of hardness. All this has been said by those attempting to describe the taste of Le Musigny. Le Musigny consists of two sub-climats, Le Musigny itself and at the same altitude next door to the south, Les Petits-Musigny. The lion's share, more than seven hectares, almost seventy percent, and including the totality of Les Petites-Musigny, belongs to the Domaine Comte Georges de Vogüé. This estate proclaims itself the Domaine des Musigny. The domaine also comprise 2.75 hectares of Bonnes-Mares, located entirely in the southern, Chambolle end of the climat, sixty ares of Amoureuses, 1.80 hectares of Premiers Crus (Baudes and Fuées) and a small parcel of village wine. Wines of the domaine are defined as classy and fragrant, very exciting indeed. The domaine is in good hands. The future is bright.

DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

DOMAINE FOURRIER

Jean-Marie Fourrier took over the family property from his father in the mid-1990s and the quality of the Domaine's wines improved markedly and rapidly. Jean-Marie subscribes to the philosophy that great wines begin in the vineyard and he is fastidious about maintaining healthy, well-nurtured vines. He saw firsthand the importance of minimal intervention in the winemaking process (provided one had excellent raw materials from the vineyards), when he studied under the great Henri Jayer in the late 1980s. Fourrier is careful to crush only the choicest fruit, all completely destemmed, in his immaculately clean and recently outfitted with new stainless steel tanks fermentation room. He also limits the use of new oak to around 20% so as to better allow the Burgundian terroir to fully express itself in the glass. The product of all this hard work is wines marked by wonderful purity, transparency, and bright vibrant fruit, wines that are a true testament to the land that Jean-Marie Fourrier so carefully cultivates.

JOSEPH DROUHIN

The well-known Beaune-based négociant house of Joseph Drouhin has been an important firm in the appellation of Burgundy since its opening in 1880. In that year, Joseph Drouhin purchased a pre-existing small négociant operation and re-named it Maison Joseph Drouhin. Joseph handed over the reins of the significantly expanded négociant house to his son, Maurice Drouhin in 1919. Maurice Drouhin, who was one of the great figures of his era in Burgundy, presided over the family domaine until slowed by a sudden stroke in 1957. He was succeeded by his son Robert Drouhin, who continues to run the estate to this day.

While Maison Joseph Drouhin now has a large spread of outstanding vineyard parcels scattered up and down the Côte d'Or and in Chablis, it is virtually impossible to tell a Drouhin wine made from purchased grapes and those produced from their own vineyards, as the house style of terroir-driven, classic and age worthy Burgundy is shared both by the négociant wines and the estate wines. The Drouhins make all of their own wines from the Côte d'Or, with an eye towards producing medium-full wines of great complexity and intensity of flavor in the traditional Burgundian style. Both the reds and whites are considered amongst the very finest wines produced in the Côte d'Or by all knowledgeable Burgundy commentators today.

DOMAINE RAMONET

Pierre Ramonet was more than a character. He was, to use the old cliché – but it is true in this instance – a legend in his own lifetime. More or less from scratch, by dint of sheer hard work and a genius for wine, he built up one of the finest white wine domaines in Burgundy. Today the name of Ramonet is synonymous with top Chardonnay. The allocations for bottles are fought over, for every collector considers it his or her right to own some. They sell at auction for astronomical sums whenever they appear. On the rare occasions, as in January 1995 at the Montrachet restaurant in New York, when someone puts on a special vertical tasting and dinner, the tickets – and they are not cheap – are over-subscribed ten times. Ramonet in white is the equivalent of Henri Jayer or the Domaine de la Romanée-Conti in red.

Pierre Ramonet died in 1994 at the age of eighty-eight. He is much missed. But his echo lives on, and the wines, in the able hands of his grandsons Noël (born in 1962) and Jean-Claude (born in 1967) since the 1984 vintage (mais sous ses ordres, stoutly avers Noël), continue his reputation. They are very fine. A Ramonet wine is a Ramonet wine before it is a Chassagne, or a Bienvenues, or a Bâtard...or a Montrachet.

