RARE & REFINED

WINES & SPIRITS

Something for everyone, that is what we have for you in our latest sale from Zachys Europe. The phrase is often used but not always accurate, but our late spring sale is the epitome of the saying. We have such a broad spectrum of excellent wines (and whiskies), I am 100% sure you will want to bid heavily in our auction.

Playing a starring role in our sale is a magnificent collection of Riesling from Mosel giant JJ. Prüm. From older vintages to new, from half-bottle to Magnums, from Kabinett to Auslese Gold Capsule. We have it. The pricing makes this an exciting opportunity to get involved with truly something for everyone.

As I'm sure you are aware, Bordeaux En Primeur season is firmly upon us, and while my colleagues on the retail side are busy selling en primeur (and do let me know if you'd like to get in on the action) we've also got lovely, aged claret in this sale perfect for drinking while you wait on your en primeur to arrive and to age. I'm thinking you'll enjoy the likes of D'Angludet, Calon Ségur, Pavie Macquin and much more besides, we have plenty. Of course, we have the big guns too, with Latour, Margaux, Mouton, magnums of 2005 Le Pin, and a sprinkling of the exuberant Liber Pater!

Burgundy is well represented too. Not only do we have some outstanding original wooden cases from Domaine Leroy, in perfect condition I may add, but also a selection of fine d'Auvenay, and some extraordinary Rousseau. Oh, did I forget to mention we have DRC, Liger Belair, Domaine Leflaive, Cathiard, and a splash Cros Parantoux from Jayer too? Again, we have more modest but excellent level Burgundy, Taupenot-Merme and Fontaine Gagnard to name but two. Our Champagne selection is also stunning with multiple lots of Salon, Krug Clos du Mesnil, and even a little Ace of Spades.

When I said we had something for everyone I meant it. Alsace (tick), Châteauneuf-du-Pape (tick), Loire (tick), Languedoc/Roussillon (tick), Portugal (tick), Tokaji (tick), Australia (tick), New Zealand (tick), Chartreuse (tick). Whisky? oh yes, we have some whiskies! This looks like a great opportunity to grab some bottles given the estimates.

We really do have something for everyone in our late spring sale, so please do get those bids in early.

Happy Hunting,
Steve

BORDEAUX

CHÂTEAU LATOUR

Some of my fondest wine memories are of drinking wine bottles of the renowned Château Latour. It is, without a doubt, one of the greatest wine estates in the world. While its history goes well back to the fourteenth century, Latour began to be clearly defined as one of the greatest wine estates in the world in the mid-nineteenth century, and amazingly, It has kept that position for the last 150 years. Their wines, which are known for their power, richness and longevity, are sought after by collectors and wine lovers throughout the world.

As Robert M. Parker says of Château Latour in The World's Greatest Wine Estates, "The wine produced here has been an impeccable model of consistent excellence, in great, mediocre, and poor vintages. For that reason, many have long considered Latour to be the Médoc's finest wine... Latour remains one of the most concentrated, rich, tannic, and full-bodied wines in the world."

In 2000, I had the wonderful opportunity to taste over twenty-five vintages of Château Latour, including fourteen wines older than 1961 and four from the nineteenth century. It was an evening I will never forget. The wines were so rich, alive and fresh. What an extraordinary experience it was to be able to taste the 1900 and the 1899 side by side and discuss the differences, or to argue whether the 1955 or the 1949 is showing better right now (at my table we all thought the 1955 had the slight edge). In the end we tasted Latour from a 125 year span and although there was a lot of discussion about which were the better wines, the final conclusion of everyone in the room was that, "Latour makes some of the greatest wines that any of us have ever tasted."

DOMAINE DE LA ROMANÉE-CONTI

The domaine is known for picking very late, sometimes, as in 1978, later than any other producers. They prune endlessly, make many passes through the vineyards at harvest and sort grapes rigorously both in the vineyard and at the winery. Average age of the vines is around thirty-five to forty-five years with yields typically around thirty hl/ha. The wines are aged in new French oak casks for approximately twenty months. There is usually only one racking and since 1985 the wines from all casks in each cru have been blended together prior to bottling to reduce bottle variation. Recently they have been moving towards biodynamic viticultural practices. Like many of the region's leading growers they have seen concrete evidence of soil and vine health improvement. It's hard to imagine that these wines could get better, but that is what separates them from the rest of the pack: an unrelenting pursuit for perfection in the Pinot Noir grape. In addition to the majestic reds, a white is also produced from a plot in Montrachet.

BEAUTIES FROM JAYER (LOTS 90-97)

Our longtime friend and consignor keeps pleasing us by selling magical bottles from the Pope of Côte de Nuits. Provenance is perfect and storage conditions too! Don't miss this opportunity to get the rare 2001 and also 1993 Echézeaux, as well as the 1996 Cros Parantoux that are part of this Grand Cru journey.

HENRI JAYER

It is interesting to reflect upon the fact that in many ways Henri Jayet is portrayed as a modernizer in Burgundy, as many of the techniques that he pioneered in the region have been embraced by legions of vigneron, but in many respects he represented a return to a very traditional approach to winemaking. His emphasis on viticultural practices and the meticulous care that he gave to his vineyards are simply the most obvious facets of his traditional methodology. Henri Jayet revolutionized winemaking during the course of his career. Amongst his very many accomplishments was his emphasis on limiting yields in the vineyard, allowing the cooled must to macerate for a few days prior to the onset of alcoholic fermentation to allow colors to set and adding to the aromatic complexity in the finished wine and bottling the wine unfinned and unfiltered. He always spoke of the importance of treating the wine gently during the fermentation and élevage process, which he likened to "moving a sleeping baby who must be carried to its bed from the sofa upon which it has fallen asleep." He also was a proponent of one hundred percent new oak for his wines. This was the one precept of his winemaking technique that cannot be described as traditional, and it is the one most often cited by modern winemakers when they seek to sprinkle a little of the "fairy dust" of Jayet inspiration on their own wines. There is little doubt that the concept that a Grand Cru "deserves to be raised in one hundred percent new oak" that is often heard in Burgundy these days can be traced back to Henri Jayet and his success with new wood. However, one of the interesting things I have always found about Henri Jayet's wines was that I have never tasted one that was over-oaked.

LIGER-BELAIR

The current Domaine du Comte Liger-Belair was founded by Louis-Michel Liger-Belair only in 2000, but Liger-Belairs have been growing wine in Burgundy for nearly two centuries, since General Louis Liger-Belair purchased the Château du Vosne in 1815. Over the next century the domaine grew through marriages and purchases until it included the monopoles of La Romanée, La Tâche and La Grande Rue, and substantial holdings in many of the other greatest vineyards of the Côte de Nuits. Unfortunately the passing of Comte Henri Liger-Belair in 1924 and his widow the Comtesse in 1931 meant that the estate was to pass equally to their ten children, and the law of the time provided that for any of the heirs to receive their portion in land rather than cash, all must have reached legal adulthood. Two had not, and when three of the other siblings did not want to wait to receive their inheritance, there was no choice but to put the entire domaine up for sale.

At that auction, Louis-Michel's grandfather Comte Michel and one brother joined to purchase what they could, and walked away with three pieces of vineyard land in Vosne-Romanée, the monopole La Romanée and parcels of Reignots and Chaumes. The wines were released under the names of various negociants until Louis-Michel began to take back vineyards to produce the wines himself. He continues to refine his practices, most recently with a complete conversion to biodynamic farming and to gentler presses, which he believes has improved the quality of the tannins, and has in just a decade solidly re-established the Liger-Belair name as one of the most reliable producers of top class Burgundy.

DOMAINE LEROY

How do you determine great? Is it size? Is it quality? Is it price? Is it 'reputation' (whatever that is)? Is it the amount of media coverage? However you do compute it, the greatest domaines of Burgundy today must be those under the control of Lalou Bize: the Domaine Leroy and her own Domaine d'Auvenay. The estates of Jadot, Faiveley and Bouchard Père et Fils are far larger, that of Romanée-Conti the most splendid in terms of the percentage of Grand Cru terroir, but for the nobility of its wines, pride of place must go to Leroy and to Domaine d'Auvenay. The sheer concentration, depth and intensity Lalou Bize manages to squeeze into her bottles is breathtaking. Lalou, born in Paris, was brought up in Meursault, in the mansion today occupied by her daughter Perrine. "From the word go I was fascinated," she says. "I was a cellar rat, watching and helping the cavistes rack the wines, taste them, bottle them. My mother kept calling me to come out of the cellar and play with my friends like a normal schoolgirl, but as soon as I could I crept back." In 1955 she persuaded her father to let her take over. She was twenty-three. "He gave me carte blanche," she says. "I started as I meant to go on. I bought finished wine, and only that which pleased me."

Lalou is now happy at the Domaine Leroy and on her own. "Look at my vines," she will say. "Look how healthy and comfortable they are." And, being Lalou, she will not fail to point out a neighbor's plot of excessively abundant, uncontrolled growth. "And come and taste the wine." Lalou's wines, according to her, are always 'extra'. The one-time cellar rat is now a master in her own right, and the wines she produces are triumphantly brilliant.

DOMAINE D'AUVENAY

Domaine d'Auvenay is the personal domaine of Lalou Bize-Leroy. When we think of Domaine Leroy, we think of tiny quantities of some of Burgundy's greatest wines. At Domaine d'Auvenay the quantities are microscopic, the quality just as high. The estate's entire holdings are around just four hectares. Even by top end Burgundy standards it is tiny. However since she first established the Domaine in 1989 it has gone on to become the stuff of legend among Burgundy collectors and connoisseurs the world over.

These are ultra-rare and the best of the best, no serious cellar is complete without them.

One will notice that many perfectly stored bottles from Domaine d'Auvenay will have assessment notes of signs of seepage. This is due to the fact they are overfilled at the domaine and are not an indication of poor storage conditions.

KRUG

Of all the wine world's luxury brands, Krug is perhaps the most glittering. No expense is spared in its production, though the techniques used are in fact remarkably artisanal, including fermentation in small, old wooden casks. Time is of the essence: the overall ageing cycle is the best part of a decade here, with all wines being aged for at least six years sur pointes (upended, after the "ordinary" ageing period that follows the second fermentation is concluded). No expense is spared, either, in the pricing of its five wines, the cheapest of which, Grande Cuvée, costs as much as many rival houses' top cuvees. This is a wine of magnificent complexity and layered richness, nourishing and diverting, as detailed and textured as a Gobelin tapestry. It contains wines from a decade's worth of vintages and from at least twenty different crus (not all of them Grand or even Premier, one might note); Krug makes no secret, too, of its need and love for Pinot Meunier. (The Krug 1928 vintage, regarded by the family as the greatest ever, contained twenty percent Meunier, and there is eighteen percent in the finely honed 1988.) There is also a relatively understated rose of pale tawny hue, and a series of vintage wines of magnificent stylistic oscillation, fully respecting the potential of each year. The Collection vintage wines have spent more years in the Krug cellars in Reims; disgorgement took place at the same time as for "ordinary" vintage wines. Finally, a champagne de terroir: the pure Chardonnay Clos du Mesnil, vinified from wines in a genuine 1.9 hectares walled vineyard within the village of Le Mesnil, purchased by Krug in 1971, and released as a vintage wine beginning with 1979. In great years (like 1988) it is magnificent and multi-dimensional.

SALON

With its first vintage in 1905, Champagne Salon began
its tradition of extreme attention to terroir, quality, and
precision. The unique vineyard Le Mesnil-Sur-Oger, where
the grapes are sourced, is nestled in the heart of the Côte
des Blancs – the home of Chardonnay in Champagne.
Made with 100% Grand Cru Chardonnay only in the best
years, the wines are cellared in bottle for an average of ten
years before release. Simply put, this is a grand vin...with
bubbles.

J.J. PRÜM PRUNING SEASON (LOTS 209-282)

We're sure you have never seen this kind of full complete collection from J.J. Prüm. From old vintages in half-bottles to new vintages in magnum, there's something for everyone.

If you wish to learn more about the great work J.J. Prüm is doing in the world of Riesling and German wine, then this is the collection for you! This European consignor is truly passionate about Riesling and wants to share this gold mine of impeccable wines.

JJ PRÜM

No account of the estates of the Mosel would be complete without an account of JJ Prüm, which is without doubt a leader in the region, and thus in all Germany. Although the Prüm family were well established as viticulturists and winemakers, having been tending vines along the banks of the Mosel since the seventeenth Century, the JJ Prüm estate only came into being in 1911, when the family vineyards were divided into two. The original estate, which owed much of its existence to Sebastien Alois Prüm, was divided between two grandchildren, and the share taken by Johann Josef Prüm is the one that interests us here. The other portion of the estate still exists today, under the name of SA Prüm. Following its genesis with Johann Josef as curator, the estate was then tended by his son Sebastien Prüm and subsequently by the current incumbent, the next generation, Dr Manfred Prüm, who took control in 1969. All three have been responsible in their own way for building up and consolidating the reputation of the estate to the level that it possesses today.