CHAMPAGNE

KRUG

Of all the wine world's luxury brands, Krug is perhaps the most glittering. No expense is spared in its production, though the techniques used are in fact remarkably artisanal, including fermentation in small, old wooden casks. Time is of the essence: the overall ageing cycle is the best part of a decade here, with all wines being aged for at least six years sur pointes (upended, after the "ordinary" ageing period that follows the second fermentation is concluded). No expense is spared, either, in the pricing of its five wines, the cheapest of which, Grande Cuvée, costs as much as many rival houses' top cuvees. This is a wine of magnificent complexity and layered richness, nourishing and diverting, as detailed and textured as a Gobelin tapestry. It contains wines from a decade's worth of vintages and from at least twenty different crus (not all of them Grand or even Premier, one might note); Krug makes no secret, too, of its need and love for Pinot Meunier. (The Krug 1928 vintage, regarded by the family as the greatest ever, contained twenty percent Meunier, and there is eighteen percent in the finely honed 1988.) There is also a relatively understated rose of pale tawny hue, and a series of vintage wines of magnificent stylistic oscillation, fully respecting the potential of each year. The Collection vintage wines have spent more years in the Krug cellars in Reims; disgorgement took place at the same time as for "ordinary" vintage wines. Finally, a champagne de terroir: the pure Chardonnay Clos du Mesnil, vinified from wines in a genuine 1.9 hectares walled vineyard within the village of Le Mesnil, purchased by Krug in 1971, and released as a vintage wine beginning with 1979. In great years (like 1988) it is magnificent and multi-dimensioned.

ITALY**PODERI ALDO CONTERNO**

In the nineteenth century, the forefathers of Aldo Conterno emigrated to Argentina, but on account of various family vicissitudes they returned to Italy after a few years. It was then that Giovanni Conterno brought his family back to the small winemaking farm of his father Giuseppe in Monforte d'Alba and started helping him in the production of local wine. In response to market demand, the Conternos then felt the need to create a superior Barolo, to be produced exclusively from the best vintages, with a long vinification period and capable of lasting over time; thus, in the 1920s the first Barolo reserve was bottled.

Aldo Conterno's cru vineyards (Romirasco, Cicala and Colonnello) located in Bussia of Monforte d'Alba, portray the real expression of Langa terroir. The wine of this cru gives itself with firm determination by playing on the most classical elements of Nebbiolo vine and its spicy notes give a crystal idea of the uniqueness of this soil.

BRUNO GIACOSA

Bruno Giacosa was born in the town of Nieve, within the Barbaresco DOCG. As young as thirteen Bruno was assisting his father and grandfather in the cellars, and by the age of fifteen he was fully employed in the family firm. Bruno's grandfather, Carlo Giacosa, started the firm in the late nineteenth century when the wine was sold in demi-johns and not estate bottled. It was not until the 1960s that the Giacosas began to sell more wine in bottle than in demi-john!

Up until 1964 the family did not offer any individual cru bottlings of either Barbaresco or Barolo, and following tradition in the region, they were labeled simply as Barolo or Barbaresco. It is noted that even as far back as Carlo Giacosa's time, the wines were vinified and kept separately in the cellars. The two vineyards which they primarily purchased from at that time, the Gallina and Santo Stefano, were only blended together for the Barbaresco "Riserva Speciale" and therefore all regular Barbaresco bottlings were in effect two distinct Barbarescos released under the same label.

Like so many of the top producers in Piedmont, the Giacosas did not own any of the vineyards from which they made their wines. In 1982, they finally purchased a vineyard holding of their own, the 8.4 hectare Falletto vineyard in the village of Serralunga. This purchase in Barolo was followed up more than a decade later when the Giacosa family bought pieces in two of the greatest terroirs in Barbaresco, the Asili and Rabaja vineyards, in time to produce bottlings of the 1996 vintage.

The style of Giacosa's wines are quite traditional, though the fermentations are not quite as long as many of their neighbors of the "old school". Typically the maceration will now last from fourteen to twenty-four days for the Barbarescos and Barolos, which is quite a bit shorter than a producer such as Giuseppe Mascarello, whose Barolo Monprivato macerates for at least thirty days (down from sixty days in years past). Following this maceration the wines are racked into large casks called botti and aged for three to four years. The control of the winery is now in the capable hands of daughter Bruna Giacosa and Cellarmaster Dante Scaglione.