"...smells of flambeed peach, lemon meringue, and black currant preserves. On the cusp of B.A. in must weight and honied richness, it preserves the liveliness and lightness of touch and sheer drinkability conveyed by fresh grapes. Seductive inner-mouth perfume of flowers and spices overlie a tropically opulent, subtly botrytized pool of fruit that remains transparent to mineral nuances. Insistent citricity keeps the flavors lively through to a finish of refinement and lift..93-94."WA 2/07.

THE MACALLAN

Irish monk St. Fillan was a Christian missionary who lived in the eighth century. During his travels through what is modern day Speyside in Craigellachie, Moray, he noted how fertile the land was. The Macallan, derived from Gaelic, is associated with prestige and quality and the reputation has lived on for well over 1000 years.

Exclusively using sherry casks in their older bottlings, their maturation and their style are known to be some of the most dense and rich whisky in Speyside and beyond.

The famed distillery has changed hands a few times over the centuries but the ultra-soft water source from deep underground remains constant. The demand for The Macallan malts far overshadows the supply and, as a result, any limited release by this distillery becomes an instant treasure.

Many purists of The Macallan maintain that the vintage bottles with distillation dating back from the 1970s contain some of the famous distilleries greatest drams.

PEFOLDS GRANGE

Penfolds' first vineyard was established in 1844 at Magill, South Australia, by Dr. Christopher Rawson Penfold. For over 100 years, Penfolds, like most Australian wineries, produced mostly fortified wines and brandies. In 1950, Penfolds chief winemaker, Max Schubert, visited Europe, primarily to study sherry production in Spain. However, the last leg of the trip was a stop in Bordeaux where he was served forty plus year old examples of the great growths of the region. Being awed by the longevity of these unfortified reds, Shubert sought to produce a wine in Australia endowed with the same long-lived potential as the greats of Bordeaux.

On his return to Australia he instituted at Penfolds many of the winemaking techniques he had seen in Bordeaux. Shubert sought greater control over the fermentation process than was typical in Australian wineries at the time. He was, however, limited by Australia's lack of Bordeaux grape varieties. Thus, Schubert decided to base his wine on the Shiraz grape, which was already grown in abundance all over South Australia. The early vintages of this experimental wine were made from Shiraz grapes grown at Magill and Morphett Vale near Adelaide. The wine was aged in new American oak for one year, lending an exotic wood character to match the rich Shiraz fruit.

The fulfillment of Shubert's goal became known as Penfolds Grange Hermitage (and after the 1989 vintage simply as Penfolds Grange). The 1952 vintage was Schubert's first commercial vintage. Critics rejected early vintages in their youth for tasting like dry port and Schubert was ordered by the Penfolds Company to stop

production in 1956. However, he continued making wine in secret for the vintages of 1957, 1958 and 1959 using no oak. In 1960 one of the Company's board members went back to taste the original Granges. At eight or nine years old with a little maturity the 1951, 1952 and 1953 were finally opening up, fruit emerging with the tannins softening, enhanced by the sweetness of the oak. The wines were now showing great promise, the quality finally being recognized and Penfolds resumed commercial production. At that point, Max Schubert and Grange ushered in the modern age of Australian wine. The 1955 vintage of Grange won a gold medal at the Sydney Wine Show in 1962, and since numerous vintages have won 126 gold, seventy-six silver and forty-two bronze medals, plus twenty-eight trophies and seven championship awards at various competitions in Australia and abroad.

Penfolds Grange is still produced with top quality materials and practices, affording at least a thirty to fifty year lifecycle in the best vintages. Penfolds has been produced every year since 1951, with good bottles from the 1950s and 1960s still affording exceptional drinking. Grange classically displays dazzling aromatics, deep color, and a striking youthfulness with a palate redolent of blackberries, plums, leather, cedar, cassis and smoke. A lovely silky texture is another hallmark of the Grange style. With a track record of unrivalled excellence spanning the last fifty plus vintages, Penfolds Grange has risen to be recognized as Australia's finest wine.

CHARTREUSE

CHARTREUSE

Chartreuse: The elixir of long life holds a unique place both in the market, and in the cellars of connoisseurs. It's a beverage so unique, so steeped in history and shrouded in mystique, that it excites the heart, the brain, and the palate like few other drinks. It is rare, especially the older bottles and large formats, and despite the fact that it's a 400-year old beverage, it remains artisanal—the recipe is a secret and supposedly known by only two monks.

Today, there are five main kinds of Chartreuse. The Elixir Végétal, which is made from the original recipe, is highly concentrated (69% alcohol) and sold in small bottles. Green Chartreuse, with its bewitching natural green color, is made from 130 different plants (the precise recipe is known by only two monks at a time). Yellow Chartreuse is sweeter than green, and was introduced to the market in 1840. V.E.P. (Vieillessement Exceptionnellement Prolongé, or “exceptionally prolonged ageing”) Yellow and Green are the same as the regular Green and Yellow except, as the name suggests, aged for an extra-long time in oak.

Buying & Bidding Information

Prior to bidding, all participants must read the Buying & Bidding Information and the Conditions of Sale contained in this catalog that state the terms governing the purchase of alcoholic beverage products sold at auction. Auctions are operated by: (i) Zachys Europe Limited in respect of auctions which are conducted from the United Kingdom; (ii) Zachys Asia Limited in respect of auctions which are conducted from Hong Kong; (iii) Zachys Wine Auctions, Inc in respect of auctions which are conducted from anywhere else in the world; and (iv) in respect of online-only auctions, the entity stated in the auction particulars as operator of the auction, (each referred to as "Zachys") acting as agent for and on behalf of the relevant consignor of the goods to be offered for sale (the "Consignor"). By participating in an auction, an auction participant ("Buyer") agrees to be bound by this Buying & Bidding Information and the Conditions of Sale in this catalog (whether in print or online).

Estimates

Catalog lot entries include a description of every lot and an estimated price range that is our opinion of the price expected at auction. Estimates are a guide for bidders and generally reflect prices recently paid at auction for comparable alcoholic beverage products. Each estimate takes into account, among other things, condition, rarity, quality and provenance (history of ownership, to the extent known). Estimates are determined in advance of the sale and are therefore subject to revision. Buyers should not rely upon estimates as a prediction of actual selling prices.

Estimates do not include Buyer's Premium or sales tax. Certain lots may be noted with "Estimate on Request" instead of a printed value in the catalog. Please contact a Zachys specialist for further information and bidding assistance.

Buyers Premium

A 25% Buyer's Premium (exclusive of sales tax) will be added to the successful bid price of each lot purchased and is payable by Buyer, together with all applicable sales tax, as stated in the Conditions of Sale.