There are no wines that match the prestige or class of Giacosa's in all of Barbaresco and only a select few which share the crown in Barolo.

MASSETO

Masseto is the famous 100% Merlot IGT...and is regarded as one of the best expressions of Merlot in the world. The Merlot vines are cultivated in alluvial, sandy-clayey soils that are rich in minerals. The same care and attention is paid in the vineyard as Ornellaia, with meticulous vineyard husbandry and rigorous sorting.

However the vinification is slightly different, with alcoholic fermentation carried out in wooden vats rather than stainless-steel, ranging in size from 65hl to 125hl. The wine is racked and then transferred into oak barriques where it remains for 24 months, with blending at 12 months.

SASSICAIA

Tenuta San Guido is named after the Saint Guido della Gherardesca who lived during the eleventh century. It is located on the Tyrrhenian coast, between Leghorn and Grosseto, in Maremma an area made famous by Italian Nobel prize winner Giosuè Carducci, and it stretches for 13 km from the sea to the hills. Three are its defining characteristics: the Sassicaia wine, the Razza Dormello-Olgiate thoroughbred studfarm and the Bird Sanctuary Oasi di Bolgheri. They divide the estate between the Oasi on the coast, the horse's training grounds on the plain, and the vineyards planted up to 350 meters on the hills. The latter have been given their own DOC, the DOC Bolgheri Sassicaia, the first, and so far only case in Italy of a DOC contained in one estate. The wedding of Mario Incisa della Rocchetta and Clarice della Gherardesca on October 18th 1930, started it all. They shared a love for thoroughbred horses that made them form a partnership with horse breeder and trainer Federico Tesio. Mario Incisa's love of good wine made him plant Cabernet vines in 1942 for what was to become Sassicaia. Seventeen years later the Oasi di Bolgheri becomes Italy's first Italian private nature preserve. In 1966 it is, with the Oasi of the lake of Burano, the first WWF Wildlife Refuge in Italy.

VEGA SICILIA

Vega Sicilia, often called "the Lafite of Spain" for its elegance, is among the oldest extant wineries in Spain and remains among its most celebrated. Toribio Lecanda purchased 2,000 acres of farmland from the Marquis de Valbuena in 1848, but it was not until 1864 that his son, Eloy, began to convert it to viticulture by planting Cabernet Sauvignon, Malbec and Pinot Noir. Originally, he made brandy, and even before it was a winery Vega Sicilia was appointed to be the brandy supplier to the royal family of Spain. Vega Sicilia Único ("unique") and Valbuena both date from 1915, when the vineyards had recovered sufficiently from phylloxera to permit great wine to be made. Único, made only in outstanding years, is typically mostly Tempranillo, with the balance Cabernet Sauvignon, Malbec and Merlot. It spends at least seven years in barrel, and at least three in bottle, before release, and in some vintages, it is aged for astonishingly long periods before it reaches the market. The 1970, for example, was not released until 1995, and magnums did not follow until 2000!

The wine lives up to its designation as "unique." It is intensely fragrant, complex on the palate but also extremely concentrated, with very high acidity to balance the richness. Occasionally, the winery will release a small quantity of wine designated "Reserva Especial," a blend of two or three Únicos; these bottlings are generally considered to be of the same high quality as the single vintage releases.

DOMINUS

After mastering wine production at two of the most esteemed wineries in Bordeaux, Petrus and Château Trotanoy, owner Christian Moueix looked toward Napa Valley to create one of tomorrow's classics in California. In 1982 in partnership with Robin Lail and Marcia Smith, Christian founded Dominus, a proprietary red wine produced in the heart of Napa Valley solely from the historic Napanook vineyard first planted in 1836. With the true understanding of terroir, the soil and climate of the Napanook vineyard at the foot of the Mayacamas Mountains was ideal for Cabernet Sauvignon and this is the base of the blend. The assemblage changes each year with varying degrees of Cabernet Franc, Merlot and Petit Verdot used to retain the consistent structure and complexity of the wine while reflecting the uniqueness of each vintage. A series of artists' portraits of Christian Moueix adorn the labels of the first vintages from the Estate (1983-1990) and then beginning with the 1991 vintage a classic Bordeaux styled label replaced the artist series.