Reserves

Unless otherwise indicated, all lots are sold subject to a reserve. A reserve is the confidential minimum price established between Zachys and the Consignor. The reserve will not exceed the low estimate for the lot. If any lot in the catalog is not subject to a reserve, the lot will be identified by the symbol (▼) next to the lot title.

Examination of Wines

Zachys endeavors to select quality wines for auction and uses leading reputable expert(s) to assist Zachys in examining wines for auction. However, to the fullest extent permissible by law, Zachys and any Consignor disclaim any liability arising out of any description or error or omission in any description or any decision by the Buyer to rely on Zachys or any Consignor. Prospective Buyers are urged and advised to examine any lots carefully prior to the auction at our temperature-controlled warehouse and can do so by appointment. Please contact Zachys at +1.914.448.3026, +852.2530.1971 or +44.333.305.5907 to set up an appointment.

Bidder Registration

No person shall bid or buy in any auction (or be shipped any property bought in any auction) who has not agreed (either in writing or electronically) to be bound by the Conditions of Sale and this Buying & Bidding Information. If a prospective Buyer has not previously bid with Zachys, a government issued photo identification (such as National Identity Card or Passport) may be required prior to registration for any sale.

If a business organization registers to bid in an auction, a Business Registration or a Certificate of Incorporation and/or proof of director may be required in order to obtain a paddle. First time Buyers may settle invoices by wire transfer or check only. Zachys requires front and back copies of all credit cards for new Buyers along with picture identification.

Prospective Buyers are asked to supply a bank reference to register for the auction. To avoid delay in the release of purchases, please pre-arrange check or credit approval through our Finance Department at +1.914.874.8034, +852.2530.1971 or +44.333.305.5907.

All bidders who wish to attend the live auction are asked to preregister for a paddle at least two business days in advance of the auction. If you plan to attend the auction, a Bidder Pre-Registration Form is provided in this catalog or at auction.zachys.com. Complete and either fax the form to +1.914.313.2350, +852.3014.3838 or or email the form to bid@zachys.com or asia@zachys.com at least two business days prior to the auction. Bidders should arrive at least 30 minutes before the scheduled sale of the lot on which they plan to bid to retrieve a paddle.

Bidding

Lots are auctioned in consecutive numerical order, as they appear in the catalog. The auctioneer will accept bids from (i) those present in the saleroom, (ii) absentee bidders participating by telephone, online or by written bid provided to Zachys at least 24 hours prior to the first and session of the auction, or (iii) live over the internet. The auctioneer may also execute bids on behalf of the Consignor's reserve; however, under no circumstances will the auctioneer place any bid on behalf of the Consignor at or above the reserve. The auctioneer will not identify bids placed on behalf of the Consignor. Prospective Buyers who have registered to bid by more than one method (for example, both as an in-saleroom and absentee bidder) must monitor all of their bidding activities (including in-saleroom bids, absentee bids, and online bids) to prevent bidding against themselves. Subject to the section headed "Right of Cancellation" in the Conditions of Sale (in the case of consumers only), for all Zachys live and online auctions, all bids are final and will not be cancelled.

Bidding by Zachys

Zachys reserves the right to bid on any lot on its own behalf, subject to the same terms and conditions applicable to all other Bidders.

Parcel Lots

A parcel is a sequence of lots carrying the same estimates and consisting of the same type, quantity and bottle size. In this sale the Buyer of the first lot of a parcel will have, at the discretion of the auctioneer, the option to take any or all further lots in the parcel for the same price. If the option is not exercised on all lots in the same parcel, the auctioneer will open bidding on the next unsold lot and offer the Buyer of that lot the option to take any or all of the remaining lots in the parcel sequence. Bidding shall continue in the same manner until all lots in the parcel have been offered and declared sold or unsold by the auctioneer. Live Online bidders who purchase the first lot in a parcel will be sent a message requesting that they choose how many additional lots in the parcel they would like to purchase. If the Live Online bidder does not respond to the message, the auctioneer will open the next unsold lot in the sequence.

Bids should be placed on the first lot in a parcel. In the event that a bid is placed on a subsequent lot, Zachys will move the bid to the first lot in the parcel. An unsuccessful bid on the first lot in a parcel will be carried to the next lot and executed on that lot. If unsuccessful again, the bid will be carried to the next lot in the parcel until all lots have been offered.

Online, Absentee, & Telephone Bids for Live Auctions

Please note: Zachys offers the following services as a convenience to clients. Zachys is not responsible for any error in connection with or failure to execute absentee, telephone or online bids.

Online Bids

Live auctions will open for bidding on our website at www.auction.zachys.com approximately 3-4 weeks before the scheduled live auction date. Bids may be submitted online during this period.

There are two ways to bid online: (i) submit the starting/next bid or (ii) submit a maximum bid. To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

Prospective Buyers may also bid during the live auction on our website at www.auction.zachys.com.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity. In the event of a dispute, the auctioneer's declaration of winning bid and paddle number shall be determinative. In the event of communication delays or failures, the auction will not be stopped. Live online bidders should consider providing Zachys with emergency absentee bids.

Absentee Bids

If you are unable to attend the auction in person and wish to place bids, you may give Zachys instructions in writing to bid on your behalf. Zachys' representatives will then try to purchase the lot or lots of your choice for the lowest price possible, taking into account the reserve price and other bids. This service is free and confidential. To place absentee bids, use the form provided herein or at www.auction.zachys.com. Be certain to accurately record the lot numbers and the highest hammer price you are willing to pay for the lot.

Please note: Your bid amount does not include Buyer's Premium or applicable sales tax. Buyer's Premium and applicable sales tax will be added to the hammer price of each lot.

Absentee bids must be submitted in consecutive numerical order, or they will not be executed. In addition, please use the bid increments included on the absentee bid form. If bids are submitted incorrectly, Zachys will round your bid up to the next increment. Please place bids as early as possible and at least 24 hours prior to the start of the first session of the auction. In the event of identical bids, the earliest bid received will take precedence. By registering and submitting absentee bids, prospective Buyers agree to be bound by the Conditions of Sale.

Telephone Bids

Prospective Buyers may bid by telephone during the live sale. Telephone bids are accepted only at Zachys' discretion and at the prospective Buyer's risk. Because of limited phone lines in the saleroom, Zachys must confirm arrangements for this service at least 48 hours prior to the start of the first session of the auction. At Zachys' discretion, telephone bids may be limited to lots with a value above US\$2,000, HK\$16,000 or GBP£2,000 and may be recorded. By submitting a telephone bid, prospective Buyers agree to be bound by the Conditions of Sale.