The wines are made from grapes grown solely on the Napanook vineyard, allowing them to have a specific identity. They are "estate bottled" in the spirit of the Bordeaux chateaux and from the time of inception have characterized the expression of terroir in their earthy rusticity and complex character. Dominus exemplifies California production in a classic Bordeaux style.

SCHRADER

Fred Schrader began his life as a vintner with one defining goal in mind, to create benchmark Cabernets from the best vineyards in the Napa Valley. Fifteen years later with seventeen 100-point scores under his belt from the likes of Robert Parker, The Wine Advocate and James Laube, The Wine Spectator, Schrader Cellars continues to define itself as one of the best producers of Cabernet in the history of American wine. Receiving more 100-point scores than any other winery in the history of American wine, 2016 marks a special year in the lifetime of Schrader Cellars.

The story of Schrader Cellars began in 2001 when Fred met Thomas Brown, a little known winemaker who moved to California by way of North Carolina. Thomas took the helm of winemaking for Schrader and he and Fred never looked back. Thomas' methods of non-interventionist winemaking were a novel idea at the time throughout the valley. He believed in showing the true colors of a vineyard and when working with Beckstoffer To Kalon fruit he had access to nothing short of the best.

After a few years of working together, Fred and Thomas found themselves harvesting the incredibly concentrated fruit of the 2006 vintage. Fred looks back on this time with happiness as the 2006 vintage was the first 100-point scores that a Schrader wine received. The 2007 and 2008 vintages brought with them another pair of 100-point scores for the Schrader CCS and Schrader Old Sparky. This was the first time in the 32-year history of The Wine Advocate that a wine received three consecutive 100-point scores for the same marque and Schrader did this with two of their wines.

THE ANCHOR COLLECTION

(LOTS 887-963)

From one of our longtime friends and consignors comes an amazing collection with a focus on—well, a variety, but Piedmont is certainly a standout. Mascarello, Rinaldi, Vietti, Burlotto, Conterno, Cogno, Giacosa are all here in quantity, and in large formats.

There is a lovely vertical of Bryant Family including the famed 1997. A smattering of Burgundy including Drouhin Chambolle 1er Cru from 2015, Roumier, Damoy, and Dauvissat. There's also older Guigals, 1989 and 1990 Beaucastel and CVNE including '54, '64 and '70. There's a nice vertical of Chave back to the gorgeous 1998, there's Selsosse and more.

There's also a corresponding online portion in June featuring a wide selection of Pepe, Spanna, St. Aubin from PYCM and much more.

Also, do not miss the exceptionally rare Romano Levi Grappa.

JL CHAVE

Considered widely as the quintessential Hermitage producer, Chave typifies traditionalism in both viticulture and his winemaking philosophy. The Domaine, begun in 1481, has been handed down from generation to generation. While Gerard Chave still maintains a presence, it is his son, Jean-Louis who is at the helm making some of the best wines in France, if not the world over. The family owns eight plots of land on the hill of Hermitage and in a time when single vineyard cuvees are all the rage, still holds true to the belief that the assemblage of all of the grapes produces a more complex, powerful and artisanal wine. To Jean-Louis the soil differences found in each plot of land profoundly affect production which is why the expression of the blend is superior to the single vineyard. Chave is passionate about allowing the grapes to achieve complete ripeness via a long hang time on the vine and therefore the wines exude profound extraction as well as substantial alcohol. There is also a natural selection of low yielding fruit due to an average vine age of sixty years or more which adds greater intensity to the wines. The vineyards are farmed organically and the horse and plough are utilized to this day!

The Hermitage Rouge is made of 100 percent Syrah while the Blanc is generally eighty percent Marsanne and twenty percent Roussanne. In vinification, contrary to modernist techniques once again, Chave eschews new oak, using only ten percent for the Rouge and mostly old oak and stainless steel for the fermentation and aging of the Blanc. The white Hermitage has the texture and richness of a great white Burgundy with immense complexity and the ability to age substantially. When serving the Blanc, Jean-Louis advises that they are not chilled too much, and are always decanted for a short period. The Rouge is a highlight.

GIACOMO CONTERNO

Cantine Giacomo Conterno has stood at the pinnacle of "traditionalist camp of Barolo" for many, many decades, and along with the wines of other Piemonte icons such as Bartolo Mascarello, Mauro Mascarello and Bruno Giacosa, the wines of Cantine Giacomo Conterno have set the standard for excellence in the region for many years. The founder of the estate as it stands today was Giacomo Conterno, who began his own winery in the village of Monforte d'Alba in 1920, and quickly earned a reputation for excellence for the quality of his Barolo. However, the Conterno family's involvement in wine production in Barolo far predates the launching of today's winery in 1920, as the family retains documentation of their wine production ties that dates back to 1770. And in fact, Giacomo Conterno's father was very much involved in winemaking and wine sales from the moment he began his businesses in the region at the beginning of the twentieth century. The flagship Barolo bottling here is the bodega's Monfortino Riserva Speciale, which was first made in the 1920 vintage, and which is unequivocally one of Piemonte's longest-lived and greatest wines.

In many respects, modern Barolo as a long-lived and cellar-worthy wine owes much of its heritage to the visionary efforts of Giacomo Conterno throughout the decades of the 1920s, 1930s and 1940s. It is rather hard to imagine the landscape of Barolo as it is today without his pioneering efforts.

Here are wines from legendary vintages of claret finally rounding into drinking form twenty plus years in. This is just a bit of cellar pruning, as the kind consignor needs to make room for the ever-arriving cases of new wines. The provenance here is impeccable: all purchased on release from reputable west coast retailers and stored in a gorgeous home cellar under perfect temperature and humidity control. COLGIN

Colgin Cellars was founded in 1992 by Ann Barry

Colgin, an expert on fine art whose exposure to fine wine through that rarified world spurred her to create her own world-class wines. With vineyard management by David Abreu and winemaking by Helen Turley, the wine was immediately recognized as a new superstar in Napa, with the debut vintage scored 96 points by Robert Parker. Since then, he has awarded a perfect score of 100 points to three Colgin wines.

Colgin's reputation was originally founded on their Herb Lamb Vineyard Cabernet Sauvignon, made from 1992 to 2007. While that is no longer in the portfolio, Colgin today produces wines from two estate-owned sites and from vineyards owned and managed by Napa legend David Abreu. Two estate-grown single-varietal wines are produced, a Cabernet Sauvignon from the Tychson Hill Vineyard and a Syrah from the IX Vineyard. The other two wines in the portfolio are Bordeaux blends, the estate-grown IX Vineyard Red and Cariad, from Abreu's vineyards.

HARLAN ESTATE

Harlan Estate, owned by Bill Harlan, is a luxury, world-class, Cabernet Sauvignon-based wine produced from a steep, terraced vineyard on the western side of Napa Valley, high above Napa's famous Martha's Vineyard. Approximately twenty-four acres are in vine and the yields to date have been very low. Bill Harlan, better-known as one of the principals of Merryvale Vineyards...has only one objective: to produce one of the greatest red wines of California.

The wines are a blend of approximately two-thirds Cabernet Sauvignon and the remainder Cabernet Franc and Merlot. Bob Levy, Merryvale's winemaker and Michel Rolland, the well-known Bordeaux oenologist, are the architects behind these exceptional efforts. Stylistically the wines are the Napa Valley equivalent of a hypothetical La Mission Haut-Brion/Cheval Blanc blend. They are rich, powerful wines with unmistakable elegance, complexity, and purity.

Robert Parker, "The Wine Advocate"

Harlan Estate 2005

SCREAMING EAGLE'S BROAD WINGSPAN

It's rare. It's expensive. And there's a mystique about it. But Screaming Eagle Cabernet Sauvignon is no pretender. It's the real thing, and it deserves to be considered among Napa Valley's prestige wines...