Bidding in Online Auctions

Bids can be submitted anytime during the course of an online auction on our website at www.auction.zachys.com.

There are two ways to bid: (i) submit the starting/next bid or (ii) submit a maximum bid.

To simplify the bidding process, Zachys uses predetermined bidding increments. If a maximum bid is submitted, bids will be placed on your behalf only as much as is required to ensure you remain the highest bidder (up to your maximum bid). In cases when two equivalent maximum bids are submitted, the earlier one will hold.

All bids submitted online are immediately executed. You cannot cancel a bid once it has been submitted. You may, however, adjust your maximum bid while it is higher than the current standing bid.

Estimates and Bid amounts may be shown in a secondary currency, shown in parentheses (), by the user selecting a preferred viewing currency on the website. Please note these values are only an estimate, based on recent exchange rates, and all bids as well as final payments will be conducted in the sale's primary currency.

By registering and bidding on the internet, prospective Buyers agree to be bound by the Conditions of Sale. Zachys assumes no responsibility for disputes or errors arising from online bid activity.

Taxes

Buyers are responsible for the payment of any tax, tariff, duty or other fee which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale.

All bids placed by Buyers are deemed to be submitted exclusive of any sales tax including United Kingdom value added tax and/or any other applicable tax of a similar nature, which shall (if required) be payable by the Buyer at the appropriate rate. Applicable VAT or sales tax is charged on the successful bid price, Buyer's Premium, and any other applicable charges on any other property purchased by the Buyer from Zachys unless Buyer has a valid exemption therefrom. All such taxes shall be paid by Buyer at the time of delivery to Buyer at Zachys' licensed location.

Buyers claiming exemption from sales, use or other tax must provide Zachys with documentation, which, in Zachys' sole discretion and judgment, is satisfactory evidence of such exemption, prior to the release of property to the Buyer. Buyers claiming such exemption who are licensed dealers of alcoholic beverages must submit resale certificates and a copy of their valid licenses to Zachys prior to registering for the sale.

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to Zachys Europe Limited auctions and deliveries within the European Union, as prescribed

by the symbols accompanying each lot in this catalogue:

Property with a † (Single Dagger) Symbol

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Property with a ♦ (Black Diamond) Symbol

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

Property with a △ (Open Triangle) Symbol

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 30%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

All questions regarding tax and exemptions should be directed to Zachys Finance Department at +44.333.305.5907, +852.2530.1971 or +1.914.874.8034.

Owned or Guaranteed Property

Zachys offers property consigned by others for sale at public auction. Occasionally, lots are offered which have in the course of the sale process become the property of Zachys. These lots are identified with the symbol (■) next to the lot number.

On rare occasions, Zachys may guarantee a minimum price to the Consignor. Such lots are identified in the catalog by the symbol (▣) next to the lot number. Guaranteed lots may also be sold subject to a reserve.

Successful Bid

The fall of the auctioneer's hammer indicates the final bid, at which time the Buyer assumes full responsibility for the lot. Successful bidders will be notified and invoiced within a few days of the sale. Successful Buyers will pay the price of the final bid plus a 25% Buyer's Premium plus any applicable taxes for each lot purchased.

Payment

For zCollection purchases, Zachys will auto-charge the credit card on file for the full invoice amount within 48 hours of the sale close.

For live auction purchases, Zachys will auto-charge the credit card on file for invoices up to US\$20,000, HK\$150,000, or GBP £15,000 within 48 hours of the sale close. American

Express cards may be charged the full invoice amount without limit.

In respect of all other purchases, buyers are expected to pay for purchases within 14 calendar days of purchase for live sales and 7 calendar days of purchase for internet sales. At the end of this 14 or 7 calendar day period (as applicable), Zachys reserves the right to charge the Buyer's credit card on file for any amounts still due. All amounts remaining due after this 14 or 7 calendar-day period will be subject to a 2% per month late charge. In addition, any payments in default after 21 calendar days will incur a penalty equal to 3% of the purchase price. Additional late fees equal to 3% of the total purchase price may be charged for every 14 calendar days past the initial 21 calendar-day period. All payments are made on account until all invoices and all balances due are paid in full.

To avoid delays in the release of your purchases, prospective Buyers are requested to supply bank references prior to the auction.

Payment can be made by credit card, check, money order, or bank wire transfer. In the event of third-party payments, Zachys may require an Authorization Letter from both parties.

Payment by Credit Card

Zachys reserves the right to charge Buyer's credit card and to immediately assess the relevant late payment charges set out above, should payment be past the due date, notwithstanding that the amount of such charge may exceed the maximum amount.

Collection of Purchases

Buyers are expected to remove their property within 14 calendar days of the auction. Prospective Buyers' attention is drawn to the Conditions of Sale, including Condition 9.

Collection & Delivery

It is the Buyer's responsibility to pick up purchases or make shipping arrangements within 14 calendar days of the auction. Zachys will not automatically arrange for the delivery of purchased products.

After payment has been received, Zachys can assist in the arrangement of packing, transit insurance, and shipping at the Buyer's expense, direction and request.

Please submit the Collection & Delivery Form to expedite payment and delivery for auction purchases.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Delivery Restrictions

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations. Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

Shipment of Spirits

Prospective Buyers should be advised there are certain restrictions regarding the shipment of spirits. Many countries and states impose limitations on quantity, high duties, and/or taxes, and prospective Buyers should be aware of export and import restrictions.

Translation

The terms and conditions have originally been drafted in English. In the event that any translation of the terms and conditions is prepared, the provisions of the English version shall prevail.

Conditions of Sale

These Conditions of Sale are Zachys' and the Consignor's entire agreement with the Buyer with respect to the property listed in this catalog. The Conditions of Sale and all other contents of this catalog may be amended by posted notices or oral announcements made during the sale. The property will be offered by Zachys as agent for the Consignor, unless the catalog indicates otherwise. By participating in an auction, you agree to be bound by these terms and conditions.

1 This catalog endeavors to describe the property listed herein accurately. However, save as otherwise expressly set out in these Conditions of Sale, and to the fullest extent permissible by law, Zachys and the Consignor shall not be liable for any such description and expressly disclaim any representation or warranty regarding the origin, physical condition, merchantability, fitness for a particular purpose, correctness of catalog description, size, quality, condition, rarity, authenticity, attribution, value, importance, provenance, previous storage conditions or historical relevance of any property herein. Zachys further retains the absolute right to amend at any time and in any manner any description of any property contained in any catalog, and shall take reasonable steps to inform Buyers of such change prior to the conclusion of any purchase. Classifications in the text are for identification purposes only and based on standard sources. Buyers must make appropriate allowances for natural variations in ullages, conditions of cases, labels, corks and wine. Each statement contained in any catalog and each other statement, whether oral or written, and whether made at an auction or in an advertisement, bill of sale, addendum, posting, notice, announcement or otherwise, is a statement of opinion only and (subject to the next sentence) shall not be relied upon by any Buyer or otherwise be deemed a warranty or representation.

The previous sentence does not apply to the sale of goods acting as consumers in the United Kingdom – Zachys is under a legal duty to ensure that such goods are in conformity with their description. Images appearing in this catalog or elsewhere are for illustrative purposes only and may not be relied upon to reveal imperfections in any products. Zachys and the Consignor make no representation or warranty, express or implied, as to whether the Buyer acquires any copyright or other reproduction rights in any property. To the fullest extent permissible by law, neither Zachys nor the Consignor shall be liable for errors or omissions in the catalog or any supplemental material. Prospective Buyers are urged and advised to inspect the property before the auction, including the cases, labels, corks and wines, and must satisfy themselves by inspection or other means as to all considerations pertinent to any decision to place any bid. EACH PRODUCT AND EACH LOT HEREIN IS SOLD "AS IS," AND, TO THE FULLEST EXTENT PERMISSIBLE BY LAW, BUYERS EXPRESSLY DISCLAIM ANY RELIANCE ON ZACHYS, THE CONSIGNOR, OR THE CATALOG. No provision of the Buyer & Bidding Information or these Conditions of Sale shall limit

or exclude Zachys' or the Consignor's liability for: (i) fraud; (ii) fraudulent misrepresentation; or (iii) death or personal injury arising from its negligence.

2 The purchase price payable by the Buyer ("Purchase Price") will be the sum of the final bid price (the "Hammer Price"), the Buyer's Premium and the Protection Fee, when applicable, together with any applicable sales tax. The Buyer's Premium is 25% of the Hammer Price. The Protection Fee is 1% of the Hammer Price plus the Buyer's Premium.

3 Zachys reserves the right to withdraw any property or cancel any sale before or at the sale and shall have no liability whatsoever for such withdrawal or cancellation.

4 Zachys reserves the right to reject any bid. The highest bidder acknowledged by the auctioneer will be the Buyer. In the event of any dispute between bidders, or any other issue with respect to the bidder, the auctioneer will have absolute discretion to determine the successful bidder, to continue the bidding, to cancel the sale or to reoffer and resell the property in dispute. If any dispute arises after the sale, Zachys' sale record is conclusive.

5 In its sole discretion, Zachys may accept and execute absentee bids (written bids submitted to Zachys prior to the sale), telephone bids and internet bids as a convenience to clients who are not present at auction.

6 Unless otherwise indicated, all lots in this catalog are offered subject to a reserve, which is the minimum price the Consignor is willing to accept. This amount is confidential and will not exceed the low presale estimate. Lots not subject to a reserve are identified with the symbol (d) next to the lot number. Zachys shall act to protect the reserve by bidding through the auctioneer. The auctioneer may open bidding on any lot below the reserve by placing a bid on behalf of the Consignor. The auctioneer may continue to bid on behalf of the Consignor up to the amount of the reserve, either by placing successive bids or by placing bids in response to other bidders.

7 Title to the offered lot passes to the Buyer upon the fall of the auctioneer's hammer and the announcement by the auctioneer that the lot has been sold, subject to compliance by the Buyer with all other Conditions of Sale and the Buying & Bidding Information.

8 The Protection Fee is 1% of the hammer price plus the Buyer's Premium for all arranged deliveries of purchased property. In return for payment of the Protection Fee, purchased property will be protected against breakage, loss, theft or fire and other losses as covered by Zachys' insurance

while in transit to the Buyer's declared point of destination. If Buyer elects to decline the protection afforded by the Protection Fee, Buyer thereupon assumes full risk and responsibility for the lot while in transit.

9 No property may be removed from Zachys' premises until Buyer has paid the Purchase Price in full plus all other fees and taxes (inclusive of any taxes due in the location of the auction on Buyers who are not residents of such location) and has satisfied such terms as Zachys, in its sole discretion, shall require. Zachys reserves the right to withhold all property until such time as all outstanding amounts are paid in full from purchases from any prior auction(s). Upon receipt of full payment, Zachys will issue a Release Order, which must be presented in order for Zachys to release purchases made at auction. Subject to the foregoing, all lots are to be paid for no later than 4:30 PM (local time at the place of the auction) on the fourteenth calendar day following the live sale, and removed from Zachys' premises at Buyer's expense no later than 90 calendar days after the date of sale. If payment is not made within 14 calendar days of purchase for live sales and 7 calendar days of purchase for net sales, Zachys reserves the right to impose a late charge of up to 2% per month of the Purchase Price, in addition to any other rights and remedies available by law to Zachys. Any payments in default after 21 calendar days of purchase will incur a penalty equal to 3% of the Purchase Price. Additional late fees equal to 3% of the Purchase Price may be charged for every 14 calendar days past the initial 21-calendar-day period. If Buyer fails either to timely remove the purchased lots from Zachys' premises or make timely arrangements with New York Fine Wine Storage or Newcorp Logistics to store the purchased lots, Zachys may transfer such property to a public warehouse for the account, and at the risk and expense, of Buyer. If a lot has not been collected within 90 calendar days of the date of sale and Zachys does not transfer the uncollected property to a public warehouse, Buyer will be liable to Zachys for interest, storage fees, and handling charges.

10 Zachys is not responsible for acts or omissions by itself or others in packing or shipping, whether or not the carrier or packer is recommended by Zachys. Packing and handling of purchased lots are entirely at the risk of Buyer. Zachys may, at the request and direction of Buyer and for an administrative fee, make arrangements for the consolidated shipment by common carrier of the purchased lots, provided that Zachys is not liable in any way therefore.

11 If Buyer fails to comply with any of these Conditions of Sale, Buyer will be in default and Zachys may avail itself of all remedies available by law, including, without limitation, the right to (i) hold such defaulting Buyer liable for the Purchase Price including all fees, charges and expenses, (ii) cancel the sale of that lot and

any other property sold to Buyer, (iii) resell the property without Reserve at public auction or privately on reasonable notice to the Buyer, (iv) pay the Consignor an amount equal to the net proceeds payable in respect of the amount bid by the defaulting Buyer and then resell the property to a third party without Reserve at public auction or privately on reasonable notice to such Buyer, and/or (v) take such other action as Zachys deems necessary or appropriate. If Zachys resells the property pursuant to clause (iii) or (iv) above, the defaulting Buyer shall be liable for the payment of any deficiency between the Purchase Price and the price obtained upon resale pursuant to clause (iii) and (iv) above and all costs and expenses, including, without limitation, warehousing, the expenses of both sales, reasonable attorneys' fees, commissions, incidental damages and all other charges due hereunder. In the event that such Buyer pays a portion of the Purchase Price for any or all lots purchased, Zachys shall apply the payment received to such lot or lots that Zachys, in its sole discretion, deems appropriate. Any Buyer who fails to comply with these Conditions of Sale will be deemed to have granted Zachys a security interest in, and Zachys may retain as collateral security for such Buyer's obligation to it, any property in Zachys' possession owned by such Buyer. Zachys shall have the benefit of all rights of a secured party under the Uniform Commercial Code or applicable law adopted in the jurisdiction where the auction is held.