You can't make wine this magnificent without fabulous grapes, and Screaming Eagle clearly comes from a spectacular vineyard...on the east side of Oakville, near the Oakville Crossroad...While ripening Cabernet (and smaller amounts of Merlot and Cabernet Franc) is routinely easy in this area, one of the trademarks of Oakville Cabernet is that the wines often display an herbal quality that manifests itself in a variety of subtleties, including hints of anise, sage, dusty berry, cedar and occasionally a whiff of new leather and tar. You find these shades of herb in Cabernets like Heitz Martha's Vineyard (grown on the west side of Oakville), with its signature minty currant personality, or Groth, which is one of the cooler sites on the valley floor. Screaming Eagle captures the best of all these elements. It also epitomizes exquisite balance, managing both to be enormously complex and concentrated, yet elegantly styled, with a smooth, polished texture.

James Laube, "Wine Spectator", November 3, 2005

SINE QUA NON

The ultimate garage wine from southern California emanates from a rusty warehouse that appears to be on the wrong side of the railroad tracks running through Ventura. The winery's name is Sine Qua Non (literally translated from Latin means "without which one cannot".), and as the proprietors' (the husband and wife team of Elaine and Manfred Krankl) indicate on the label of their sumptuous 1997 Syrah called Imposter McCoy, "the truth is inside"...

CHÂTEAU PICHON LONGUEVILLE COMTESSE DE LANDE

Pichon Lalande was originally part of the Pichon Longueville estate, owned by Baron Pichon de Longueville. Upon the Baron's passing in 1850, the estate was divided up among his five children in accordance with the inheritance laws, but only two children actually took possession of the two new estates, and the wines were not made separately for another ten years. When the last of the heirs to what became Pichon Lalande died in 1926 the Château was sold to the Miaillhe family, eventually passing to May-Elaine Lenquesaing. A solid performer for much of the century, Pichon Lalande has been one of the top wines of the Médoc since she became involved in the 1970s.

Today the seventy-five hectares under vine, planted with forty-five percent Cabernet Sauvignon, thirty-five percent Merlot, twelve percent Cabernet Franc and eight percent Petit Verdot, produce 35,000 cases per year. The vineyards are just north of Latour on fine gravelly soils. I often think the flavours are somewhere between those of Mouton and Latour, and in quality, it can rival any wine in the commune, including the First Growths.

ROMANO LEVI GRAPPA (LOTS 1281-1292)

For the first time in one of our auctions, here is one of the most sought-after Grappa on the market, and exceedingly difficult to find in the US.

The Levi family have been distillers since the 17th-century. Romano, born in 1928, at the helm since 1945. Then 17, his mother died in an air raid and Romano quit school and with his sister Lidia, took over the distillery. The distillery was built by Romano's father and was originally fitted (and remains that way) with a direct-fire still. Lidia and Romano have been hand-writing and drawing their labels since 1962.

The grappa itself is stunning, the bottles works of art. Please request more detailed information should you require.

KENTUCKY**PAPPY VAN WINKLE**

Forget apple pie. Few things can be described as distinctly American as Pappy Van Winkle. With immigrant roots in Holland by way of New York, Julian “Pappy” Van Winkle was a travelling salesman that eschewed his family’s law business and would rise to own the wholesaler he began working for at age 18. Following Prohibition, which the distillery survived by producing medicinal Whiskey through a special Federal license, Pappy re-opened the Stitzel-Weller distillery and began producing premium Bourbon brands, such as Old Fitzgerald, Rebel Yell and Old Rip Van Winkle. Eventually Pappy’s son Julian Van Winkle, Jr. took over the family business, working closely with his father until his death in 1965. Seven years later, shareholders coaxed Julian Jr. into selling off their stake in the distillery operations, yielding control of all brands except the one that bore the family name: Old Rip Van Winkle. Between 1972 and 1981, Old Rip Van Winkle was released, mostly in decorative decanters, using stock from the Stitzel-Weller distillery. In 1983, Julian Van Winkle III began bottling the brand at the Hoffman distillery in Lawrenceburg, purchasing the Whiskey from Stitzel- Weller until its closure in 1991. Today the Whiskey is made to the family’s specifications through a special arrangement with the Buffalo Trace distillery under the direction of Julian Van Winkle III and his son, Preston. Bottled at various ages and proofs, the Van Winkle lineup has expanded to include the 10-year Old Rip Van Winkle, 12-year Van Winkle Family Reserve “Lot B,” 15-, 20- and 23-year Pappy Van Winkle Family Reserve Bourbons and a 13-year Van Winkle Family Reserve Rye. The Bourbons are known as “wheated” Bourbons due to the inclusion of a healthy dose of wheat in the mashbill, adding a distinctive sweetness and smoothness which has helped the line garner accolades and the miniscule releases have led to an almost mythic status among Bourbon drinkers.

MEDICINAL WHISKEY (LOTS 1315-1317)

Here's an opportunity to acquire American history in a bottle. Distilled in 1917, this bourbon was still maturing in barrel when Prohibition came down, making alcohol production and consumption illegal in all 48 states. At the time, there were over 400 distilleries in the US and many of these businesses shuttered in the face of Prohibition. However, in 1920, two brothers founded the American Medicinal Spirits Company to fill the needs of the legal liquor market. A loophole in the Volstead Act – which provided an outline for the enforcement of the 18th Amendment – allowed for heavily regulated and very expensive prescriptions for alcohol. This loophole allowed A.M.S. Co. to thrive in the early years of Prohibition. In 1929, the company was sold to National Distillers and would become just one of six distilling companies to survive until the repeal of Prohibition in 1933. You'll note, however, that these bottles were bottled in 1932. This was the year that Franklin D. Roosevelt ran for President on a platform that included repeal of Prohibition. Following his victory at the polls in November 1932, Repeal was all but certain. These bottles were initially created as gifts for the shareholders of National Distillers, a special bottling to celebrate the journey of the company through the difficulties of the previous 15 years, bottled legally and under bonded, government supervision in the twilight of Prohibition and looking ahead to the dawn of the era of Repeal.

END OF SALE

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Europe Limited in respect of auctions which are conducted from the United Kingdom; (ii) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (iii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (▼) next to the lot title.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026, +852.2530.1971 or +44.333.305.5907 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an

auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at +1.914.874.8034, +852.2530.1971 or +44.333.305.5907.

All bidders who wish to attend the live auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre-Registration Form is provided in this catalog or at auction.zachys.com. Complete and either fax the form to +1.914.313.2350 or +852.3014.3838 or email the form to bid@zachys.com or asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. Subject to the section headed "Right of Cancellation" in the Conditions of Sale (in the case of consumers only), for all Zachys live and online auctions, all bids are final and will not be cancelled.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

Online Bids

Live auctions will open for bidding on our website at www.auction.zachys.com approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

There are two ways to bid online: (i) submit the starting/next bid or (ii) submit a maximum bid. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

Prospective Buyers may also bid during the live auction on our website at www.auction.zachys.com.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at www.auction.zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Telephone Bids

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above US\$2,000, HK\$16,000 or GBP£2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Bidding in Online Auctions

Bids can be submitted anytime during the course of an online auction on our website at www.auction.zachys.com.

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid.

To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

Taxes

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax including United Kingdom value added tax and/or any other applicable tax of a similar nature, which shall (if required) be payable by the Buyer at the appropriate rate. Applicable VAT or sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the Buyer from Zachys unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to Zachys Europe Limited auctions and deliveries within the European Union, as prescribed

by the symbols accompanying each lot in this catalogue:

Property with a † (Single Dagger) Symbol

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Property with a ♦ (Black Diamond) Symbol

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

Property with a △ (Open Triangle) Symbol

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 30%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +44.333.305.5907, +852.2530.1971 or +1.914.874.8034.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number.