12

Payment will not be deemed to have been made in full until Zachys has collected good funds. In the event Buyer fails to pay any or all of the Purchase Price for any lot within 30 calendar days of sale and Zachys nonetheless elects to pay the Consignor any portion of the sale proceeds, Buyer acknowledges that Zachys shall have all of the rights of the Consignor to pursue the Buyer for any amounts paid to the Consignor, whether at law, in equity, or under these Conditions of Sale.

13

Notwithstanding any other terms of these Conditions of Sale, if within 3 calendar days of the date of delivery of the property, Buyer notifies Zachys in writing of a claim that any lot is short, ullaged, or has suffered breakage, then Zachys in its sole discretion will decide any such claim as between the Consignor and Buyer and may rescind the sale and refund all or part of the Purchase Price received. This does not affect any other rights of the Buyer at law or under these Conditions of Sale.

Notwithstanding any other terms of these Conditions of Sale, if a Buyer purchased property that is inauthentic and returns such property to Zachys within 90 calendar days of the date of delivery, then Zachys agrees to rescind the sale and refund the Purchase Price received.

The benefit of this Condition of Sale 13 is not assignable and shall be applicable only to the original Buyer of the lot and not to subsequent assigns, buyers, heirs, owners or others who have acquired or may acquire an interest therein.

At its discretion, Zachys will not always cut the bands on original packaging of younger wines. In such cases, Zachys will not accept returns for any issues the Buyer might discover after the band is cut.

14

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot

15

Prospective Buyers are also reminded that various jurisdictions impose limitations on the quantity of alcoholic beverage products which may be purchased and brought into their jurisdiction by a purchaser from another jurisdiction, without requiring the purchaser, a consignor or shipper to possess certain licenses or permits. Zachys and Consignor shall not as a condition of sale assume any obligation or bear any responsibility whatsoever for applying for or obtaining the requisite permits or licenses in the event the quantity purchased exceeds said limitations.

Therefore, all prospective Buyers are strongly advised to investigate the possibility of such limitations and to determine the manner in which alcoholic beverages shall be brought into the jurisdiction so as to comply with all local requirements.

This remedy shall be in lieu of any other remedy which might otherwise be available to Buyer as a matter of law or at equity, and neither Zachys nor the Consignor shall be liable, in whole or in part, for any indirect, special, punitive, incidental or consequential damages, including, without limitation, loss of profits.

16b

For auctions that are held in the United Kingdom, the respective rights and obligations of the parties with respect to the Conditions of Sale and the conduct of the auction shall be governed by and construed in accordance with the laws of England and Wales. By participating in an auction, whether in person or by agent, absentee bid, telephone bid, online bid or other means, the Buyer irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with these Conditions of Sale, the Buyer & Bidding Information or their subject matter or formation. 17

All offers and sales of alcoholic beverage products by Zachys are subject to the local laws governing the sale of alcoholic beverage products in the jurisdiction in which the auction takes place.

17a Right of Cancellation

This section only applies to Buyers based in the European Union or United Kingdom who are acting as consumers (i.e. for purposes unconnected with their trade or business) who have purchased in an auction held in the United Kingdom.

In the event that the Buyer purchases a product in any way other than in person at an auction (such other way being, for example, by way of absentee, telephone and/or online bid), the Buyer shall have a legal right to:

- (i) withdraw any bid at any point prior to acceptance by Zachys (i.e. at the fall of the hammer); and/or
- (ii) cancel any purchase within 14 days, which period shall expire after 14 days from the day on which the Buyer (or any third party indicated by the Buyer to receive such delivery) acquires physical possession of the goods (or the last good, in the case of multiple deliveries as part of the same lot) or,

To exercise the right to cancel any purchase, the Buyer is required to:

- (i) inform Zachys of such decision by a clear statement in writing to [auction@ zachys.com](mailto:auction@zachys.com) by no later than the expiry of the above cancellation period; and
- (ii) send back the goods to or hand over the goods in person at Newcorp Logistics, Sikkell 13, 3274 KK Heinenoord, The Netherlands without undue delay and in any event no later than 14 days from the day on which the Buyer sends the relevant cancellation notice.

Subject to the foregoing, in the event that the Buyer cancels any purchase, Zachys shall reimburse the Buyer all payments received by it from the Buyer, including any costs of delivery paid to Zachys (except for delivery costs exceeding the least expensive type of standard delivery). The Buyer is required to bear the direct cost of returning the goods.

Zachys shall make the reimbursement without undue delay, and not later than: (i) 14 days after

the day Zachys receives back from the Buyer any goods supplied; or (ii) if earlier, 14 days after the day the Buyer provides evidence that it has returned the goods. If possible, Zachys shall make the reimbursement using the same means of payment as used by the Buyer for the initial transaction, unless expressly agreed otherwise.

Zachys may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of handling by the Buyer other than as necessary to establish the nature and characteristics of the goods. For the avoidance of doubt, this cancellation right will not apply to any bottles of wine which have been opened.

18

District of Columbia and New York State law requires that Buyers of alcoholic beverages must be at least 21 years of age. Hong Kong and English law requires that Buyers of alcoholic beverages must be at least 18 years of age. Buyers should observe and comply with the applicable laws relating to the purchase of alcoholic beverages in the jurisdiction where the auction is held. By participating in the auction, each Buyer represents and warrants to Zachys that he, she or it has the legal capacity to purchase, receive, and possess any lot purchased.

19

Zachys does not ship alcoholic beverage products. As an accommodation to Buyers, Zachys may arrange to have property packed, insured and delivered at Buyer's expense and direction, but (other than as provided in Condition of Sale 8) Zachys shall have no liability or obligation for shipping alcoholic beverage products. Zachys makes no representation, and assumes no obligation, with respect to the legality of shipment of alcoholic beverage products into any jurisdiction. Zachys urges all Buyers to investigate and understand the alcoholic beverage products shipping laws and regulations of the jurisdiction to which they intend the alcoholic beverage products to be shipped prior to the purchase of alcoholic beverage products at auction.

20

By participating in the auction, Buyer agrees with Zachys and the Consignor that these Conditions of Sale, together with any instrument captioned (i) Buying & Bidding Information and (ii) General Catalog Notes published by Zachys and in effect from time to time and which are incorporated herein by reference as part of this Condition of Sale, shall become the legal, valid, and binding obligation of the Buyer, enforceable in accordance with their terms by Zachys and the Consignor (who is both a party hereto and, with respect to portions hereof between Buyer and Zachys, an intended third-party beneficiary).

21

In the event any one or more of the provisions, or any part or parts of a provision, of these Conditions of Sale and/or the Buying & Bidding Information is determined to be invalid or unenforceable in any respect, the validity and enforceability of all remaining provisions and parts of provisions shall not in any way be affected or

impaired.

22

If there is any inconsistency between the English and translated version of the General Catalog Notes, the Buying & Bidding Information, the Conditions of Sale or all other relevant documents, forms, website or emails, the English version shall prevail.

General Catalog Notes

Level/Ullage Descriptions & Interpretations

- IN **Into Neck:** Excellent for a wine of any age.
- BN **Bottom Neck:** Excellent for a wine of 10 years or older.
- VTS **Very Top Shoulder:** Normal for any wine 10 years or older.
- TS **Top Shoulder:** Normal for any wine 25 years or older.
- JBTS **Just Below Top Shoulder:** Normal for any wine 30 years or older.
- US **Upper Shoulder:** Slight natural reduction through easing of cork and evaporation through cork and capsule. Very good for any wine over 40 years old. Excellent for any wine over 50 years of age.
- UMS **Upper-Mid Shoulder:** Good for any wine 50-60 years of age.
- MS **Mid Shoulder:** Probably some weakening of the cork. Very good for wines over 50-60 years of age. Estimates usually take this into account.
- LS **Low Shoulder:** Some weakening of cork acceptable if wine or label is exceptionally rare or interesting.

Because of the slope of shoulder, it is impractical to describe levels of Burgundy-shaped bottles as into neck, etc. Wherever appropriate, the level between capsule and wine will be measured and cataloged in centimeters.

The condition and drinkability of Burgundy are less affected by ullage than its equivalent from Bordeaux. For example, a 5 to 7cm. ullage in a 50 year old Burgundy can be considered normal, indeed good for that age; and 3.5 to 4cm., excellent for that age.

Champagne bottle measurements are done from the bottom of the foil to the level of the wine.

Label & Capsule Conditions

Labels and capsules can become soiled, stained, or otherwise marked, especially with wines over 20 years of age. Unless otherwise noted, label conditions will be appropriate for age, but Buyers should note that normal staining, discoloration or other conditions may not be noted if such conditions are appropriate for the age of the label. Potential Buyers are invited to make appointments to inspect wines personally.

Special Notices

Though every effort is made to describe or measure the levels of older vintages, corks over 20 years old begin to lose their elasticity and levels can change between cataloging and sale. Old corks have also been known to fail during or after shipment. We therefore repeat that there is always a risk of cork failure with old wines, and Zachys assumes no responsibility for this.

Under no circumstances can an adjustment of price or credit be made after delivery, except as provided in Paragraph 13 of the Conditions of Sale in this catalog.

Unless otherwise stated, Bordeaux are Château bottled.

It is Zachys' general policy to describe levels for vintages prior to 1990. Unless otherwise noted, ullage levels will be appropriate for age.

At Zachys discretion, we will not always cut the bands on original packaging of younger wines. In such cases all wines are sold AS IS and will not accept returns for any issues the buyer's might discover after the band is cut.

At times, bottle numbers will be covered in photos to protect consignor anonymity.

Delivery Charges

The following information is intended to give general advice to buyers on the VAT and certain other potential tax implications of purchasing at Zachys wine auctions. Reference to the following VAT symbols shall mean those symbols located beside the lot number or the pre-sale estimates in the catalogue.

Buyers are responsible for the payment of any tax which Zachys may be required by law to charge or remit to any authority in respect of or in connection with the sale. All bids placed by Buyers are deemed to be submitted exclusive of any VAT and/or any other applicable tax or duties, which shall (if required) be payable by the Buyer at the appropriate rate.

The following VAT schemes are applicable to deliveries within the European Union, as prescribed by the symbols accompanying each lot in this catalogue:

PROPERTY WITH A † (SINGLE DAGGER) SYMBOL

These lots are sold under normal VAT rules. VAT is applicable over the hammer price, buyer's premium and any additional charges (if applicable) at a VAT rate prescribed by law. The goods under † do not qualify for a VAT margin scheme. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

PROPERTY WITH A ♦ (BLACK DIAMOND) SYMBOL

These lots remain in bond (i.e. not in free EU VAT circulation). Please note that VAT is applicable upon release of the goods into EU free circulation - on request of buyer - over the hammer price, buyer's premium and any additional charges (if applicable) at a rate prescribed by law which is added to the amount payable by the buyer. Terms of delivery will be discussed with buyer after the auction on an individual basis with corresponding VAT charges if - upon request of buyer - the goods will be released into EU free circulation.

PROPERTY WITH A △ (OPEN TRIANGLE) SYMBOL

These lots are subject to a "margin scheme", whereby only the buyer's premium and additional charges are taxed with VAT. The rate of buyer's premium including VAT on lots with this symbol is equal to 30%. Buyers eligible for the margin scheme may also opt for the application of regular VAT rules, for example, in case of a delivery of the goods outside the European Union or a delivery within the European Union to a VAT registered buyer. The enhanced buyer's premium amount will be reflected on the buyer invoice. Terms of delivery and any corresponding VAT charges will be discussed with the buyer after the auction on an individual basis.

Split lots are available upon request for a fee.

Delivery charges will include any applicable tax, duty, tariffs, or other fees as required by laws. Buyers are responsible for import tariffs at the destination country.

Export/Import Permits

Alcoholic beverage products sold at auction may be subject to laws governing export from the jurisdiction where the auction was held and import restrictions of foreign countries. Buyers should always check whether an export license is required before exporting alcoholic beverage products. It is the Buyer's sole responsibility to obtain any relevant export or import license. A delay in obtaining licenses shall neither justify the rescission of any sale nor excuse delay in providing full payment for the lot. Local laws may prohibit the importation of some property and/or may prohibit the resale of some property in the country of importation; no such restriction shall justify the rescission of any sale or delay in making full payment for the lot.

Currency of fulfillment and applicable fees are determined by the origin of the shipment.