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Such lots are identified in the catalog by the symbol (▣) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

For zCollections purchases, Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases, Zachys will auto-charge the credit card on file for invoices up to US\$20,000, HK\$150,000, or GBP £15,000 within 48 hours of the sale close. American

In respect of all other purchases, buyers are expected to pay for purchases within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due.

All amounts remaining due after this 14 or 7 calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21 calendar-day period. Zachys reserves the right to charge Buyer's credit card and to immediately assess the relevant late payment charges set out above, should payment be past the due date, notwithstanding that the amount of such charge may exceed the maximum amount.

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products.

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1 This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog, and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

The previous sentence does not apply to the sale of goods acting as consumers in the United Kingdom – Zachys is under a legal duty to ensure that such goods are in conformity with their description. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit

or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

2 The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3 Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4 Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5 In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6 Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7 Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information.

8 The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance

while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9 No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage or Newcorp Logistics to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

10 Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

11 If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and

any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

17a Right of Cancellation

This section only applies to Buyers based in the European Union or United Kingdom who are acting as consumers (i.e. for purposes unconnected with their trade or business) who have purchased in an auction held in the United Kingdom.

In the event that the Buyer purchases a product in any way other than in person at an auction (such other way being, for example, by way of absentee, telephone and/or online bid), the Buyer shall have a legal right to:

- (i) withdraw any bid at any point prior to acceptance by Zachys (i.e. at the fall of the hammer); and/or
- (ii) cancel any purchase within 14 days, which period shall expire after 14 days from the day on which the Buyer (or any third party indicated by the Buyer to receive such delivery) acquires physical possession of the goods (or the last good, in the case of multiple deliveries as part of the same lot) or,

To exercise the right to cancel any purchase, the Buyer is required to:

- (i) inform Zachys of such decision by a clear statement in writing to [auction@ zachys.com](mailto:auction@zachys.com) by no later than the expiry of the above cancellation period; and
- (ii) send back the goods to or hand over the goods in person at Newcorp Logistics, Sikkell 13, 3274 KK Heinenoord, The Netherlands without undue delay and in any event no later than 14 days from the day on which the Buyer sends the relevant cancellation notice.

Subject to the foregoing, in the event that the Buyer cancels any purchase, Zachys shall reimburse the Buyer all payments received by it from the Buyer, including any costs of delivery paid to Zachys (except for delivery costs exceeding the least expensive type of standard delivery). The Buyer is required to bear the direct cost of returning the goods.

Zachys shall make the reimbursement without undue delay, and not later than: (i) 14 days after the day Zachys receives back from the Buyer any goods supplied; or (ii) if earlier, 14 days after the day the Buyer provides evidence that it has returned the goods. If possible, Zachys shall make the reimbursement using the same means of payment as used by the Buyer for the initial transaction, unless expressly agreed otherwise.

Zachys may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of handling by the Buyer other than as necessary to establish the nature and characteristics of the goods. For the avoidance of doubt, this cancellation right will not apply to any bottles of wine which have been opened.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong and English law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Delivery Charges

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

PROPERTY WITH A † (SINGLE DAGGER) SYMBOL

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

PROPERTY WITH A ♦ (BLACK DIAMOND) SYMBOL

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

PROPERTY WITH A △ (OPEN TRIANGLE) SYMBOL

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 30%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Dedicated Delivery

Zachys can assist with shipments to many international destinations. Quotes vary based upon quantity and destination.

Please contact us at auction@zachys.com or 914.448.3026 to obtain a quote.

Consolidated Shipments

Zachys offers consolidated shipments between Port Chester, Hong Kong and Rotterdam several times a year. Please contact us for more information.

Rotterdam - UK

Zachys offers a free consolidated shipment to the United Kingdom, duty, excise, VAT (if applicable) and local delivery fees will apply.

Special Notices:

Split lots are available upon request for a fee.

Delivery charges will include any applicable tax, duty, tariffs, or other fees as required by laws. Buyers are responsible for import tariffs at the destination country.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.

Zachys is not responsible for any acts or omissions of any shipper with whom Buyer, not Zachys, has made arrangements to pack, ship or deliver purchased lots, including, without limitation, any packing, shipping or delivery of purchased lots
